Clarence A. Davis

For
United States Senator
Primary Election Tuesday, July 18th

Born in Agricultural Nebraska and has his home and interests there. Not a candidate of any Omaha political faction. Interests are closely associated with farming and has always worked for agricultural development of Nebraska. Attorney General for four years. Prosecuted more than two thousand prohibition cases. Enforced the banking laws. Protected the public by sustaining the uniform bread loaf law. Called grand juries and cleaned up Nebraska business. Favors amendment to Federal Reserve Banking Act to extend more liberal credit to farmers. Favors law promoting cooperative marketing. Favors law prohibiting gambling in grain. Opposes cancellation of foreign loans. Stands for reduction of freight rates. Favors laws protecting women and children. Favors reduction of taxes by reducing the cost of government. Stands steadfastly for law enforcement and clean government.

FOR SECRETARY OF STATE

CRAWFORD KENNEDY
No name is better known or more highly respected in Nebraska than
KENNEDY

A vote for Crawford Kennedy for Secretary of State is a vote for honesty and efficiency. His name will strengthen the Republican ticket.

ANNOUNCEMENT

I desire to announce myself as a candidate for the nomination for the position of state senator, subject to the will of the republican voters in the primary election, July 18th. Thanking those who in the past have supported me and the measures for which I have worked, I am, very respectfully,

A. F. STURM,
Nehawka, Neb.

FOR STATE SENATOR

I am submitting my name to the voters of the republican party at the primary election, July 18th and will appreciate the support of my friends for the office of state senator.

ANDREW P. MORAN.

HONEY FOR SALE

Fights Profiteers!

ALBERT W. JEFFERIS
Republican Candidate for
U.S. SENATE

Mr. Jefferis as congressman obtained valuable evidence for the government in the war profiteering and fraud cases.

"ONE OF US."

SHIKE for Congress

Republican Primary
July 18th
Physician, Editor, Lecturer.
Yours for Less Politics and More Service!

ROBERT S. HUTCHINSON

Republican Candidate For STATE TREASURER

Born and Reared in Boone County
Farmer and Stock Raiser,
and Land Owner.

County Treasurer of Boone County since January 1917.

STANDS FOR EFFICIENCY AND RIGID ECONOMY IN PUBLIC AFFAIRS.
We have had a carnival of high spending. Falling prices require lower expenses and corresponding lower taxation, consistent with efficient administration of Public affairs. Expenditures of Public funds should demand full value of service.

MEN SCHEDULED TO STRIKE

Chicago, June 30.—The following table, prepared from information supplied by the federated shop crafts, indicates the number of men in each craft, scheduled to go on strike at 10 o'clock tomorrow morning:
International Association of Machinists, 60,000.
International Brotherhood of Boilermakers, Iron Shipbuilders and Helpers of America, 18,000.
Amalgamated Sheet Metal Workers' International Alliance, 11,000.
International Brotherhood of Blacksmiths, Drop Forgers and Helpers of America, 10,000.
International Brotherhood of Electrical Workers, 12,000.
Brotherhood of Railway Carmen of America, 160,000.
Repairmen, not included in above, 110,000.
Apprentices, 20,000.

BARROWS FOR CONGRESS

Lieutenant Governor Pelham A. Barrows is in the race for the Republican nomination for congress in this district. He is popular with the people and has always been a vote getter. He was elected the first time he ran for lieutenant governor by a majority over his principal opponent of 22,864 which was increased the last election to 77,400. In that election he polled 16,539 more votes in this district than did his democratic opponent and 4,206 more votes than both his opponents combined.

One of the strong arguments in favor of the nomination and election of Mr. Barrows is the fact that if elected he will not go into congress handicapped by being unknown. Probably no man has ever come out of Nebraska for a good many years who has become so well known over the entire country as he. As Commander-in-Chief of his national organization, travelling from one coast to the other, speaking in most of the important cities of the United States, he was accorded enthusiastic receptions wherever he appeared and was greeted by many of the present members of the country. Naturally members of congress, and he is personally acquainted with many of them, will be interested in knowing the type of man the First Nebraska district is sending to take the place of Congressman Reavis, one of the very well known members of that body. Should Lieutenant Governor Barrows be elected, he will go to Washington with the prestige of being known and step into that body known either personally or by reputation by a large number of its members. This will mean a great deal for this district and with the experience which the lieutenant governor has had in public life, will be a valuable asset to Nebraska.—Nemaha County Republican.

BURLINGTON SHOP EMPLOYES WALK OUT THIS MORNING AT 10 O'CLOCK; STRIKE IS ON

PRACTICALLY 100 PER CENT OF MEN OUT, UNION OFFICIALS STATE—ONLY A FEW OF THE OLDEST EMPLOYEES REMAIN.

500 OUT—STORE HOUSE FORCE NOT AFFECTED

Workers in That Department Will Continue, as Their Agreement Over Wage Schedule is Not Out Until February—Pickets Now on Duty.

This morning when the stroke of 10 o'clock sounded the presence of 23 shop crafts affected in the recent strike order, ceased their labors in the local Burlington shops and to the number of 415, quietly and without demonstration, laid down their tools and left the shop grounds and the strike that has been pending for the greater part of the last year and a half was on.

The local shops were practically 100 per cent in the strike as far as the crafts affected were concerned and only a scattered few of the older men who were completing long years of service, remained in the departments affected.

The carmen, blacksmiths, machinists, boiler-makers, sheet metal workers and electricians were the crafts ordered out. The brass moulders, who are not in the unions in the walk-out as well as the laborers who are in the maintenance of way union, are at work as are the clerks and platform laborers at the store department.

The strike came very peaceably as the men quietly left their work in perfect order and the railroad company adopted no hostile attitude in the matter. The statement as to the railroad view of the matter is that it is a question between the railroad board and the labor organizations and not the railroad companies. There will be no effort made by the Burlington to import workers or to operate their departments aside from those which are not affected by the strike and with this attitude there is little probability of any violence or demonstration.

The labor organizations will establish a peaceful picket of the shop that is allowable and look after the interests of their cause.

Chicago, June 30.—Federal intervention by the United States railroad labor board today failed to halt the strike of 400,000 railway shopmen called for 10 o'clock tomorrow morning.

Flouting, according to Chairman Ben W. Hooper, the board's efforts to effect a settlement of the shopmen's grievances before the walkout took place, B. M. Jewell, head of the shop crafts union and the six international union heads, refused to appear for an official investigation of the strike by the board. No further attempt to forestall the strike would be made, Chairman Ben W. Hooper announced in adjourning the federal body's inquiry.

A threatened strike of 400,000 railway maintenance employees was at least postponed, however, by the board's intervention. The strike of this group which had been expected, to parallel that of the shop men, will wait further action of the organization's executive council, according to the announcement of E. F. Grable before the board this afternoon.

Labor Board Can Do No More
Chairman Hooper explained it was not the board's purpose to "prevent any one striking," but that it did desire to inquire into possible violations of board orders.

Chairman Hooper announced that

"no practical purpose could be served by compelling the presence of B. M. Jewell, head of the shop crafts at an adjourned hearing tomorrow, the day set for the shop strike."

The board, Mr. Hooper declared, has served the full extent of its authority, acting under the transportation act. He declared that Mr. Jewell had "flouted a government body in refusing to appear." The board, therefore, would take no further steps to prevent an actual walkout, Chairman Hooper announced, and the hearing was adjourned.

President Jewell's failure to attend the peace conference brought severe condemnation from the chairman of the board, who, in closing the inquiry, declared the rail union's chief blood was "on his own head."

"Mr. Jewell has flouted a government tribunal," concluded Chairman Hooper. "He has shouldered the responsibility of his own volition, and the board desires to pursue the matter no further."

Ignore the Board's Summons
Neither Mr. Jewell nor any of the shop crafts heads answered the board's summons. Instead they sent a letter maintaining the right of the workers to strike and expressing the belief that the board's hearing would result in a "confused and disorderly strike movement, lacking authoritative control and almost inevitably resulting in a mob-like action, pregnant with grave possibilities."

Timothy Healy, president of the stationary firemen and others, likewise failed to appear when the board's hearing convened, and subpoenas were issued for them, summoning both Jewell and Healy before the board. Mr. Healy advised that he would appear at the hearing, but Mr. Jewell was not found.

In contrast to the complete failure to throttle the shopmen's strike, the labor board's inquiry met with marked success in the case of the maintenance of way employees and the contractor cases and the twenty-three railroads also cited to appear at today's investigation.

Twelve railroad representatives turned the session into a testimonial meeting as they arose, one after another, and announced their willingness to cancel all existing contracts for the performance of road work by outside firms, if thereby the strike crisis might be relieved.

Three other union heads, in addition to President Grable of the maintenance of way brotherhood, gave assurance to the board that no call to quit work would be issued immediately.

Maintenance of Way Men to Stick
The announced delay of the maintenance of way strike call, which had been expected tonight came after a lengthy discussion between Mr. Grable and Chairman Hooper. Mr. Grable told the board that more than 288,000 votes had already been canvassed, the results thus far showing "a big majority in favor of a strike."

The employees' grievances, he explained, included the \$60,000,000 pay cut which goes into effect tomorrow, the contracting of track labor and removal of the eight hour day thru several rule changes recently issued by the labor board. If the men could have some assurance of a rehearing on these grievances, Mr. Grable said, he volunteered to "use his influence to prevent a strike."

Touching on the wage cut, Mr. Grable declared that the cost of living as shown by government statistics had actually risen in the face of the impending wage cut.

Chairman Hooper immediately agreed that whenever fact warranted the board would readily reconsider wages in the light of changing conditions. Mainly upon this assurance of renewed consideration of his men's wages, Mr. Grable agreed that no strike call would be issued tonight.

Biliousness and Constipation

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally." writes Mrs. Rosa Potts, Birmingham, Ala. Weyrich & Had-raba.

DEATH OF LITTLE ONE

The many friends in this city of Mr. and Mrs. C. A. Marshall, Jr., of Dayton, Ohio, will regret to learn of the death of their infant daughter there this morning. The deepest sympathy will be felt for Mr. and Mrs. Marshall in their hour of sorrow by their friends.

INSTALL NEW MACHINE AT THE MOVIE GARDEN

Joe Bradley, of the U. S. Theatrical Supply company, of Omaha, was here yesterday and installed a new compensating arch machine at the Movie Garden that will overcome the difficulty that has been found in producing the proper clearness and with the new machine the pictures should be the best that can be secured from the standpoint of screening.

Mr. Larsen, the manager, is striving to give his patrons the best that can be had in the way of moving pictures and the new machine is a part of the program.

COUNCIL LETS CONTRACT FOR ELECTROLIERS

Western Electric Co. Awarded Bid For Lamps and Stands at \$3,054; Installation, \$1,701.

The city council met in special session last evening and the full attendance of the membership was present to take part in the decision of the city on the letting of the contract for the new electroliers.

The various bids were opened at the meeting of the council on last Monday night and since that time they have been thrashed over by the members of the light committee and several sessions held with the representatives of the various firms that had bids on the work.

At the meeting last evening the light committee continued their deliberations until 9:15 and then submitted the report on the matter of the bids, recommending that the contract for the furnishing of lights, as well as posts for the forty-eight new lamps be awarded to the Western Electric Co. and for the wiring and installation to the W. W. Berger Co. The bid of the Western Electric Co. was \$3,054, while the Berger company on the installation asked for \$1,701, both being the lowest bidders on the job.

There was some little discussion as to whether or not the companies should have submitted specimens of the style of posts and lamps they expected to use in the carrying out of the contract, and on the adoption of the report of the lighting committee letting the contract, Councilmen McCarthy and Howe voted no, and Councilman McMaken passed, the other seven members voted for the report of the committee.

The lights decided on are of the multiple system, single electrolier, with twelve foot posts and fancy ornamental canopy globe and are very classy looking lights of the latest type.

The council has not as yet decided on the size of the lamps to be used in the electroliers, as there is some indecision as to whether 100, 200 or the present 400 watt lamps would be the most effective.

This action of the council will dispose of the matter of putting in the electroliers when Mayor Johnson signs the contract, but the matter of the current for the lights has not been taken up yet by the council as a whole, although the light committee has been discussing the matter with Manager Kuykendall of the Nebraska Lighting Co., and it is thought a very favorable rate can be secured for the use of the new lights if it should be in the immediate future.

CLASS OF 1921 HOLDS REUNION LAST EVENING

First Gathering of the Class Since Graduation in 1921, is a Very Pleasant Event to All.

Last evening at the Modern Woodmen hall was held the first reunion of the class of 1921 of the Platts-mouth high school and the occasion was one that was quite well attended by the members of the class at the time of its graduation as well as a number of those who had been with the class in the school but quit before the graduation.

The first part of the evening was given over to games and the reading of a class prophecy, which proved a very pleasant affair to all members of the party and brought forth much merriment.

The officers of the class are Mason Wescott, president, and Wilma Rainey, secretary-treasurer, but in the absence of the president, G. E. Brubacher, the vice president, was in charge of the affair and was assisted by a committee composed of John Sattler, Wilma Rainey, Vera Becker and Gladys Listen.

The latter part of the evening was given over to dancing and to the delightful music furnished by the Marshall orchestra. Fruit punch served to add to the pleasures of the dancers.

This class has one of its members married, Mrs. Fae Chase Martin, and a large number attending colleges and schools, and the occasion of the get-together meeting one of great pleasure. This class had the largest freshmen class that has ever entered Platts-mouth high school.

Harry Keabe of Nehawka came up last evening from his home to look after some matters of business for a few hours.

Mrs. W. B. Campbell and children, Billy and Elizabeth, of Aberdeen, S. D., arrived this afternoon for a visit with Rev. and Mrs. H. G. McClusky. Mrs. Campbell and Mrs. McClusky were old friends at Park college, Mo.

Paint Now!

During the mid-summer months the outside of a building dries out and is in ideal condition to absorb linseed oil and white lead.

Stop decay and deterioration now!

House painting includes Cleaning, Nailing, Scraping, Puttying—to your satisfaction as well as mine.

My contracts include Decks, Valleys, Spouting, Screens, Storm Sash, Basement Sash, complete.

Phone me for an estimate. Call phone 597.

"Built for Paperhanging"

CLOSING ALL DAY FOURTH OF JULY

General Stores of City Will Observe Next Tuesday by Suspension of Work for the Day.

The committee of the Ad club of the city which has been canvassing the business houses relative to the closing on the Fourth of July, has succeeded in securing the signatures of all of the general stores, clothing stores, dry goods, hardware and other lines that do not find it necessary to remain open, to close up for the entire day.

The pool halls, drug stores and soft drink parlors will, however, not be closed, but remain open for the day in order to accommodate those who desire diversion or some necessity from the drug stores.

The closing will be very general as the proprietors of the various business houses as well as the clerks desire to have the opportunity of getting the day off and enjoying themselves to their heart's content.

DIES AT WAVERLY

Fred H. VanWile, aged fifty-seven died at his home in Waverly at 11 o'clock Friday evening following an illness of some duration. Mr. VanWile has been an employe of the Burlington for thirty-four years and since 1906 has been station agent at Waverly. The deceased gentleman is survived by his wife and two daughters, Mrs. John Loder and Miss Harriett VanWile of Waverly as well as his aged mother, Mrs. Harriett VanWile of the Nebraska Masonic Home, who has been bedfast for the past few years.

The funeral services will be held Sunday morning at 11 o'clock from the home and the Rev. G. A. Randall will have charge of the services and the interment be at Wyuka cemetery, Lincoln.

Lost anything—found anything? Try a Journal ad. "They satisfy."
