## PLATTSMOUTH YOUNG MAN WED- DED YESTERDAY

Nuptials of Miss Anne Gunderson and Mr. Henry G. Soennichsen Celebrated.

From Tuesday's Daily.  
On Monday at high noon at the home of Mr. and Mrs. W. H. Gunderson in Vermillion, South Dakota, occurred the marriage of their daughter, Miss Anne, to Mr. Henry G. Soennichsen of this city.

The wedding was very quiet and attended by only the immediate relatives of the contracting parties. The rooms of the home were very lavishly arranged with decorations of cut flowers, roses and carnations and asters being used in the decorative plan which made the setting one of the greatest beauty.

Preceding the marriage ceremony, Miss Martha of Vermillion, sang very sweetly, "At Dawning," by Cadman, and following which the bridal chorus from "Lohengrin" was played by Mrs. Christine Coughlin, sister of the groom, and to which the bridal party entered the parlors.

The bride was very charming in a costume of dark brown, the traveling costume being enhanced by a hat of the same color and Miss Gunderson wore a corsage bouquet of roses. The groom was attired in the conventional dark suit.

The bride and groom were attended by Byron Arries of Lincoln, as best man, and Miss Larson of Omaha, cousin of the bride, as the bridesmaid.

Rev. Fischer, pastor of the Lutheran church of Vermillion, of which the family of late bride are members, read the marriage lines in a very impressive manner.

At the close of the wedding a very delicious wedding dinner was served to the members of the party and amid the well wishes of the members of the family the young couple motored to Sioux City, Ia., from where they go to Chicago to spend a short honeymoon before returning to Plattsmouth to make their future home.

The relatives attending the wedding from this city were Mr. and Mrs. Waldemarsen, Mrs. Christine Coughlin and Miss Mathilde Soennichsen.

The bride was a member of the teaching force of the Plattsmouth public schools last year and one of the very popular teachers of the city and during the year, being very active in the social life of the city and the many friends will be more than pleased to learn that she is to make her future home in this city. Mr. Soennichsen has spent his lifetime in Plattsmouth and is at the present time one of the active young business men of the city, being interested with his father in the conducting of the business of the H. M. Soennichsen company, one of the largest retail firms in the eastern portion of Nebraska.

The many friends of Mr. and Mrs. Soennichsen join in wishing them a long and happy life in the years that lie before them.

## BOYS GET FINED

From Tuesday's Daily.  
Yesterday, C. Mulvihill, a young Omaha lad, and two boy companions motored down our beautiful city to enjoy a few hours and in their travels made the acquaintance of two Plattsmouth girls and thereby led to the downfall of the owner of the car. The boys invited the young ladies out for a spin and as the party was spinning down high school hill they attained much speed and engrossed by the pleasantries of the occasion, Mr. Mulvihill forgot to notice that a section of the paving was removed and as the car was going so fast he could not check it and one wheel drove through the part of the street where the brick had been removed but in this they were not injured. However, the high speed had been glimpsed by Chief of Police Barclay and it required a cash bond of \$13.50 to appease the feelings of outraged justice, and the boys securing the aid of friends secured the sum necessary and returned home to the metropolis.

## AUTO BUS IN DITCH

From Tuesday's Daily.  
The auto bus that plies between Nebraska City and Omaha and reached this city at 8:20 p. m., enroute to Omaha, met with some hard luck last evening on their trip as the bus overturned on the highway between Union and Nebraska City and as the result damaged the bus to some extent and bruised up a few of the passengers and also a few were injured by cuts from broken glass. The accident was fortunate in not being serious and the bus was able to complete the trip to Omaha with only a short delay as it was righted and sent on its way.

Attorney Charles L. Graves of Union was here yesterday looking after some of his clients' interests in the county court and incidentally visiting with his many friends in the county court.

## OMAHA LADIES HAVE A SERIOUS AUTO ACCIDENT

Dodge Roadster Goes into Ditch on 12th Street Near Kaffenberger Home—Car Damaged.

From Tuesday's Daily.  
Yesterday afternoon a Dodge roadster bearing the number 1-12647, and which was driven by Mrs. H. A. Nelson of Omaha, crashed into the ditch along the roadway on North 12th street, and as a result the car was very badly damaged. The place of the accident lies along the detoured route into Omaha and unless there is some precaution taken it is a rather dangerous place for those coming from the east.

From the statements of those who reside in the neighborhood, the car was traveling at a very good rate of speed out Washington avenue and when going over the intersection was still at a very good rate of speed and the ladies being unfamiliar with the road ran on over the ditch, the car turning over twice as it crashed to the bottom of the rather deep water-course. The top of the car was wrenched off, the windshield broken and the left front wheel almost torn off and the axle badly bent.

The most fortunate thing of the accident was the fact that Mrs. Nelson, who was driving, as well as her companion, Mrs. Joseph Berger, also of Omaha were not seriously hurt and the only injury was a slight bruise to the shoulder of Mrs. Berger. It was stated that the ladies were enroute from St. Joseph, Mo., to their home and it was the first time that they had traveled over the road which is being used while the paving is being finished near the Masonic Home.

Miss Ruth Jacobson and Mr. Ralph Larson Joined in Holy Bonds of Matrimony, Sunday.

From Tuesday's Daily.  
The home of Mr. and Mrs. Elmer Sundstrom at Louisville was the scene of a very pretty home wedding Sunday afternoon at 4 o'clock when Miss Ruth Jacobson, sister of Mrs. Sundstrom, was united in marriage to Mr. Ralph Larson.

The rooms of the home had been very tastefully arranged for the happy event with decorations of asters and green foliage and vines that presented a very attractive appearance and in the parlor before the bank of green and the varied colored asters the bridal party took their station while the marriage lines were read by the Rev. John Calvert, pastor of the First Methodist church of this city, and an old friend of the Jacobson family.

As the bridal party entered the parlors, Mrs. Elmer Sundstrom played very softly the Mendelssohn wedding march and to which the groom accompanied by his brother, Raymond J. Larson of this city, as best man, entered the parlors, preceding the bride who was attended by her cousin, Mrs. Elmer Johnson, as maid of honor. The bride was given in charge by a dark blue traveling suit and carried a shower bouquet of bride's roses.

Following the wedding ceremony, the young people were showered with the well wishes of their relatives and the guests served a very dainty two-course luncheon, Mrs. Sundstrom being assisted by Miss Esther Sundstrom, Mrs. Fred Sydebotham of this city and Dorothy and Louise Foster of Union, in serving.

After the reception the bride and groom departed, via the auto for Colorado and the west, where they will enjoy a two weeks' honeymoon and visit enroute at the home of the bride's parents, Mr. and Mrs. P. A. Jacobson at Bayard, Neb.

Both of the young people are well known and very popular in Louisville where the bride has resided since childhood and where her father has made his home for a number of years and is at present cashier of the Bank of Commerce of that city. Since the removal of the parents of the bride from Louisville she has been making her home with her sister, Mrs. Sundstrom, and has been engaged as a bookkeeper in the Bank of Commerce, Mr. Larson was born and reared in Plattsmouth, where his friends are without number, and is a young man of the very highest type of manhood. ## ENJOY TRIP TO MISSOURI

The last week, Mont Shrader, accompanied by his aunt, Mrs. Georgia Creamer, and Mrs. Alex Rhoden and Mr. and Mrs. Homer Shrader and family, enjoyed an auto trip down to Missouri, where they spent several days in the enjoyment of the pleasures of a visit with the Marler and Hutchison families at Jamesport, in Davies county. They found that that section of Missouri has a very large fruit crop this season and all the indications were for a bumper crop of all kinds.

## SCHOOL DAYS START

From Tuesday's Daily.  
This morning the happy, carefree days of vacation time ceased for the youngsters of the community and the call to school served to impress this fact in their minds most forcibly. The teaching force has been thoroughly organized by Supt. DeWolf in both the high school and grades and the schools start out under the most favorable circumstances for the year's work.

The baseball fans are to have a real treat in the next two Sunday games as Manager John Wolf has secured the Nebraska City team for the coming Sunday and the Ramblers for a return engagement on the Sunday following, Sept. 17th, and both of these are going to be the kind of games that will make you sit up and take notice.

## SEEMS VERY QUIET

The condition of affairs in the strike situation here have been most pleasing from the standpoint of the law in hand and the attitude of the men on strike has been that of peaceful citizens in their right of contending for their principals without violence or injury.

The care of the violation of the court injunction has been in the hands of T. S. Marshall C. H. O'Connell and he has been more than pleased with the way in which the affairs have been conducted and the removal of the flock of armed guards with shotguns from the passenger station has gone far toward making the situation very acceptable. Mr. O'Connell is hopeful that there will be a general effort made by every one not on business to remain away from the passenger station as it lessens the chances of trouble of any kind there.

## MERCHANTS COP A FAST BALL GAME HERE ON SUNDAY

Ramblers of Omaha Have Losing End of 2 to 0 Score in Fast Game on Local Lot.

Sunday afternoon the fans—the greater portion of whom were from up the river—gathered at the ball park to witness one of the best and fastest games of the season and which resulted in the victory being won by the local team by the score of 2 to 0.

Manager Wolff had designated Joe McCarthy as the hurler for the occasion and Joe proved in the best of form, allowing but one lonely hit and striking out thirteen of the visitors. The fielding of the team was also par excellence and at no time were the Omaha players in danger of scoring. The best chances of the visitors were extinguished by a pair of double plays in the game.

In the second inning, Bibby secured first on being hit by McCarthy and was followed by Budd who hit to Gradoville at short and Bibby was forced to Newman at second and Hanes threw out Budd at first. White was struck out. The second of the doubles occurred in the fifth inning, when Budd secured first on a bobble of a grounder by Herold, but Pete came right back when White hit a fly in his territory and doubled Budd at first and nipped off the chance of a score as Miller was whiffed by McCarthy.

The Merchants opened their scoring in the second inning when Shepherd secured a clean hit to the center garden and also picked up a couple of stolen bases around to third, and when Budd at third was unable to handle the grounder of Joe McCarthy, Shepherd registered. The third inning gave the locals another run to their credit, when Wolff rapped one to the right field line that was called safe and Johnnie rested on second when the ball was recovered, took third on a passed ball and scored on Herold's hit to third base.

This closed the scoring for the game and both teams showed good fielding form in the remainder of the contest. Marlin, the mound artist of the visitors, pitched a good game as only four hits were annexed off his delivery and all who saw the game were more than pleased with its speed and clean playing. The Ramblers are a fast and clean bunch of young men and one of the best teams seen here this season.

The tabulated score of the game is as follows:

## MAN THOUGHT DEAD SCREAMS IN HEARSE

Weeping Water Laborer, Injured by Live Wire, Taken Home by Undertaker—is Injured.

Lincoln, Sept. 5.—Three days ago Frank A. Kennedy, state labor commissioner, received a request to fill out a death benefit for G. J. Lohnas, a Weeping Water laborer. It was stated he had been killed by a live wire.

Today Kennedy received a request to change the benefit from death to accident. A letter from Mrs. Lohnas accompanied the last request. She stated that immediately after the accident a physician was called.

"He needs a hearse and not a doctor," the physician said. The hearse was called, Mrs. Lohnas was notified and a minister summoned to the Lohnas home. Friends gathered and all awaited the hearse.

"When the hearse drove up and the door was opened Mr. Lohnas was screaming with pain," Mrs. Lohnas said. "However, his injuries are serious."

Kennedy ordered the insurance company to pay \$15 a week until Lohnas recovered from his injuries.

Forest Cunningham of near Nehawka was here yesterday afternoon for a few hours to attend to some matters of business and to attend the progressive party committee meeting.

Patterson are awaited with interest as these are some of the best players in the city and should afford some real tennis work.

## DEATH COMES TO MRS. HARRIETT VAN WIE SATURDAY

Resident of Nebraska Masonic Home Who Has Been Bedfast Since 1902, Called to Long Rest

On Saturday evening at 5:30 at the Nebraska Masonic Home in this city, where for the past eleven years she has resided, Mrs. Harriett Van Wie was called to the last long rest. The death came after a severe attack of pneumonia and a period of long sickness as the deceased lady has been bedfast since April 13, 1902, and practically helpless the greater part of the time, as the result of a paralytic stroke.

Mrs. Van Wie was born November 1, 1844, at Salem, Wis., and made her home in that state up to 1888, when the family came to Nebraska and located in Lincoln. She was a charter member of East Lincoln chapter 148, Order of Eastern Star, and following her stroke of paralysis in 1902 she was brought to the Home here on June 11, 1911, where she has since resided.

She was a lady of Christian character and uncomplainingly bore the cross of pain and suffering that had been her misfortune to have come to aged and advanced years. Her cheerful under the suffering and her personality endeared her to all those who had the pleasure of knowing her.

The death of her son, Fred Van Wie of Waverly, two months ago, had a very depressing effect on the aged lady and her decline has been very rapid and an attack of pneumonia was too severe for her frail body to bear and quietly she sank to rest. She is survived by her daughter-in-law, Mrs. Fred Van Wie, and two granddaughters, Mrs. John Loder and Miss Harriett Van Wie of Waverly and the two granddaughters were here with their grandmother at the time of her death.

The body was taken to Lincoln Saturday evening and the funeral services held Monday afternoon at 2 o'clock from the Vine Congregational church in that city, Rev. Bullock officiating. The interment was at Waukegan cemetery.

## NOW AT HOSPITAL

From Tuesday's Daily.  
Mrs. William Kief, who was taken to the University hospital in Omaha on Sunday, is to be operated on today for the removal of a goitre that has been giving her more or less trouble for a number of years. The many friends are hopeful that the patient will find relief in the operation from her malady.

## UNDERGOING OBSERVATION

Henry Timm of near Murray, who was taken to the University hospital a few days ago, is reported as feeling a little better at the present time. The exact cause of the sickness of Mr. Timm is not known and the patient will be kept under observation for some time longer.

## ASKS TEN THOUS- AND DAMAGES OF CASS COUNTY

Mrs. Jennie V. Fantham of Rapid City, Iowa, Asks for This Sum for Alleged Injuries.

From Tuesday's Daily.  
The board of county commissioners at their session this morning were faced with a claim for the sum of \$10,950 filed by Mrs. Jennie Fantham, C. H. Fantham and Earl Fantham as the result of injuries that the claimants state occurred as the result of their auto running into the ditch on the O street road south of the town of Elmwood. Mrs. Fantham asks the sum of \$10,000 for personal injury, while the remainder of the claim is asked by the husband and son.

It is alleged that the accident occurred on August 2nd when the three claimants were traveling on the O street road toward the west and in going down the hill failed to make the turn and ran into the ditch that has existed for a great many years there and which is covered by a bridge a short distance south of the turn in the road.

The road has been kept in good shape by the county and the bridge also is in first class shape, but the sharp turn in the road has apparently been the cause of the many accidents that have occurred there as parties coming from the east who are not familiar with the road and traveling at a good rate of speed can easily miss the turn and as the result go over into the ditch instead of crossing the bridge a short distance south.

In regard to the matter the county authorities can see no justification of a claim for the heavy damages and the matter will probably be aired in the district court, as the county commissioners are not in the mood to allow the large amount asked for by the parties in the action.

## NOW OUT OF HOSPITAL

The many old time friends here of Ole Roman, who was injured some time ago while operating a "dinky" engine in one of the logging camps in Washington, will be pleased to learn that Mr. Roman has been able to leave the hospital at Chalton, Wash., where he had spent several weeks recovering from the effects of his injuries.

Two of Plattsmouth's popular young ladies, Misses Helen Egenberger and Betty Ptak, are at the Mercy hospital in Chicago, where they have entered to take a course in nursing at that institution and will remain there for the present term studying the latest methods of nursing training.

## UNDERGOING OBSERVATION

Henry Timm of near Murray, who was taken to the University hospital a few days ago, is reported as feeling a little better at the present time. The exact cause of the sickness of Mr. Timm is not known and the patient will be kept under observation for some time longer.
