ACCOUNTING OF WORLD WAR RELIEF FUND MADE

Secretary F. B. O'Connell of the American Legion relief committee has filed a report with State Land Commissioner Swanson, secretary of board of educational lands and funds. The report is for six months ending June 30th.

The committee has received a total of \$31,250 in installments from the state board of relief of world war veterans.

At the first of the present year the relief committee which disburses this money had \$9,129 on hand. In addition it received \$12,500 from the state, \$3 in interest and \$46 in the form of a returned check, making a total of \$21,704.

The committee issued 573 vouchers for \$21,561, leaving a balance of \$145 on hand June 30th.

The actual expense of administration was \$547 or 2 1/2 per cent for overhead. For the previous six months the overhead was 6 per cent, but the relief committee was just getting well organized during that period.

Same Old Story, but a Good One

Mrs. Mahala Burns, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so, for I know it is a quick and positive cure for bowel troubles." Weyrich & Had-raba.

FORD MUST GET COAL OR CLOSE DOWN SOON

Lansing, Mich., Aug. 3.—The entire army of Ford Motor company employees will be thrown out of work unless Ford obtains new coal shipments within fourteen days, his representatives told the fuel committee here today.

In addition to the Ford plant, with its vast number of workers, the Dodge, Chevrolet and Studebaker plants would be tied up through loss of their gas, which Ford supplies.

LOCAL NEWS

MANLEY NEWS ITEMS

Edward and Philip Flemming were threshing last Thursday and with good yields.

Albert Selker and wife were guests at the home of A. F. Rauth last Tuesday for the day.

Miss Julia Sherman of Louisville was a visitor at the home of Mr. and Mrs. Fred Krecklow for a few days during last week.

Amy Goodman was looking after some business matters in Plattsmouth last Thursday, driving over in his spring wagon.

A. F. Rauth and wife with their little one were the guests at the home of August Stander and wife last Sunday for dinner.

Mrs. Fred Krecklow was a visitor in the country last week, assisting in the cooking at the home of John Schellhorn where they were doing the summer threshing.

Miss Leda Fleischman who has been visiting in Omaha for some time with her parents, returned home last Wednesday evening, after having had an excellent time.

Walter Mockenhaupt and family were guests at the home of Mr. and Mrs. C. E. Mockenhaupt and were pleased with the company of their cousin, Miss Allbee of Lincoln who is a guest of Miss Sue Mockenhaupt.

The country sewing club of Manley held a very profitable meeting at the home of Mrs. Wm. Heebner last week at which some excellent work was done and also were very pleasantly entertained by Mrs. Heebner.

At this time there are plenty cars for the transportation of wheat and much of what has been threshed has been shipped. The threshing is getting pretty well along and otherwise than the occasional rains has been very satisfactory.

Mr. Roscoe Owens who is at the Saint Catherine hospital at Omaha and where he underwent an operation for appendicitis, is reported as getting along rather slowly and while improving is not getting well as rapidly as would be desired.

The new home of Louis Gaebele which is under construction is progressing rapidly at this time, the building being enclosed and is now being plastered and will be pushed to completion as rapidly as can be done in order that it may be ready for occupancy before the winter.

Sells Auto Supplies

R. Bergman who has in the past carried a line of auto supplies and has a dispensary for gasoline, has closed out his line of the new garage man Mr. Westley Lane, who last week moved the filling station to the new garage and will be equipped to supply the trade in this line. Mr. Lane will also keep supplies for autos and accessories to accommodate all kinds of cars as well as being prepared to look after the needs of car owners in this line. Mr. Bergman will in the future not carry the line which he has in the past but will devote his energies and space to the other lines in his business.

Entertained For Friend

Miss Anna Rauth entertained last Thursday afternoon for her friends in honor of Miss Eleanor O'Brien of Cedar Creek, who is visiting with friends in this neighborhood for a few days. The afternoon was spent in games, music and was concluded with a most enjoyable lunch of ice cream and cake. Miss Anna proved a most pleasant entertainer. Those present to enjoy the occasion were Miss Eleanor O'Brien of Cedar Creek, the guest of honor, Misses Bernice, Marie and Helen Carper, Thelma Ruby, Dorothy and Nellie Otto, Margaret and Agnes Sheehan, Ada and Rachael Fleischman. The day following also Misses Dorothy and Nellie Otto entertained in honor of Miss O'Brien at which time there was a most pleasant time had by the same little friends.

Graduates at Sinsinawa

Last Friday at the college at Sinsinawa, Wis., Miss Agnes Stander, who has been attending school at that place graduated with honors, and became Sister Alexia of the Dominican order. Mr. and Mrs. August Stander departed last Wednesday evening to be present at the celebration of the graduation. On their return they also visited for a short time at Omaha with friends.

Many Visit Omaha Den

Last Monday which was Cass and Otoe county night was well represented by Manley people when a large number of people from this community attended the celebration of initiating the candidates. They always take a good natured man for the entire initiation and Rollin Coon was selected and the remainder were permitted to look and acquire the mysteries of the degrees. Among those to attend the celebration were W. J. Rau, Herman Rauth, William Heebner, Westley Lane, Jack Sheehan, Venie Rockwell, Rollin Coon, Lawrence Earhart, Robert O'Brien, Walter O'Brien, Frank Stander, Dan Bourke, Hans Nelson and Howard Johnson.

Valuable Advice for Readers of the Plattsmouth Journal.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter. It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

Then help the weakened kidneys. Don't expect them to get well alone. Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home. Read this Plattsmouth woman's convincing statement:

Mrs. S. L. Cotner, Marble street, gave the following statement February 23, 1916: "I am glad to recommend Doan's Kidney Pills, for I know from personal experience that they are a remedy of merit. I have taken Doan's on several occasions for backache and kidney trouble and they have always done me good. Doan's have been used in our family for a long time and the results have been very satisfactory."

On May 13, 1920, Mrs. Cotner says: "The cure Doan's Kidney Pills made for me has lasted."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cotner had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

ANOTHER BAD AUTO WRECK NEAR ELMWOOD

Another bad accident occurred at the bridge two miles south of town on Wednesday afternoon about 4 o'clock when a "baby" Overland went into the ditch. The car was coming from the east and was occupied by a young traveling salesman, his mother and father.

The son and mother were riding in the back seat and the father was driving. He did not notice the turn quickly enough and in negotiating it put his foot on the gasoline feed and went off on the west side of the bridge. The car turned completely over.

The lady received several severe cuts and the young man several severe bruises, one on the left arm. The car was badly wrecked.

The father and mother were taken on into Lincoln by a tourist car and the young man waited until a large truck came from Lincoln to take the car in for repairs.

Several suit cases tied on one of the fenders were submerged in the water and clothing badly damaged. The parties were from Cedar Rapids, Iowa, but did not wish names printed. Some one said: "Who will be next?"—Elmwood Leader-Echo.

WANTED

Young men, handy with carpenter tools, for permanent employment on car work—rate, 47c to 63c per hour, depending on ability. Time and one-half after eight hours. Call on or write to Master Mechanic, C. B. & Q. R. R., Omaha, Neb.

Tarlac renders the body vigorous and elastic and keeps the mind clear and energetic. F. G. Fricke & Co.

An extensive line of high class stationery on hand at all times at the Journal office.

CAUSE OF APPENDICITIS

When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis. Weyrich & Had-raba.

Darnproof Sox
6 PAIR IN A BOX
Guaranteed Till Next February
\$1.50 FOR THE BOX

This is not a work sock, but a fine grade lisle dress hose. It comes in black, blue, brown and gray. If you paid 35c apiece for these sox you would be satisfied, but you get 6 pair for \$1.50, with a written guarantee of no holes for 6 months. Can you beat it?

INDICATIONS POINT TO NOMINATION OF REED IN MISSOURI

Has Lead of 6,879 Votes with 222 Precincts Out—Long is Still Confident of Victory.

St. Louis, Mo., Aug. 3.—Every factor that political experts base their opinions on indicates tonight that Senator James A. Reed has been nominated by the democrats of Missouri to be their standard bearer in November to succeed himself.

With 222 precincts missing out of the 3,848 in the state, Senator Reed was leading Breckenridge Long of St. Louis, former third assistant secretary of state in the Wilson administration, by 6,879 votes. The vote in 3,226 precincts stood: Reed, 189,321; Long, 182,442.

In order to overcome this plurality in the remaining precincts it will be necessary for Mr. Long to lead Senator Reed by almost thirty-one votes in each precinct. In the last 1916 precincts reported from the less densely populated parts of the state the total number of voters to the precinct has not equalled thirty-one.

Sixty of the 222 precincts are located in St. Louis county, outside of St. Louis city. Mr. Long's only hope in that county that has already reported from St. Louis county, Long had an average lead over Reed of only three to the precinct. In the remaining precincts from out state, reports show that the democrat vote was light and Mr. Long's only hope to muster enough votes to wipe out the senator's lead would be in a heavy vote from the remaining country districts.

Brewster Keeps Lead

From early morning until late afternoon the precincts that reported served to reduce the senator's lead little by little, until at one time it was cut to slightly more than 6,300. In the last fifty precincts to report, however, the senator's column took a brace. Despite eed's lead, Breckenridge Long tonight told the Associated Press that he was still confident of victory and that he believed the official count, which begins tomorrow, will be favorable to him.

Attention was directed to the fact that several thousand national guardsmen are on strike duty away from home, and that this probably would be a factor increasing the absentee vote.

With approximately three-fourths of the precincts in the state reported, R. R. Brewster was maintaining a 10,000 lead over William Sacks for the republican nomination for United States senator. The vote, with 2,825 of the 3,848 precincts in Missouri tabulated, stood: Brewster, 74,667; Sacks, 64,126; Barrett, 32,298; McKinley, 24,764; Proctor, 24,534 and Parker 10,791.

A WORD WITH WOMEN

Valuable Advice for Readers of the Plattsmouth Journal.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter. CAUSES OF BLINDNESS ENUMERATED

Department of Commerce Sends Out Interesting Census Figures on Causes of Blindness.

Washington, Aug. 3.—The Department of Commerce announces results of the inquiry into the causes of blindness, made in connection with the 1920 census.

Schedules or questionnaires were mailed to all persons reported in 1920 as blind. Of the 52,567 blind enumerated, there were 49,913 who returned these schedules. Of these 35,788 reported the cause of blindness.

In 13,816 or 36.6 per cent of these 35,788 cases from whom the cause was reported, the blindness was caused by some specific disease of the eye such as cataract or glaucoma; and in 5,623 cases or 15.7 per cent it was the result of some general disease such as measles, meningitis, or scarlet fever. Accidents accounted for 5,913 cases or 16.5 per cent of the total. There were 1,429 persons in number whose blindness was caused by explosives or firearms.

Cataract, the leading cause, was reported by 4,896 or 13.7 per cent. Glaucoma, which ranked next, was reported by 1,932, or 5.4 per cent. Atrophy of the optic nerve was given as the cause of 1,756 or 4.9 per cent.

Ophthalmia neonatorum, or "babies' sore eyes," was reported by 1,193, or 3.2 per cent of the total number reported. There has been a marked decrease in the relative amount of blindness due to this disease as indicated by recent statistics of admissions to schools for the blind, which show that only 14.7 per cent of the new students admitted for mophthalmia, as against 24.2 per cent of the students then attending who had entered in previous years. This decrease reflects the more general adoption of scientific methods of treatment, and especially the routine use of silver nitrate drops in the eyes of infants.

The campaign to eliminate trachoma appears also to be meeting with success, as trachoma and "sore eyes" (which is usually in fact trachoma) together were reported by only 3.0 per cent of the total for 1920, as against 5.2 per cent for 1910.

TRAINS ARE DELAYED

From Friday's Daily.

The morning trains on the Burlington were running away of scheduled time today due to the fact that a cave in on the tracks near Mela on the Omaha-Ashland line made necessary the sending of all traffic by the way of Louisville and Orepapolls and thence on into Omaha and back over the main line. No. 6 was delayed for several hours on this account and the westbound train No. 15 was delayed at Pacific Junction for some time owing to the confusion caused by the necessity of using the single track between Orepapolls and Omaha for all traffic.

To the Public

The operation of BURLINGTON trains, from the first day of this strike, has been possible only because of the large number of officers, employes and volunteers from every department who have been working day and night at their posts of duty. It is due to the extraordinary efforts of these men that your community has been supplied with food and other essential needs. The sense of justice of the residents of your community will determine the measure of their appreciation of the services of these men who have stood between them and the suffering sure to follow the attempted tie-up of train service.
