**PASSING EIGHTY-
FIRST BIRTHDAY AT
HOME IN THE WEST**

C. E. Wescott, Long Time Merchant of this City, Celebrating Anniversary Today at L. A.

It is a far cry from the rugged Berkshire Hills in the state of Massachusetts to the sun-kissed shores of the Pacific ocean, yet the life of C. E. Wescott has brought him from the pleasant old New England scenes to the magic city of Los Angeles, where he is spending his declining years and today is observing his eighty-first birthday.

C. E. Wescott was born October 14, 1841 in Cheshire, Massachusetts, amid the well known Berkshire Hills, one of the most delightful spots in the New England country, and there

C. E. WESCOTT

spent his young manhood, later moving west and locating at LaPorte, Indiana, where he was married and after a short time there the young couple came to Iowa and settled near what was then Brush Creek, but which is now Arlington, and here the Wescott family resided on a farm and it was there that the son, C. E. Wescott, was born. Later Mr. and Mrs. Wescott returned to LaPorte, where Mr. Wescott entered a clothing store of that city and which was the starting of his long and successful career as a merchant.

It was in the year 1879 that Mr. and Mrs. Wescott and their family arrived at Plattsmouth and it was only a short time later that the C. E. Wescott clothing store was launched in the business life of Plattsmouth and the motto of the proprietor of the store, "One Price and No Money Back Business," was made famous in all parts of the state and represented distinctly the policy of Mr. Wescott. In later years the eldest son, C. C. Wescott, was admitted to partnership and the younger son, E. H. Wescott, on the completion of his school work, was interested in the business of the firm.

In the year 1906 Mr. C. E. Wescott retired from active business in this city and turned over to his two sons the well established business, which has since been known as the firm of C. E. Wescott's Sons.

In 1910 Mr. and Mrs. C. E. Wescott departed from Nebraska to locate at Los Angeles where their youngest son, Earl E. Wescott, had located previously and since that time this estimable couple have been spending their declining years there, interspersed with visits back to the old home in Nebraska.

The friends here are trusting that Mr. and Mrs. Wescott may enjoy many more years of happiness.
