CEDAR CREEK HERE SUNDAY

While the game last Sunday on the local lot was supposed to be the official closing of the season, the fans will have the opportunity on next Sunday of seeing the Cedar Creek team piloted by Manager Bob Stivers in action at the part east of the Burlington station. The Cedar Creek team has made an excellent record for the past season and

should give the fans an exhibition of real baseball in their tangle with the local swat kings.

VERY SERIOUSLY ILL

The condition of Mrs. Fred Wynn at the Immanuel hospital in Omaha continues very serious and the patient has shown but little improvement if any. Mrs. C. S. Forbes, mother of Mrs. Wynn, is with her daughter.

ter every day and doing all possible to assist in her care and the friends are hopeful that a change for the better may take place.

W. C. Barton and A. H. Trammell of Eagleville, Mo., who have been out in Wyoming for some time enjoying a visit and looking over the land, came in yesterday for a short visit with Rev. and Mrs. A. G. Holl-owell, who were former residents at Gillette, Wyo.

HARDING KILLS VETERANS' BILL

President Emphatic in Dealing Blow to Measure for Service Men's Compensation.

Washington, Sept. 19.—Exercising his veto power in emphatic manner, President Harding today dealt the soldiers' bonus bill what appears to be a death blow. He not only rejected the bill, but in his message explaining his act, questioned the policy of awarding patriotic service with cash.

Nothing short of a political miracle can save the bill. Its supporters enthusiastic in their optimism for two years, have now practically given up hope of miracles.

The house of representatives undoubtedly will override the veto by a wide majority tomorrow, but in the senate the anti-bonus forces appear to have control by a slender majority of two or three votes. Tonight there appears to be no present prospect of a break in their ranks.

Senate Behind Harding

Only 33 votes, counting pairs, are needed to sustain the veto, and the careful canvass today indicated that there would be 35 or 36 votes to support the president.

President Harding vetoed the bonus bill and sent it back to congress for two main reasons which he set forth at the outset of his message.

First, because it failed to provide the revenue to defray its expense. Second, because, he said, "it establishes the very dangerous precedent of creating a treasury covenant to pay which puts a burden, variously estimated between \$4,000,000,000 and \$5,000,000,000, upon the American people, not to discharge an obligation, which the government always must pay, but to bestow a bonus which the soldiers themselves, while serving in the World war did not expect."

Perversion of Funds

He further declared that a "peace bestowal on the ex-service men, as though the supreme offering could be paid for in cash, is a perversion of public funds, a reversal of the policy which excited patriotic service in the past, and suggests that future defense is to be inspired by compensation rather than consciousness of duty to flag and country."

VERY HAPPY EVENT

This morning the home of Mr. and Mrs. A. W. Bradway in the north portion of the city, was visited by the stork and who left in the home a fine nine pound son and heir. The mother and little one are doing nicely and the father is as happy as a lark over the little stranger that has come to them.

PROGRESSIVE CANDIDATE ISSUES OPEN CHALLENGE

A. L. Tidd of this City Issues Statement and Challenge to Dem. and Rep. Candidates.

Hon. John H. Morehead, and Hon. Walter L. Anderson.

You are respectively candidates of the democratic and republican parties for congress in the First congressional district, and I am the candidate of the progressive party for congress in the First congressional district, and the voters of this district have a right to know where each one of us stand on many vital issues before the people this year. My answer is I would not exceed the sum of \$25,000.00 per year? My answer is I would.

10. Would you work and vote for the immediate passage of a law prohibiting the paying of salaries in excess of \$25,000.00 per year to any officer or employee of any bank, insurance company, trust company, or other public corporation, or quasi-corporation, or corporation engaged in interstate commerce? My answer is I would.

18. Would you work and vote for the immediate submission of a constitutional amendment to provide for the election of all federal judges for a definite term of office by direct vote of the people? My answer is I would.

19. Would you work and vote for the immediate submission of the La Follette amendment to the constitution of the United States to limit the power of the supreme court to nullify acts of congress? My answer is I would.

20. Would you work and vote for the immediate enactment of laws to nullify all watered stock in the capitalization of the railroads, and all other corporations engaged in interstate commerce? My answer is I would.

21. Would you work and vote for the enactment of a law or an amendment to the constitution to provide for a referendum on the declaration of war in all cases except in case of an invasion? My answer is I would.

22. Would you work and vote for an immediate investigation of all war frauds and graft, and for the prompt and vigorous prosecution of all participants therein, whether beneficiaries thereof or not? My answer is I would.

23. Would you work and vote for the immediate enactment of laws making decisions of courts limiting and abridging the freedom of speech, the freedom of the press and the right of peaceable assembly, grounds

SHOWS GREAT GAIN IN THE LAST TEN YEARS

PLATTSMOUTH LOAN & BUILDING ASS'N. MAKES GREAT RECORD IN BUSINESS.

The officers of the Plattsmouth Loan & Building association have adopted a policy of having their books checked by special auditors instead of depending on the work of the state examiners exclusively and the audit has just been completed and the report given to the directors by Messrs. C. E. Hartford and Frank E. Schlatter, the special auditors.

The gentlemen examining the books of the Plattsmouth Loan & Building association are loud in their praise of the manner in which they have been kept and every item was properly entered and balanced and the auditors state that a better set of books could not be found anywhere.

The report is most gratifying to the officers and stockholders of the association and is a testimonial of the splendid manner in which the secretary, Mr. T. M. Patterson, has looked after the work of his office having the affairs in such shape that the condition of the association can be ascertained at any time with ease.

The growth of the Plattsmouth Loan & Building association has been a source of justifiable pride to the community and it speaks well for the business ability of those who have guided the affairs of the corporation, and in the last ten years the association has advanced with great strides and now stands in a position where it can compare favorably with any in the state both for soundness of its methods and the manner in which its affairs are conducted.

In July, 1922 the Plattsmouth Building & Loan association had loans of \$366,774.68, monthly payment stock of \$228,059, paid up stock of \$82,700. The association has created and has at this time a fund of \$8,200 which is for the sole purpose of paying any losses that might come in the way of loans and which is another evidence of the wise foresight of the officers of the association.

To compare the growth in the last ten years the association in March, 1912, had loans of \$76,626.12, capital stock, representing the monthly payment stock of \$55,716. At that time there was no paid up stock issued.

The figures show what this financial institution has been doing in this period of years and certainly shows it to be one of the big finan-

OLD RESIDENTS VERY LOW

A message from Louisville today states that Elder George W. Mayfield, one of the old residents of Cass county, and who is now in his eighty-fourth year, is in a very serious condition at his home in Louisville and the condition of this splendid old pioneer is such as to give little hopes of his recovery and in fact death seems but a few hours away for the patient. Mrs. Mayfield, who is eighty-six years of age, is also sick and under the care of a physician and her condition has given the family much apprehension. The illness of these two splendid old people will be learned of with the greatest regret by the many friends over the county.

OLD TIME PLATTSMOUTH BOY

The many friends of Conrad Schlatter of Oshkosh, Neb., were delighted to meet "Connie" yesterday on the occasion of his brief visit back in the old home as Mr. Schlatter was a prime favorite here in his boyhood days and one of the bright young men who was graduated here from the high school. Since finishing his school work Mr. Schlatter has been located in Garden county in business and is at the present time democratic candidate for county clerk in that county. Mr. Schlatter is a young man of splendid ability and has a very complete business education as well as the advantage of several years' experience in banking that should fit him in every way for the position that he is running for. The voters of Garden county certainly would make no mistake in his election.

Miss Laura Puls and Miss Bessie Engelke went thru here Saturday enroute to Omaha where they will remain for a few days visiting with friends and then will go to Minneapolis, Minn., to spend a few months.
