J. M. PATTERSON,

UNION -- -- -- NEBRASKA

E. W. Keedy was a visitor at the county seat last Monday, being a witness in the probate court.

Dr. E. S. Furay was visiting with the folks at Omaha over Sunday and returned Monday to look after some business matters.

Joe Lidgett, who has one of the finest herds of Chester White hogs in the state, is kept busy at this time welcoming the arrival of the little ones.

Mr. and Mrs. Charles Hoback returning the first of this week moved to

the farm of W. T. Schlichtemeier, where Mr. Hoback will work the coming year.

D. C. LaRue, the village blacksmith, who has been down for some time with a case of the grippe, is up and at his work again though not feeling the best.

J. A. Simmons has purchased the interest of his former partner, Frank Bauer in the Union Show company, and will in the future conduct the business himself.

Roy Becker was a visitor in Omaha for the week end, being a guest of Mr. B. F. Raymond and W. L. Taylor and their families returning home on Monday afternoon.

Thomas Crawford, son of Mr. and Mrs. W. L. Crawford, who has but recently enlisted in the 17th infantry at Fort Crook, was a visitor at his parents home for over Sunday.

W. H. Crawford, who has been staying for the past month in Union departed a few days since for near Percival, Iowa, where he will work on a farm for the coming summer.

Banca Schultz and family, who have lived on the W. T. Schlichtemeier farm, have moved to near Thurman, Iowa, where he will work on a farm. They have been employed with Mr. Schlichtemeier during the past year.

W. L. Havenridge who has been spending a few days at Union a guest at the home of A. L. Becker, departed on Tuesday morning for Beatrice where he goes to look after the in-

terests of the Hudson Manufacturing company of Ohio.

Mrs. Joe Lidgett and Joe also are feeling pretty sad these days because little Jim Leach has left their home. During the time he has made his home with them he has endeared himself to them in many ways and his departure for Colorado with his father has left their home sad indeed.

Grandma William Chalfant and daughter, Mrs. Joseph Hathaway and Earl Wolfe, a grandson of Grandmother Chalfant, all were looking after some business at Plattsmouth last Monday and were present and interested in the reading of the will of the late William Chalfant which was in the county court that day.

Last Monday A. R. Dowler had for the county seat a crowd of Union men consisting of Druggist E. W. Keddy, L. R. Linton, the hardware man, Flossie McCarthy, the elevator man and Banker J. M. Patterson with Attorney C. L. Graves who were present at the opening of the will of the late William Chalfant, which was being read in the county court.

Former Union Man Dies in the West
Mr. A. M. Tyson of Moscow, Idaho, who lived in Union and this community for a number of years and who some eighteen years ago went to the west where he has since made his home, was about a week since assisting in the construction of a telephone line from Moscow to his home which is a ranch, which was owned by Mr. Tyson, and was setting poles, when he dropped dead from an attack of heart failure. Mr. Tyson, who was 72 years of age was well known here where he resided for many

Acme Minerals

are made according to the Complete Mineral Mixture formula as worked out by the Iowa Experimental Station, and made from

NINE INGREDIENTS
(including potassium iodide)

and is fed in self feeders for 3 1/2 to 4c per month.

W. W. Whitbet, Ohio State University, says: "Ordinary rations are far from supplying the Mineral requirements of hogs. Some of the common grain feeds or their by-products contain a sufficient amount of mineral matter. The feeder hog feeders and breeders recognize that MINERALS ARE A FEED and not a tonic or something extra which needs only to be occasionally, then we are going to have better tone, vigor, fewer going down in the back and in their feet."

Corn is 300 per cent deficient in Calcium (lime). It requires

Nine Mineral Elements
for fattening hogs and growing pigs to supply the mineral elements which increase gains, reduce feed cost and grow the bone and frame and the

Nine Mineral Elements
are also required by the brood sow to farrow more pigs, stronger pigs, with more bone and frame. A Mineral Mixture containing 4 or 8 ingredients only costs half of the mineral elements. We will sell you ACME MINERALS containing all the mineral elements for \$2.00 to \$5.00 per hundred pounds less than all others.

We will ship you ACME MINERALS mixed or will ship the 9 ingredients sacked separately, and you can mix them yourself. The Mineral salts contained in ACME MINERALS are the 9 ingredients. Send for our Complete Free Formula and our low prices.

years. He was a relative of Mr. R. D. Stine and visited here and stayed at the Stine home some eighteen years ago.

Remember That

Piles can be cured without pain or detention from business; also rheumatism relieved in 24 hours while a permanent cure quickly follows when you receive treatment from Dr. W. F. Race of Union.

Did Excellently With Play

The Junior class at the Union schools which presented the play, "Ruth in a Rush," met with good support from the people of this town and community and furnished a most excellent play which was worthy of the class and reflected the hard work and superior ability of their teacher, Miss Heuman in the smoothness with which the entire evening's entertainment was produced. They were able to realize some nearly seventy dollars from the production besides furnishing the people of Union with an excellent entertainment and best of all the scholars getting the benefit of the training which the giving of the play brought them.

Found Auto Robe

I have found an auto robe. Owner may have same by giving description of same and paying for the advertising of same.—George H. Shrader, Union phone 6113.

Takes Many Gold Pieces

Commissioner C. F. Harris who is somewhat of a giver when giving is the proper thing and has made the practice of giving a twenty dollar gold piece to every grandchild which was born, finds that many grandchildren are coming, whether for the gold pieces or just because grandchildren are the proper thing, but he is finding that it takes many of the yellow boys in order that he may give each grandchild one. Still he smiles and whistles just the same. The last to claim the coveted gold was a little girl which came to the home of Mr. and Mrs. Hall Pollard of near Nehawka. All are doing well, even Grandpa Harris.

School Notes

County Superintendent Peterson visited our school Thursday afternoon.

The third grade class in art, colored flags of the different nations Thursday afternoon.

Earl Niday and Rachel Kendall were absent from high school last week due to illness.

Virginia Harris, '23, and Oily Mae Ray had charge of Miss Neumann's classes Thursday and Friday.

The spring weather has been joyously welcomed by the grade pupils and hoops and jumping ropes are much in evidence.

The prevailing flu epidemic prevented the following grammar room students from attending class this week, Harry Garrons, Margaret Garrison, Carl Snavey, Helen Fahrlander, Donald McQuinn and Maggie Reeves.

Young Happy came down from Plattsmouth Tuesday afternoon and entertained the high school for a short time. Tuesday evening they entertained many people at the First Baptist church.

The Juniors were very busy all of last week putting the finishing touches to their play "Ruth in a Rush" which was given Friday evening, March 2. The Juniors deserve a great deal of credit for giving this play as it has required much hard work even with the coaching of Miss Neumann their class sponsor.

ENTERTAINMENT

Don't miss the DeMolay show, "Putting It Over," at Plattsmouth March 28th and 29th. Direction of Percy Field. Tickets on sale at Morgan's Sweet Shop or from DeMolay boys March 14th. Admission, 75c.

CASS COUNTY COUPLE MARRIED IN KANSAS CITY

Miss Elsie Taylor and Mr. William H. Porter of Union Married Last Tuesday, Feb. 26.

Miss Elsie Taylor, who has been spending the winter with her brother, Attorney C. H. Taylor and family of Omaha in the pleasant California cities, returned to her home at Union on Friday last as Mrs. William H. Porter, Mr. Porter having departed for Kansas City on the evening train last Tuesday and where he met Miss Taylor on her arrival from the west. This estimable couple were joined in wedlock last Wednesday in the Missouri city and returned to Union Friday.

On that evening following the play of the junior class at the Union schools, some seventy-five of the friends of the newly wedded returned to the Porter home to give Mr. and Mrs. Porter a serenade. Mr. Porter had anticipated a call of this kind and had laid in a supply of candy for the jolly party but his anticipations did not meet the size of the party of friends and the supply failed to meet the demand and the host and groom invited all to return on Tuesday when there was a most delightful evening enjoyed by the party. Games of all kinds, interspersed with music served to pass the time very pleasantly and was completed by the serving of very appropriate refreshments that were enjoyed by all. On departing the friends extended to Mr. and Mrs. Porter their well wishes for their future happiness and a life long and useful.

Both the bride and groom have lived in and near Union for many years and they are known to a very large circle of warm friends who know them as two of the most pleasant and genial residents of the community. They will make their future home in Union.

A PLEASANT EVENT

The Rabb family has had two very pleasant occasions in the last few days, one being the return of the son, Thomas Rabb, from the hospital after eleven weeks' stay and the other occurring Sunday night when a fine little nine-pound daughter was born to Mr. and Mrs. Thomas Rabb. Mrs. Rabb has been at the home of her parents at Pacific Junction and this morning Mr. Rabb and mother, Mrs. Andrew Rabb, Sr., journeyed over there to see the little daughter and granddaughter and the mother of the little miss.

The Range Eternal

"Everlastingly Good"

The material used in the construction of this range, a combination of copper and steel, resists corrosion more effectively than copper. Our three ply body makes this stove everlastingly good.

Points of Excellence

- 1—Smooth surfaces—rounded corners—oval lines easily cleaned.
- 2—High back on all high closets.
- 3—Our own patent, channel steel, rigid, closet brackets.
- 4—Very large pouch feed.
- 5—Malleable iron poker door.
- 6—Three-ply wall at back end of firebox.
- 7—Cogs outside of firebox properly enclosed.
- 8—Three-ply wall between ash pit and oven flue.
- 9—Sheds that will throw ashes into ash pan.
- 10—Shoe on bottom of leg prevents cutting floor covering.
- 11—Detachable dust cup.
- 12—High closets with drop doors which are sanitary.
- 13—Damper in first joint of pipe.
- 14—Arched oven top.
- 15—All joints riveted or electrically welded—not puttied.
- 16—One-inch nickel plated towel rod.
- 17—Heavy copper lined reservoir cover.
- 18—Reservoir top full width of range.
- 19—Heavy copper reservoir with steel casing.
- 20—Rust-resisting reservoir pocket.
- 21—Lapped and welded oven seams.
- 22—Two-ply oven bottom.
- 23—Three-ply range bodies.
- 24—Fire-box, "Hot Blast."
- 25—Flue bottom and back flue—three-ply—Eternametal Asbestos—and steel.
- 26—Full Extra range bottom—heat conserving.
- 27—Oven and closet doors "Boiler Plate" steel, two-ply Wellsville steel linings.
- 28—Reservoir top—Parker Rust Proofed—enlarged opening.
- 29—Tea shelves—strong, roomy—properly placed.
- 30—Splasher back—sanitary—no cooking surface lost.
- 31—Flue linings—Eternametal.
- 32—Rust Resisting Tops—polished—level and on the square.
