RECEIVES FINE GIFT

From Wednesday's Dally.

Yesterday was the thirty-sixth birthday anniversary of W. F. Huneke, the genial storekeeper of the Burlington in this city, and in honor of the occasion the members of his family presented him with a very appropriate gift. Mrs. Huneke and the sons united in presenting Mr. Huneke with a fine gold watch which certainly was a gift that the recipient will love and cherish as a token of the affection of his family.
