The Range Eternal!

This is the last word in art and stove construction, made of steel plates lined between with asbestos, and designed by a master workman in the art of stove building. This baking and cooking plant is sold by Joe Banning and is on display at his business house. During the week of October 2nd to 7th, and from now until then, there will be a campaign of education along the line of this wonderful stove.

A representative from the factory at Goshen, Indiana, where this art range is manufactured, will be in Union during the week above mentioned and will demonstrate and explain this wonderful range.

During the time of the sale and until October 7th, there will be given a beautiful sanitary kitchen table. This table is white porcelain enamel and a most beautiful full sized kitchen table, which sells for \$12.50, but during the sale will be given free with each purchase of a RANGE ETERNAL. See this wonderful stove and see the performance which it is able to make. Come, whether you wish a range or not.

Eva and the Snake

As the serpent beguiled Eve, the mother of all living, so a serpent endeavored to beguile Miss Eva Hathaway last week. When she went to her room for something she found his snakeship there and making himself at home. Miss Eva says the hairs of her head raised up in fright. However, assistance was called and the reptile dispatched. The room is used as a sleeping apartment for Miss Eva and she says she can now imagine snakes crawling about any time in the night. However, it was a very tense experience. It was wondered how it could have found its way,

The Union Schools

The Union schools have been in progress now for about two weeks and are doing some excellent work and with the opening there was much interest displayed. The attendance has been increased since last year. The enrollment this year for the high school is 60, the grammar grades 20, the intermediate 32 and the primary 36, making a total of the school 148, being an increase of

goodly number since last year.

The scholars and teachers are all retting down to real hard work and a very good year is expected. Each class of the high school has been organized with officers and class spirit excellent. The freshmen class has for their officers, Miss Buradie Tobin. sponsor; Ruby Meade, president; Wymore Fletcher, vice president; Alice Armstrong, secretary-treasurer. lophomore, Miss Hermania Newman, pensor; Geo. N the early days of automobile contests, Barney Oldfield—out to win every race-studied tires. His consistent success led other drivers to ask for tires constructed to his specifications.

Twenty years of road and track victories—with a steady and increasing demand for tires as he built them -convinced Barney Oldfield that these speed tests pointed the way to a better tire for everyday use.

The enthusiastic reception of Oldfield Cords by the public proved he was right. Scores of the most prominent dealers in the countryand many thousands of car owners, experienced in the use of tires-bear witness by their decided preference that Oldfield is doing a bigger and better job of tire making.

A VERY PRETTY HOME WEDDING AT HIGH NOON TODAY SEE ME FOR SALES OR TRADES

Miss Mariel Streight and Mr. Evi Speir Joined in Holy Bonds of Wedlock to Noon Today.

From Wednesday's Daily. One of the very pretty weddings of the fall season occurred at high noon today at the home of Mr. and

> Rev. H. G. McClusky, pastor of the First Presbyterian church, of which the bride has been a lifelong member, read the marriage lines, the beautiful ring service being used. The bride was charming in a gown of Spanish lace over radium cloth, wearing a colonial corsage of Sweetheart roses and lillies of the valley. The only jewels worn was a platinum watch, the gift of the groom, Mr. Speir was garbed in the conventional dark suit.

The bridal couple was unattended at the marriage service.

Following the wedding ceremony he members of the bridal party and the guests were entertained at a very delightful 1 o'clock wedding breakfast and the time until the departure of the young people was spent in extending to them the well wishes of their relatives and friends. Mr. and Mrs. Speir departed on

No. 2, over the Burlington, at 4:30 for Chicago, where they will enjoy a short honeymoon and from that city will go to Alliance where they will make their future home. The traveling dress of Mrs. Speir

was black pravelaine with platinum fur trimming and with hat of corresponding color.

The bride is one of the popular young ladies of the younger social set of the city and has spent her lifetime here, being a graduate of the Plattsmouth high school and later attending finishing schools in the east and at the University of Nebraska. A lady of charm and talent, she possesses a large circle of warm friends who will regret to see her leave the city, but extend to her their best wishes for a life of happiness in her new home.

The groom was for a short time a resident of this city as chief clerk in the store department of the Burlington railroad and is at the present time storekeeper at Alliance, and is a young man who stands high in the estimation of those who know him and who has made rapid strides in his chosen line of work.

Those who were in attendance from out of the city were: Mr. and Mrs. G. G. Speir, parents of the groom, of Aurora, Ill.; Mr. and Mrs. N. C. Bauler of Aurora; Mr. and
