Sunday's paid attendance, 38,511.
Receipts, \$125,147.
Players' share, \$63,824.97.
Each club's share, \$21,274.99.
Commissioner's share, \$18,772.05.
Total receipts, \$185,947.
Total receipts, \$605,475.
Given to charity, \$120,554.
Players' share, \$259,307.71.
Each club's share, \$82,436.57.
Commissioner's share \$72,738.15.
New York, Oct. 8.—The New York Giants once more are champions of the world. They reached that pinnacle of success for the second consecutive year in a furious uphill rush this afternoon that flung the Yankees to defeat, 5 to 3, and crushed a disgusted pitcher, "Bullet" Joe Bush.

It was the second successive time that the Yanks have bucked the Giants in a world's series and failed. This year they went down inconspicuously without the solace of having captured even one of the five games that comprised the battle for the title. The best the Yanks could do was to tie the second game of the series. The Giants won the other four.

TRAVELER NABBED WITH BOOZE NEAR UNION SUNDAY

Lafayette Hunget of Nebraska City Caught by Sheriff Quinton and State Agent W. Grebe.

From Monday's Daily
The line of communication in the booze business between Nebraska City and Omaha seems to be in difficulty in the last few days and yesterday Sheriff Quinton and State Agent William Grebe captured Lafayette Hunget near Union, who gave his home as Nebraska City and as the sheriff exclaimed, "Lafayette, we are here" the officers took the unfortunate possessor of intoxicating liquor in custody and brought him on into Plattsmouth for a shaking down in the mill of justice.

BANKERS WILL MEET

From Monday's Daily
Yesterday J. Elmer Hallstrom, of Avoca, was in the city visiting at the home of his parents, Mr. and Mrs. J. H. Hallstrom, and while here Mr. Hallstrom was engaged in making arrangements for the semi-annual meeting of the Cass county bankers which will be held in this city on next Thursday evening, according to the present plans of the bankers.

DRAWS DOWN FINE

From Monday's Daily
Last evening Ray Smith, one of the men employed at the shops, was taken in for running his car at a too high rate of speed in keeping with the city ordinance and Officers Dyke and Jones took him in for the offense. This morning he was assessed a fine of \$10 and costs amounting to \$13, which was paid and the young man sent on his way rejoicing.

Books! Books! Books! We have them till you can't rest, at the Journal Office.

RETURN FROM HUNT

Saturday evening Frank R. Gobelman and Alex Campbell returned home from a visit of the past week in the sand hill country where they have been having some exceptionally fine hunting. The hunters secured a large number of chickens, ducks, and others of the seasonable game birds while on the trip and Frank feels that it was the best hunting trip he has enjoyed for many years. The hunters were in Arthur county the greater part of the time and report that the residents of that portion of the state are real princes in the way of entertaining.

EVENSONG SERVICE SUNDAY WAS WELL ATTENDED

The Rev. Lloyd B. Holsapple and Choir of St. Barnabas Church Were Here Yesterday.
Sunday afternoon at 4 o'clock at the St. Luke's church in this city was held Evensong service in which the Rev. Lloyd B. Holsapple and the choir of the St. Barnabas church of Omaha participated and Miss Maude Grebe, organist and leader of the choir, was assisted by the West sisters string quartet. The service was sung by Father Holsapple and the choir and in the service Father W. S. Leete, rector of St. Luke's assisted and Edward Patterson was the soloist. Four "Magnificat" and "Nunc Dimittis in F" were a part of Evensong.

The choir sang two of the choruses from Gaul's "Holy City," and the West sisters gave four delightful numbers.
There was a very large number of the members of the parish and the music lovers of the city present at Evensong and to enjoy the exceptionally beautiful musical program.
There were a number of people from Omaha present at the service, being Mrs. George Joslyn, Mr. Milton Darling, senior warden of St. Barnabas, Miss Jessie Royce, Madam Holsapple of Hudson, New York, Mrs. Lloyd B. Holsapple and Captain Murphy of Fort Omaha.

GIVE SHOWER FOR ONE OF THE LATE FALL BRIDES

A very charming miscellaneous shower was given Saturday afternoon at the spacious country home of Mrs. W. D. Wheeler, east of Murray, when Mrs. Wheeler and daughter, Mrs. Robert Patterson, entertained some forty guests in honor of Miss Opal Cole, whose marriage to Glen Wiles occurs October 12th.
The decorations of the dining room were in a color scheme of yellow and white and made a very pleasing setting for the afternoon of enjoyment.

The guests busied themselves hemming tea towels and dust cloths, after which tiny booklets tied with yellow ribbon, in which each guest was requested to write in one, "How to Hold a Husband" and in the other "Favorite Recipes," which when finished were presented to the guest of honor.
Then a large clothes hamper, filled with the miscellaneous articles brought by the guests was placed in the center of the living room and the bride-to-be was requested to unpack and unwrap each article. Many useful gifts were received and heartily appreciated.

HAS COLLAR BONE BROKEN

Billy, the little son of Mr. and Mrs. C. A. Rosencrans, is not feeling the best the last few days as he is suffering from the effects of a fracture of the right collar bone. Billy was injured by falling off of his tricycle on to the sidewalk and as a consequence will have to wear his arm and shoulder in a sling for some time.

FOR SALE

Big Type Poland China boars. Sired by "Orange Model, 2nd" and "A Commander." Telephone 3802. ADAM STOEHR, Plattsmouth, Neb.

CITY TO CONTRACT WITH 'Q' FOR SEWER

ORIGINAL PLANS FOR A SEWER UNDER THE TRACKS TO BE CARRIED OUT

From Tuesday's Daily
The city council in their session last evening devoted the greater part of the time to the discussion of the construction of the last part of the new sewerage system and the status of the case of the Plattsmouth Water company, against the city of Plattsmouth covering the amount of rates to be charged for the water service.
In the opening of the session a communication was received from the S. L. Collins Oil Co. relative to the construction of the new filling station at 6th and Vine street and under which communication the company was given permission to proceed with the work of putting in the station under the supervision of the fire and water committee.
Chief of Police Barclay reported that the sum of \$102 in fines had been collected for the month just closed.

City Clerk Duxbury reported that he had collected the sum of \$1,947 which had been turned over to the city treasurer.
City Treasurer Hartford in his report showed that the balance in the city treasury at the present time was \$32,347.08.
Police Judge William Weber reported the sum of \$102 in fines and \$14 in court costs for the month just closed.
The judiciary committee through Chairman Knorr reported that they had taken the matter of the outlet of the new sewer up with the city engineer and referred to Mr. John A. Bruce for a report. Mr. Bruce stated that he had had a conference with Mr. Byron Clark, counsel for the Burlington, and that Mr. Clark was opposed to the city making an outlet into the subway for the sewer and had intimated that the railroad company would oppose the granting of such a permit. Mr. Bruce stated that he had also asked as to the proposition made by Mr. Darrow for the construction of the sewer by the railroad company for the sum of \$2,490, and the statement that the railroad would have to have the amount in advance. Mr. Clark had stated that he understood the position that a city would be in under the circumstances and that the railroad company was willing to take their money at the same time the contractor was paid—when the amount had been raised by taxation. The railroad company had also asked as to their assessment in the special improvement tax but as the assessment had not been made by the council there could be no definite answer given the company. Personally, Mr. Bruce stated that he thought the original plan of going under the right of way of the Burlington for the outlet of the sewer was the only logical procedure to take as the sewer would then have a suitable outlet and the city avoid the litigation that would probably arise from the railroad company. He had not been able to go ahead with the final estimate until the council made a final decision as to what they were going to do with the plan of the construction of the sewer. The total cost of the sewer including the construction by the Burlington of the ninety-six feet of sewer would be \$18,933.

On motion of Councilman Bestor the city authorized to enter into a contract with the Burlington to construct this part of the sewer as called for in the original plans for the sum of \$2,940. All of the councilmen voted for the proposition except McMaken, who passed.
Engineer Bruce then read a tentative estimate that had been prepared showing the cost of the sewer; \$13,900 being the sum total due Mr. Bert Coleman, the contractor, when work was completed and recommending that \$2,700 be withheld until the work was completed. The sum of \$2,940 to the Burlington was also recommended to be withheld until the work was completed and the engineering work, printing and other small items making the total of \$18,933. On motion of Councilman McCarty, the matter was referred to the judiciary committee for action.
City Attorney C. A. Rawls was present at the meeting and asked to say a few words relative to the litigation in the case of the Plattsmouth Water company and the city of Plattsmouth. Mr. Rawls stated that he had made a careful investigation of the case and had two of the best known engineers in the west assisting in the preparation of the evidence and under the plans of procedure and the attitude taken by courts in similar cases there was no doubt that there would be a reasonable sum allowed the company on their investments. In checking the company up and after the thorough investigation, Mr. Rawls stated that he desired to make a compromise offer of an increase of twenty-five percent in the rates as outlined in the recent city ordinance and that if agreeable he would make this offer to the company and in open court as well.

From Monday's Daily
The quiet Sabbath morning was undisturbed yesterday in the most undisturbable manner when Mrs. Eugene Maurer, Mrs. Milkins and the Misses Margaret Benson and Leona Anderson, the latter three from Omaha, decided to go over to the mill just west of the Burlington shops.
It seems that, as the gas-wagon in which the ladies were riding was making about one hundred and twenty miles per hour, more or less, when they decided to descend the young mountain.
Just then the brave chauffeur, Mrs. Maurer let out a feminine scream something like this, "Oh, the brakes don't work, kids; what will I do?" This of course started the young damself.

Mrs. Milkins, who was injured recently when it turned turtle, decided to take no chances, so opening the door, she gracefully flew out. Miss Anderson also in the back seat, followed sheeplike, fluttering after with a flurry of dust.
In the meantime the brave Miss Benson endeavored to tear up the foot boards while Mrs. Maurer, the heroine, killed the engine and the car gently glided around the corner, the occupants in fits of laughter and looking back they saw the sympathetic Mrs. Milkins giving first aid to the injuries of Miss Anderson. But of course all's well that ends well, the ladies losing nothing but their heads.
The accident did not stop the afternoon's fun as Mr. and Mrs. Maurer and the young ladies had a very pleasant weiner roast down along the river bank.
This morning Mrs. Maurer received word that Miss Anderson had suffered a badly wrenched knee in the accident.

TAKEN TO HOSPITAL

From Tuesday's Daily
Yesterday Mrs. Joseph Habraha was taken to Omaha where she will enter the Clarkson hospital for treatment. Mrs. Habraha has been in very poor health for the past few months and has for the greater part of the time been confined to her home and since the early spring has not been able to be around to any extent. The best of friends are trusting that in the treatment at the hospital she may find some permanent relief from her suffering.

The best of friends are trusting that in the treatment at the hospital she may find some permanent relief from her suffering.

POLICE ROUND UP PAIR OF RUN-AWAYS LAST NITE

Ted Wright and Dave Gurnsey, Aged 14 and 13, Started Out from Lincoln to See World.

From Tuesday's Daily
Last evening Officers Jones and Hinrichsen, while on duty in the east portion of the city, discovered two youngsters lurking in the Burlington yards and the boys were decidedly downhearted and chilled with the cool of the fall evening.
The officers brought the boys up town and questioned them as to their home and the lads came clean with the story of their runaway from their homes in Lincoln. They gave the names of Ted Wright and Dave Gurnsey, and their ages as 13 and 14 years. They had run away from home on Sunday and bummed their way this far on a journey out into the world.
The boys stated that yesterday afternoon they had been down along the Missouri river and secured a fish that they had brought up to the old spring near Happy Hollow and there had cooked the fish, the only food that they had had since leaving home. The two boys were turned over to Sheriff C. D. Quinlan by the police and who will await word from their home in Lincoln as to their disposition.
According to Charles Gurnsey, the father of one of the boys, who reported his son's absence to authorities in the capital city yesterday, David had started to school Monday morning immediately after breakfast. Before long, the teacher called up to say that he was not in school. A search was begun at once.
The brief experience on the road bumming has evidently been a lesson to the boys, who were glad of the opportunity of shelter and warmth, even if it was in the county jail.

DAUGHTERS OF AMERICAN REVOLUTION MEETING

Members of Fontenelle Chapter are Entertained at the Home of Mrs. L. O. Minor

From Tuesday's Daily
Yesterday afternoon the ladies of the Fontenelle chapter, Daughters of the American Revolution were very pleasantly entertained at the home of Mrs. L. O. Minor, with Mrs. T. B. Bates as assistant hostess.
The historical part of the meeting was given by Mrs. E. H. Wescott who gave a very complete and interesting review of the early history of the territory now embraced in the state of Nebraska from the time of the first Spanish explorations and which brought to light many of the interesting facts connected with the visits of the first white men to the middle west.
The D. A. R. Magazine for the current month was reviewed by Mrs. W. S. Leete in a very pleasing manner, and the points of importance in the magazine discussed.
Following the routine business of the chapter, the ladies were delightfully entertained at the two-course supper served by the hostesses and which came as the close of a most interesting and profitable occasion for the members of the chapter.

BAND CONCERT IS POSTPONED FOR TWO WEEKS

Owing to the Cold and Dreary Day Yesterday, the Joint Concert Put Off Until Oct. 22.

From Monday's Daily
The music lovers of this locality were disappointed yesterday afternoon when the cold wind and the general dreariness of the weather compelled the postponement of the concert that had been planned at the Nebraska Masonic Home by the Elks band of this city, the Odd Fellows band of Pacific Junction and the Municipal band of Glenwood.
The change was a disappointment to the band members as well as the public and it was the decision to try and hold the concert on Sunday, October 22nd, and to render the same program as has been announced.
If the weather is such as to cause any doubt as to holding the concert, parties may call the Masonic home on the day of the concert and learn whether the event will be held or not.
Last year the concert was held on October 23rd and was a most delightful day and the music lovers are hoping that the date this year may be as pleasant.

DISTRICT COURT DOINGS

From Tuesday's Daily
Two new actions were filed in the district court today, one being that of the Baker Manufacturing Mfg. Co. against A. E. Jameson, asking judgment in the sum of \$1,269.44 for goods sold and delivered. C. A. Rawls appears as attorney for the plaintiff. The second suit is that of W. H. Newell against Phillip Miller et al, in which the plaintiff seeks to have title to real estate quieted. W. A. Robinson appears in the action for Mr. Newell.

NEBRASKA CORN CROP SHOWS BIG REDUCTION

Prospective Falling Off of 13,000,000 Bushels—Still Above the Last Year Mark. However.

Washington, Oct. 9.—Crops generally suffered in prospective production during September, but the harvests will be larger than they were last year, except in the case of corn, buckwheat, sugar beets and peanuts. Preliminary estimates and forecasts of production, announced today by the department of agriculture, showed a reduction as compared with a month ago, of 25,000,000 bushels of oats, 21,600,000 bushels of corn, 8,000,000 bushels of spring wheat, 16,000,000 bushels of peanuts, 5,000,000 bushels of white potatoes, 2,800,000 bushels of sweet potatoes and 2,300,000 bushels of apples. There were increases, however, in the forecasts of tobacco, barley, buckwheat, rice and beans. Nebraska's corn crop suffered the most, showing a reduction of about 13,000,000 bushels from a month ago. The reduction in Illinois was about 12,000,000 bushels, in Missouri, 7,000,000 bushels and Kansas, 1,000,000 bushels.

TENDER MANAGER BANQUET

From Tuesday's Daily
James B. Harvey, who has been the vice president of the Nebraska Gas and Electric company, that supplies the light and power to this locality, has been given a very fine recognition of his services in Omaha and the Nebraska-Iowa district by being selected as manager of the lighting interests at Brandon, Manitoba, Canada, which were recently taken over by the Continental Gas and Electric company.

This evening at the Fontenelle hotel in Omaha the district managers of Iowa and Nebraska will tender Mr. Harvey a farewell banquet. Mr. James Kuykendall of this city, manager of the southern Nebraska district, will be one of the members of the banquet party.

ENJOYS FINE VISIT

Last Sunday Mr. and Mrs. George Venner, Mr. and Mrs. Pink Venner, Miss Zetta Venner and Mr. Charles Venner of University Place and Mr. and Mrs. Cobe Venner and son, Robert, of Havelock, motored down to Mynard and spent the day with William H. Venner and family, returning home in the evening. All spent a most enjoyable day. Mr. George Venner is a brother of William H. Venner.

FOR SALE

Choice pure bred Chester White male hogs, March and April farrow. At farmers' prices.—K. E. Sedman, seven miles due south of Ashland.

Blank books at the Journal Office.

PLATTSMOUTH TRIMS IOWA RIVALS VERY DECISIVELY

Combination of Glenwood and Pacific Junction Ball Teams Falls Before Local Aggregation.

From Monday's Daily
The baseball fans who made the journey over to Pacific Junction yesterday afternoon to witness the Merchants of Glenwood and Junction players, while expecting to see a game, saw a slaughter instead with the Iowa baseballists losing by the score of 20 to 0.
There was not a knock or loose screw in the Wolf machine when it was working on the Iowa lads and Joe McCarthy, who did the "stuff" in the box for the locals, was never in better form and that is going some, and as a result the combination was in hard luck. To rival the pitching of Joe, everyone was on the job in their fielding record and simply left the opponents no possible chance to get anywhere with the game.
The locals batted better than the New York Giants have been and had there been a fence around the Junction baseball lot it surely would have been put on the bum as the long drives of the Plattsmouth team were featured throughout the game and the members of Johnnie Wolf's aggregation took full revenge for their previous defeat at Glenwood by a shower of blows that added up twenty runs.

RETURNS FROM HOSPITAL

From Monday's Daily
Yesterday afternoon Mrs. Fred H. Wynn returned from the hospital in Omaha where she has been for the past few weeks taking treatment. Mrs. Wynn is still quite weak from the effects of her long illness, but it is hoped that in the quiet and restfulness of home she will soon regain her health.

GOVERNOR MOREHEAD IN CASS COUNTY NEXT WEEK

Ex-Governor John H. Morehead, democratic candidate for congress in the First district, will speak in Cass county next week, with the following schedule of meetings over the county:

Wednesday, October 18

Louisville.....1:00 p. m.
Cedar Creek.....3:00 p. m.
Plattsmouth.....8:00 p. m.
Thursday, October 19
Mynard.....10:00 a. m.
Manly.....11:00 a. m.
Murray.....12:00 p. m.
Union.....1:00 p. m.
Otoe.....2:30 p. m.
Nehawka.....3:30 p. m.
Avoca.....4:30 p. m.
Weeping Water.....8:00 p. m.

Blank books at the Journal Office.

Real Cash—Ready Cash!

Aside from other advantages, no other form of farming yields as satisfactory an income as diversified farming.

Hogs, cows, chickens, butter, eggs, cream and garden produce not only make a farmer self-supporting but bring him a steady income twelve months of the year.

For the greater prosperity of our entire community this bank would urge the farmers of Plattsmouth and vicinity to go in for greater diversity in farming operations.
