—of a satisfactory motor oil: *free-flowing* and *heat-resisting*. And these are the strongest points of Polarine!

You need a free-flowing, non-resinous, heat-resisting oil to keep a modern motor running well. Polarine has all these qualities and it leaves no gummy deposit on the cylinder walls—the cause of much lost power and overheating.

Use Polarine and you will be sure that you are using the best there is. Get into the habit of specifying "Polarine" when you buy oil.

Polarine is made in one standard, unsurpassed quality. But to meet every motor lubrication need it is sold in *four grades*: medium light, medium heavy, heavy and extra heavy. In cold weather, the Polarine Chart recommends for

## DISPUTE LEADS TO FINES AND TROUBLE

Party of Inebriated Omaha Gentlemen Find Themselves in Much Trouble Here Last Nite

From Saturday's Daily. Last evening shortly after 7 o'clock a party of four strangers were engaged in staging a vocal argument on Main street and apparently the sum of sixty cents was in dispute, but ere the party completed their dispute their loss was far greater.

Deputy U. S. Marshal O'Connor and Night Officer Dyke were standing near the Graham care and overheard the heated debate and summoned Officer Alvin Jones, who was coming up from the lower part of Main street and the police officer swept down on the party and as they were suffering from an overload of the favorite prohibition beverage—corn juice—they were escorted to the city hall and when the policeman took them to jail, William Grebe, the local booze expert, visited the car and looked over the contents and unearthed four bottles of the liquor that had evidently been the basis of the skate that the four men had gotten on.

This morning before Judge Weber, the sad, sad story was poured into his ear and the mills of justice began grinding. Two of the men, Joe Adair and O. A. Dickson were fined \$10 each for possession of the liquor, Tony Black being given \$10 for being drunk and Roy Ehnas \$5 for being drunk. The last two paid their fines and were released from custody while the heavier fined gentlemen were left to languish until they could secure a successor from Omaha to release them.

Judge Weber in speaking of the case stated that Ehnas, who was blind and had assisted the police with information was given a lighter fine on the recommendation of the officers.

The car in which the party was enjoying their liquid joy ride will be turned over to the county for disposal in accordance with the terms of the state law.

A resolutions committee report urging congress to act on proposals before it for sale and operation of the Muscle Shoals nitrate plant was tabled after Mayor George Leach of Minneapolis charged that it was "Ford propaganda."

On the motion of J. Fred Johnson of Alabama, the Muscle Shoals resolution was taken from the table and debate reopened.

Johnson declared the resolution was not "Ford propaganda," but a move to get congress to act on all measures before it.

A viva voce vote to pass the resolution then passed by a large majority, reversing the action previously taken.

## GIVES SHOWER FOR MISS BAJECK

From Saturday's Daily. Last evening Mrs. Leonard Meisinger entertained in a very charming manner at her beautiful home on Walnut street in honor of Miss Agnes Bajeck, whose marriage to Mr. Thomas Walling, Jr., is to occur in the near future. There were some fifteen ladies present to participate in the occasion.

The rooms of the home were very prettily arranged with decorations of the bright colored bittersweet as well as autumn leaves and made a very attractive picture.

During the course of the evening instrumental solos were given on the piano by Mrs. Major Hall of Grant, Nebraska, and Miss Kathryn Wadick both of whom added to the pleasantness of the occasion.

As entertainment features a number of contests were held and at which much pleasure was found and in the penny contest Mrs. A. O. Range and Miss Francis Martin proved the most skilful. Miss Kathryn Wadick and Miss Mary Margaret Walling were the victors in the heart contest. For the best silhouette of the bride-to-be, Mrs. Major Hall proved the winner.

The two-course luncheon served at the daintily arranged tables was most charmingly served by the hostess, assisted by Miss Laura Meisinger, and on the tables the color scheme of pink and white was carried out.

The bride-to-be was showered with a number of very handsome and useful gifts from her friends.

## POPULAR YOUNG COUPLE MARRIED LAST SATURDAY

A quiet wedding occurred at the parsonage of the Evangelical Lutheran church when Miss Esther Reinke became the bride of Fred Heil last Saturday afternoon at 1:30 o'clock, October 14, 1922. The pastor, Rev. Theodore Hartman, spoke the solemn words that united their lives. They were attended by a sister and brother-in-law of the bride, Mr. and Mrs. Herbert Schieferer, at whose recent marriage this young couple officiated in the same manner. After the ceremony, the bride and groom drove to Omaha and returned the next afternoon to be present at the wedding supper given by the bride's parents, Mr. and Mrs. Julius Reinke of South Bend. Only the parents of the contracting pair and their attendants were present. The bride wore her traveling suit of dark blue with hat and gloves to match.

The groom is the sixth son of Mr. and Mrs. Wendel Heil of Louisville. He is engaged in farming and has been living on the old home place with his brother Walter, whose wedding took place about a year ago. He is a splendid young man of high character and industrious habits.

The bride is the eldest daughter of Mr. and Mrs. Julius Reinke, and is highly respected and popular among a large circle of friends.

Both of these young people represent pioneer families in Cass county. For the present they will make their home with Mr. and Mrs. Walter Heil while their new home is under erection on the farm of the groom a mile southwest of the home place. A fine new home and all other substantial farm buildings are under erection, the carpenters being very busy to get them done as soon as possible.—Louisville Courier.

## ST. LUKE'S GUILD

From Saturday's Daily. Yesterday afternoon St. Luke's Guild met at the church, on call of the rector, for election of officers and such other business as necessary. No election was held but a majority of the active members being present, after due consideration and full expression of opinion, it was left to the rector to decide as to the future.

The following decision has been made: "The St. Luke's Guild will for the present, as a guild, meet and work with St. Mary's Guild. The business and other affairs of the guild are left in the hands of a committee, composed of Mrs. V. V. Leonard, Mrs. J. C. Peterson, Sr., and Mrs. A. B. Hass, the rector acting as chairman.

The money of said guild is to be turned over to the parish treasurer. The memorial fund to be kept intact and preserved for suitable memorial of departed members of the guild; the regular account to be used on call of the committee."

It is hoped that a little later St. Luke's Guild may be able to meet and work as heretofore. The guild is the oldest organization in the parish having been in service for almost the entire life of the church.  
WILBUR S. LEETE, Rector.
