STORY OF TAKING OF LIFE BY SHOOTING

Glenwood Tribune Gives Account of Suicide of Wm. Kuhn of Pacific Junction, Sunday.

From Saturday's Daily.
William Kuhn, aged 34 years, about the hour of 3 a. m. Sunday morning, as near as could be determined, and in the room in which himself and wife slept, placed a .32 caliber gun to his body and in some manner pulled or pushed the trigger. The bullet passed through his body, striking his heart, causing practically instant death.

His wife was awakened by hearing his body fall heavily to the floor. No cause can be assigned for committing the act of self destruction except temporary insanity.

The suicide leaves a wife and young daughter. He has been employed the past three years as a hired man by Joe Johnson and Mr. and Mrs. Kuhn kept Mr. Johnson's home for him. The man's work has always been satisfactory. Mr. Kuhn was not a communicative man. He had at times past hinted at his dissatisfaction, but nothing was thought of his statement as there was no apparent cause to particularly trouble him. He had no financial difficulties. At times he seemed indifferent to his family.

Wm. M. Kuhn was born in Merrick county, Nebraska, January 4, 1889, and passed away December 31, 1922, at the age of 33 years, 11 months and 28 days.

Saturday, December 30, Mr. Kuhn and family were in town and seemed to be happy and enjoyed themselves visiting with the Dick Edwards family, as Mrs. Kuhn is a niece of Mrs. Edwards.

After going home, on the Joe Johnson farm, Saturday evening, they visited with Mr. Johnson, who had just returned from Lebanon, Kansas, where he had been visiting with a sister, and every one seemed to be feeling fine and did not retire until a late hour.

When night had spread her silent mantle and all seemed to be sleeping the report of a gun aroused the inmates of the home. Mrs. Kuhn called to Elmer, a brother of her husband, and they found him dead on the floor of the bed room Sunday morning about 3 o'clock.

It is a hard blow to the relatives and friends and only time can heal the broken hearts and God alone can reveal the cause.

Mr. Johnson has nothing but praise for Mr. Kuhn as a tenant and laborer.

He leaves to mourn his death a wife and child, Catharine, a mother, Mrs. Loreta Warner, of Lincoln, Nebraska, a brother Elmer, who is engaged in the Edwards restaurant, a sister, Alma Fifer, of College View, Nebraska, and other relatives and many friends who mourn and sympathize with the relatives.

Funeral services were conducted from the residence by Rev. D. R. Thompson Tuesday, January 2, at 11 o'clock. Music was furnished by Mr. and Mrs. F. V. Kemp, Mrs. Orley Albrecht and H. M. Logan.

The remains were taken to the Horning cemetery south of Plattsmouth and lowered beneath the ground as Rev. Thompson pronounced the last earthly rites of a young life snuffed out in mystery, leaving a shadow of gloom as a mark of memory.

May the good Father help all to outlive this sad method of departure. —Glenwood Tribune.

W. E. KEENEY.

CONVERT ENGINE TO USE FOR YARD WORK

Local Burlington Shops Overhauls Locomotive 1332, G-1 Type for Use in Shop Switching.

The Burlington shops today placed in service locomotive No. 1332, which was of the G-1 type and which has been thoroughly overhauled and converted into a yard switch engine to handle the shop work. This is the second locomotive to be turned out within the last few months and in this case the work of placing the locomotive in service made necessary an almost complete rebuilding of the locomotive.

The coach department of the shops during the month of December turned out twenty-one high grade passenger coaches that were repaired and overhauled here and put back in service in the best of shape and the shop executives expect the present month will increase the output to twenty-two coaches. This is one of the best showings that this department has made for the past year, it is stated.

SOCIAL IS POSTPONED

The box social that was to have been given on Friday evening, January 12, at the Rock Bluff school, has been postponed until Friday evening, January 26. All friends of the school are urged to note the change in date.

Books for every member of the family at the Journal office.

NEW FOREMAN COMES TO BURLINGTON RIP TRACK

C. M. Parker, Formerly of this City, Returns to Assume Place as Foreman of Rip Track.

From Saturday's Daily.

A change in the foremanship of the "rip track," as the freight car repair department of the Burlington shops is better known, was made effective today when Charles M. Parker, one time foreman of this department, returned to take up the duties of the position and to take the place of H. J. Utter who returns to Lincoln, his former home.

Mr. Parker held this position for a number of years prior to entering the contracting game and was one of the most efficient men in the position that the Burlington has had there. He has been for several months at

Ferry, Nebraska, near Sioux City, where the "Q" maintains a repair track.

Mr. Utter leaving the city will mean that the family will return to their former home at Lincoln and which is much regretted as during their stay here they have been quite active in the social life of the city and they will be missed very much.

ENTERTAINS FOR THE LITTLE FOLKS

Mrs. F. R. Gobelman Gives a Very Charming Party for Little Ladies Yesterday.

From Saturday's Daily.

The home of Mrs. F. R. Gobelman was the scene of a most delightful gathering of a number of the little misses of the city yesterday afternoon and in which the young folks enjoyed themselves to the utmost from 2 until 5 o'clock in the hospitality of this home.

For the occasion the rooms were

very prettily arranged in a color scheme of yellow, it being carried out in roses and other cut flowers as well as the attractive yellow streamers and in the table decorations as well the color scheme was borne out in the attractive place cards and table appointments.

During the afternoon games and guessing contests were enjoyed and in these Jean Hays was the winner of two prizes while Alice Crabill captured the third prize offered. The young folks enjoyed to the utmost the delightful series of games planned and which filled to completion the time until the serving of the delightful two course luncheon.

Mrs. Gobelman was assisted by Mrs. E. C. Shallenberger in entertaining and serving and participating in the pleasant afternoon.

Those invited were: Jane Dunbar, Jean Caldwell, Jean Hays, Elizabeth Hatt, Alice Crabill, Mary Catherine Wiles, Helen Pfuntz, Margaret Shallenberger and May Shrader.

IOWA BALL TOSSERS WIN FROM PLATTSMOUTH

While Not Playing a Brilliant Game the Visitors Win Over Locals —Chase Plays Well.

Last evening the Plattsmouth high school basketball team was defeated by the Sidney, Iowa, high school by the score of 23 to 20 in a game that displayed real basketball playing on the part of DePrees, star left guard of the Sidney team, who rolled up fifteen points for his team.

Chase played a steady, consistent game for the locals, whose playing otherwise was marked by frequent fumbles and a general listlessness throughout the game.

Their success in the final result. The coming week is going to be one of strenuousness for the high school as they meet the Nebraska School for the Deaf in the middle of the week and on next Friday will clash with Peru Demonstration high.

ATTEMPTED BURGLARY

From Saturday's Daily.

Sometime during the night burglars made an attempt to rob the J. W. Chilton store at Murray but were foiled in their intent and had to leave empty handed from the scene of the would be robbery. The party or parties broke through a window in the rear of the store building but were unable to gain entrance through the door into the store and consequently did not secure anything of any value. Sheriff C. D. Quinton and Detective Buell of Omaha were both on the scene today looking for any possible clues.

Mrs. John Lutz departed this morning for Lincoln and Havelock to visit over Sunday there with Mr. Lutz and looking after plans for removal to that place.
