#### CAR AND TRUCK WRECKED

Nelson Burger of Nehawka, driving an Overland touring car, crashed into a truck driven by Joe Kastner yesterday morning at Sixteenth St. and Second Ave. and both machines were wrecked. Parties who witnessed the accident said that Burger was driving into the city from the north and at the intersection of Second avenue, while going at a high rate of speed he struck the Kastner truck going west in the center with the result that the latter faced north after the collision and the Burger car was thrown onto the parking of the W. C. Davis home and ran a considerable distance before it could be stopped.

When Kastner asked Burger to pay the damage he said that Kastner was as much to blame as he was and that he was not running fast when he struck the truck. He also said he did not see the truck until he had hit it.

Kastner intimated that a suit would probably be filed for damages against the Cass county man if he does not settle. — Nebraska City Press.

WALLACE REID IS BETTER

### LOCAL TEAM IS GIVEN A SETBACK

Wahoo High School Basketball Team Trims Locals by Score of 25 to 13 in One-Sided Contest.

From Saturday's Daily.

Last evening the Wahoo high school basketball team under the pilotage of Niod Johnson, badly wrecked the machinery of the local high school team and trimmed them to the tune of 25 to 13 in a game that was an uphill fight from the start for the Plattsmouth boys.

Gentle reader, it may be safe to say at the beginning that the Wahoo team is one of the best organizations that will be seen here this season and they deserve the fullest credit for the fine game they played last night, moving with machine like regularity through the defense of the locals at all times. R. Cunningham, center of the visitors, played as good a game on the floor as any player could possibly play and was one real basketball player and he had four others but little less effective.

For the local team Mullis and Chase played their usual steady game and battled desperately to check the advance of the visitors as also did Joe Krefel at center, but without avail. Krefel and Chase secured several goals for the locals and did good

work throughout. Gradoville, one of the local forwards, was in very poor form and allowed the Wahoo players additional advantage.

The fans were not as numerous as they would have been had it not been so near the holiday season which kept many away but with the manner in which the locals are hammering at their work they should be playing a great game in the next few weeks and some real battles can be looked forward to on the gym floor this winter.

One of the features of the games which helps entertain the audience is the yells and songs of the high school rosters who have a world of pep and with their cheer leaders certainly put life into the party.

Yesterday afternoon Art Ewing, one of the men arrested here last week on the charge of intoxication, and who had a continuance in the case taken, was in police court and entered a plea of guilty to the charge preferred against him and was given a fine of \$10 and costs for his infraction of the prohibition law.

I will take orders for Upland Kansas hay, either in ton or carload lots at \$17.00 per ton. Phone 29.—C. A. Trent, Murray, Neb. d25-tfw

### OH! MY BACK

The Expression of Many a Kidney Sufferer in Plattsmouth.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Plattsmouth proof:

A. J. McFarland, 306 Third St., says: "I was doing some heavy lifting which strained my back and kidneys. This put me in such shape that I had to walk with a cane for a number of weeks and I couldn't straighten. It felt as though there was a heavy weight across my back that was just holding me down. I couldn't sleep nights and it felt as though I had been stuck in the back with a sharp knife. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I was told to try Doan's Kidney Pills and after the first box, my condition was much improved and I was able to walk straight. I used four boxes from Fricke & Co's drug store. My back and kidneys have never bothered me since and I believe Doan's will do the same for other people if they will give them a fair trial."

Taking Desperate Chances  
It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle? Weyrich & Hadraba.
