SEPT 14

BARGAIN WEDNESDAY

September

A Fifty-Fifty Proposition

The success of Bargain Wednesday is the result of the judgement of the average shopper. It is slightly different from any other store selects sensible high-grade articles and marks them at such low prices that the customer is "value getter" for the merchant, it has to be a "value giver" to the customer. Come to Plattsmouth on Wednesday, Sept. 20, your money and save money.
