## SIMMONS TO DIE FEBRUARY 2ND FOR ALLEGED SLAYING

District Judge Dickson Pronounces Sentence on the Slayer of Frank Pahl.

Butte, Neb., Oct. 22.—Walter Simmons, twenty-four, recently found guilty of the murder of Frank Pahl, Spencer, Neb., automobile man, was today sentenced to die February 2 next by District Judge Dickson.  
The sheriff and a deputy from Butte left for Lincoln with their prisoner Friday morning, the dispatch says.

A number of attempts at violence to Simmons were made following his arrest several months ago at Norfolk, following the discovery of Pahl's body near Spencer.

At the trial the state contended that robbery was the motive for the alleged crime.  
Pahl was beaten to death with an automobile crank, the state alleged.  
Walter Simmons, sentenced to die on February 2 for killing Frank Pahl of Spencer, while enroute to Lincoln, declared here Friday that he is innocent. He declares a man named Jack Currier, who, he thinks, now lives in Sioux City, can throw light on the murder. "But if the supreme court does not grant me a new hearing I will face death, my head up. A man dies but once," he said.

Plattsmouth People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature generally warns you. Do it before it is too late. If there are settlements and sediment. Passages frequent, scanty, painful. It's time to fear serious kidney trouble. It's time to use Doan's Kidney Pills.

Doan's have done great work in Plattsmouth. Ask your neighbor.

Theo. Starkjohan, retired farmer, Locust and Ninth street, Plattsmouth, says: "Doan's Kidney Pills have been used in our family for kidney troubles and backache and they have proven to be all that is claimed of them. Whenever my back feels a little lame and my kidneys are not acting as they should, I take Doan's Kidney Pills for a few days and they never fail to do me good. Doan's can't be equalled by anyone having kidney trouble should take them for they are reliable. (Statement given February 23, 1916.)"

OVER FOUR YEARS LATER, or on May 12, 1920, Mr. Starkjohan says: "The cure I had from Doan's Kidney Pills has been a lasting one. I still have faith in Doan's and if ever I should need a kidney remedy again, I would use them."

## SUES RADIO COMPANIES

From Saturday's Daily.  
John O. Yeiser, Jr., Omaha attorney who yesterday filed suit against the American Radio corporation, General Electric company, American Telephone and Telegraph company, Westinghouse company and Federal Radio Inspector Lovejoy, charging conspiracy to monopolize the air, today said his suit was for the purpose of forcing the government radio department to open up approximately 24,000 different wave lengths for the use of amateur broadcasters.  
"Broadcasting can be done on 25,000 different wave lengths," Yeiser said. "Yet governmental regulations force all broadcasters to use the same wave length—360 metres. As a result, programs conflict, making it impossible for amateur receivers to hear anything intelligible."  
Yeiser's broadcasting station was recently closed when he failed to pass the government examination.

Lloyd George's ministry down and out by request. This may prove a bad move for old England. Lloyd is a wonderful man.
