## WESTERN UMPIS ARE MOSTLY NEW

Held is Only Holdover Among Eight Arbiters—Old Ball-Player to Make Debut as Umpire.

Chicago, Ill., March 29.—The staff of umpires for the 1923 season of the Western league, which will open its session April 12, was announced here today as follows:

H. R. Held, Frank Conlin, Jack Walsh, Charles A. Jensen, Edward P. Gansney, Roy McDonald, Roy Patterson and W. P. Schannon.

Of the eight arbiters, Held is the only holdover, all the rest being new to the Western clientele. Schannon served as umpire in the American association last year while McDonald and Conlin came from the Nebraska State league. Walsh was an arbiter in the Southern league, while Gansney has served as umpire in the International league and Jensen comes from the New England league. Patterson, who was a pitcher for the White Sox twenty years ago, and was known as the "boy wonder," has been managing a ball club in the South Dakota league and will make his debut as an umpire.

### OBSERVE MAUNDY THURSDAY

From Friday's Daily  
Last evening the Scottish Rite Masons of the city held their regular Maundy Thursday services at the Masonic Temple and which were very largely attended by the members of this branch of Masonry. The ceremony of the extinguishing of the lights was carried out with impressiveness.

## RAILROADS WILL BE HEAVY SPENDERS THIS YEAR

Over \$700,000,000 Will Be Used for Improvements and Additions, According to Report.

Chicago, March 30.—Returns from one-third of the mileage in the United States indicate that the railroads will spend more than \$700,000,000 for improvements and additions during 1923, according to the Railway Age in its annual report on railroad conditions.

Twenty-seven railroads operating an aggregate of 23,000 miles, or approximately one-third of the total mileage of the country, will spend something more than \$250,000,000 for improvements to roadway and structures, and for new equipment, says the report.

"It may be assumed," the report adds, "that an equal amount will be spent by the remaining two-thirds of the railroads. The significance of this is in the fact that in only one year, 1922, during the last ten, have the records of the interstate commerce commission shown an increase in investment in road and equipment of this amount."

"This money will go for new lines, for second tracks, new yards and terminals, freight and passenger stations, shops and shop equipment, signaling, cars and locomotives, and other facilities that make up railroad equipment."

"Large as this amount seems, it includes only those expenditures which have been definitely approved. Many other projects will be undertaken during the year, and their total will add much to the amount. Locomotives ordered during 1922 for service in the United States total 2,500, according to the Railway Age's statistics. This is more than ten times the figure reported in 1921. Freight cars ordered during 1922 were 180,153, the largest total in any year since 1912.

The most active roads thus far in approving equipment expenditures for 1923 are the Pennsylvania, with \$55,000,000; the New York Central, which carried over for 1922 \$29,000,000 of an appropriation of \$50,000,000 in 1922; and the Louisville & Nashville, which carried over \$20,000,000 of appropriations for use this year out of the \$26,800,000 appropriated late in 1922.

The Illinois Central also has an improvement program on to the extent of \$42,000,000; and the Norfolk & Western of \$32,000,000.

The Union Pacific is listed as having approved expenditures for 1923 amounting to \$26,000,000.

The report states that a large part of these appropriations will go to general facilities, as, for example, the improvement of the capacity of the railroad. It is here that congestion first develops and becomes most pronounced.

## CORDELL HULL SAYS CUT THE SUGAR TARIFF NOW

Washington, March 29th.—While the tariff commission was preparing for a broadened inquiry to determine in accordance with President Harding's instructions, whether present import duties were "even partially responsible" for high sugar prices, Cordell Hull, chairman of the democratic national committee, said in a published statement today that it had become the duty of the commission to report immediately to the president that it "was partly responsible."

"Chairman Hull asserted that on a 'buyers' market' a 50 per cent reduction in the sugar tariff which the president would be authorized to make under the flexible provisions of the tariff act, would 'certainly reduce the retail price between 2 and 3 cents a pound.'"

"Although the president finds it hard to believe that the tariff is responsible even in part for the high price of sugar," Mr. Hull said, "the tariff commission should nevertheless do its plain duty in the matter, in order that the president may have some basis for his decision as to whether or not to give the public some measure of relief. 'When the government gets in distress as a result of this tariff inflation of sugar, as well as other commodities, it should do something to relieve the situation and not submit itself to continue to take its share of the load.'"

## WATCH YOUR HIP NEW SLOGAN TO RAILROAD TRAVELERS

Washington, March 28.—"Watch your hip" is the new slogan placed before the railroad travelers under the new order of Prohibition Commissioner Hayes to stop promiscuous drinking of intoxicating liquor on railway trains. "Thirsty passengers are to have their hip pockets in constant danger, for prohibition agents are to arrest immediately any one caught drinking liquor or even having liquor on trains. After issuing the order Commissioner Hayes boarded a train on a secret trip. There were possibilities he might get "the first blood" in the campaign to dry up the railroads.

The Ladies Home Journal for April is now at the Journal Stationery department and filled with many interesting and valuable articles by the leading writers of the nation.

## WHY IT SUCCEEDS LOCAL NEWS

Because It's for One Thing Only, and Plattsmouth People Appreciate This Fact.

Nothing can be good for everything. Doing one thing will bring success. Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys. Here is Plattsmouth evidence to prove this worth. Mrs. P. N. Rauhen, 1109 Pearl street, says: "I believe Doan's Kidney Pills can't be beat as a kidney remedy for any kind of kidney ailments. I was in bad shape with my back and was laid up so that I had to sit down and wait for these pills to be sent to me. I could hardly turn in bed and was sore through my back. I had awfully dizzy spells and little specks came before my eyes and many times I had to sit down and wait for these pills to be sent to me. A while after I commenced to use Doan's Kidney Pills and I began to improve. I got several boxes from Weyrich & Hadraba's drug store and they gave me permanent relief after other kidney remedies had failed. I always keep Doan's on hand and use them when my kidneys need attention and they keep them in a strong condition."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rauhen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### REPORTS SON SICK

From Saturday's Daily

L. M. McVey of near Nehawka was here last evening for a short time looking after some matters of business and calling on his friends and while here Mr. McVey stated that his son, James, who recently enlisted in the U. S. army at Omaha, is at the present time quite sick at the base hospital at Fort Sam Houston, San Antonio, Texas, where he has been stationed. The young man appears to have a slight attack of heart trouble and which has been giving him more or less annoyance and has kept him confined to the hospital for the past few weeks.

10c Eagle Athletic Committee

From Thursday's Daily.  
Attorney H. H. Wilson of Lincoln was here today looking after some local matters at the court house for a few hours.

James W. Burnie and Bert Coleman, who have been looking after business in the vicinity of Sioux City have returned home.

Miss Lillian Calvert, who has been attending the Wesleyan university at Lincoln, is here for a few days visit with Miss Alice Louise Weacort and other old school friends.

Mrs. Mollie Goeman and children of St. Joseph, Missouri, are here visiting at the home of Mrs. Goeman's parents, Mr. and Mrs. W. T. Smith and family for a few days.

Mrs. M. E. Brantner of Pender, who is recuperating from her recent operation at the Methodist hospital in Omaha, is here for a visit with her parents, Mr. and Mrs. John Cory.

Dr. J. H. Quinn of Gothenberg, Nebraska, was a visitor here over night to enjoy the play, "Putting it Over," in which his daughter, Miss Olive M. Quinn, appeared, and departed this morning for his home and was accompanied as far as Omaha by the daughter.

From Friday's Daily  
County Commissioner C. F. Harris was here today to attend the meeting of the board of county commissioners.

Mrs. M. E. Brantner returned this afternoon to Pender after a visit here at the home of her parents, Mr. and Mrs. John Cory.

Frank Gustin of near Elmwood came in yesterday afternoon to spend a few hours here attending to some business matters.

Jack Patterson of Union was here yesterday for a few hours, driving up from Union to attend to some matters of business.

Mrs. O. A. Davis and Mrs. Ed S. Tutt of Murray were here today for a few hours attending to some business matters of importance.

Miss Etta Nickels and Mrs. John Becker of near Murray were here today enroute to Omaha to look after some matters of business.

Mrs. Harry Messersmith and the children returned to Council Bluffs this morning after a short visit here with her relatives and friends.

Mrs. George J. Meisinger departed this morning for Omaha, where she will spend a few hours with her daughter, Mrs. Ralph Farrar and family.

Mrs. Ralph M. Wiles, Mrs. Myron C. Wiles, Mrs. W. T. Richardson, Jr., and Miss Ellen Nolting were among those going to Omaha, this morning to spend a few hours there attending to some matters of business.

## MORE TEXTILE WORKERS TO GET WAGE INCREASES

Rhode Island, New Jersey and Mississippi Mills Announce Further Boosts in Pay.

New York, March 30.—Directors of the B. B. and R. Knight mills, operating nineteen plants in Rhode Island, today declared a 12 1/2 per cent wage increase, affecting 15,000 employees.

Pasinec, N. J., March 30.—Five woolen manufacturing firms, members of the Pasinec Industrial council, posted notices in their mills today of a wage increase effective April 30.

The amount of the increase was not made known but it was understood it would compare favorably with the recent increase of 12 1/2 per cent granted by the New England woolen manufacturers. Approximately 12,000 operatives will be affected.

Hattiesburg, Miss., March 30.—Officials of the J. J. Newman Lumber Co., operating mills at Summertown, Bude and this city, announced today a wage increase of 25 cents a day for all employees in the operating departments, would become effective April 1.

## TOWNLEY DOESN'T KNOW MUCH ABOUT NEBRASKA

Pipetstone, Minn., March 28.—A. C. Townley, former president of the National Nonpartisan league, who is here today in the interest of the west, said he knew little of the activities of the National Nonpartisan league in Nebraska, at present.

"The automobiles in Nebraska, Kansas and other states belong to the organization department of the National Nonpartisan league," he said, "and were taken into those states to do organization work by agreement with the state committees."

"Mr. Lux, I think, has acted prematurely, and without knowledge and consent of the national executive committee and the state committee. I have not been in Nebraska for some months, but I do know that the work done there is under the direction of the national headquarters of the league."

Indigestion and Constipation  
"Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate agreed with me and I lost flesh and ran down in health. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Stroup, Solway, N. Y. Weyrich & Hadraba.

### PLAY REPEATS SUCCESS

From Friday's Daily

Last evening the second and last performance of the home talent play, "Putting it Over," was given at the Paruelo theatre before an equally large if not larger audience than on the preceding night and the audience was more than pleased with the manner in which the members of the cast acquitted themselves.

As on the first night the specialties were warmly received and Lillian LaRue of Union, the boy soloist, who had captivated the audience on Wednesday with his numbers, was forced to respond to four curtain calls before the delighted auditors would permit him to retire.

The production was given with more snap than on the premier as the members of the cast became more familiar with their respective roles and it will be long be pleasantly remembered by all those who witnessed it.

The members of Cass Chapter, Order of DeMolay, under whose auspices the play was given, feel very grateful to the members of the cast and all those who have contributed to its success and for the generous patronage of the good people of Plattsmouth and this section of Cass county.

### AMATEUR RADIO OPERATORS

Weeping Water has two licensed amateur radio operators, Gaylord Smith and Archie Crozier, two 16 year old boys. These licenses expire in 1925.

Archie Crozier has had his license for several months. His number is 99hw. Gaylord Smith just received his license last week. His number is 30pu.

These boys are intensely interested in this work and are digging into it and really know the business.

It takes hard and persistent study to master the intricacies which they must have in hand to be a first class licensed operator.

We expect these boys to get out of the amateur class in a year or so. Why not be commercial operators and stand at the top of the profession? It takes brains to know the business coupled with energy and a love of the work—all of which these boys have.—Weeping Water Republican.

### FOR SALE
