The Key that Unlocks the Door to Long Living.

The men of eighty-five and ninety years of age are not the rotund, well fed, but thin, spare men, who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much or of some article of food not suited to his constitution, causing indigestion or constipation and will need a dose of Chamberlain's Tablets to move his bowels and invigorate his stomach. When this is done, there is no reason why the average man should not live to a ripe old age. Weyrich & Hadraha.

**Rev. Knight Goes to Ohio**

The Rev. E. A. Knight, who has been the minister of the Methodist church here for the past few years, and who has always worked for the best interests of Alvo, as well as the church for which he has ministered, and every member, has been transferred to the charge at Ohio and has departed for his new field of labors. Rev. Knight who has done much to build up the community at this place, will be of much assistance at the town of Ohio, and while we are very much regretting to lose him as a minister and a citizen, what we are losing will be the gain of our fortunate neighbor town.

**Was Not Afraid to Build**

A year or so ago, Rev. E. A. Knight when the church wanted him to allow them to build a parsonage, said, put the church in good condition, and through his efforts and influence a modern plant for the work of the church was constructed. He said at that time, I will build a house for me to live in and this he did the savings of many years of hard work. He built a house which was a credit to the town and added to its tidy and better appearance. Now he is departing for another field he
