#### JOSEPH W. FOLK DIES; EX-GOVER-NOR OF MISSOURI

Year-53 Years Old.

Washington, May 28 .- Joseph W. folk, former governor of Missouri, and once a leading figure in demo ealth for some months.

About a year ago he suffered ervous breakdown from which he ever completely recovered. He was e held Thursday at his birthplace Brownsville, Tenn.

Joseph Wingate Folk was freuently referred to as "the man who

eaned up Missouri politics." His success in stamping out corupt practices in the political af- pher. airs of his adopted state attracted ationwide attention just after the spanish-American war, and so imressed the people of Missouri that eed himself as governor, but be il 1909, and, according to his many riends throughout the state, could eve returned to the job at any time

Among the reform statutes sponored and carried by Governor Folk vere included the Missouri law reguating child labor and providing for compulsory education, and anti-loby legislation, anti-race track laws and the statutes which make possible he removal of derelict state officials ho fail to enforce the laws. He lso found time to introduce and do commissions as a part of city gov-

With the incoming democratic adninistration, Folk was appointed soicitor of the state department by resident Wilson. Later he was made first chief counsel for the interstate ommerce commission, a position be held more than four years, altho he state department as counsel.

Folk's connection with the interstate commerce commission carried him through many stormy cases, in the prosecution of which he duplicated the successes and popularity of his home career. He pushed investigation of a number of railroads, the foremost of which was a probe into the activities of the New York, New Haven & Hartford and the combination of the Louisville & Nashville, Crattanooga & St. Louis.

Cumstances. The snakes frequently are so large that they present a formidable appearance, but they will crawl away with great speed. The snakes do not bother any farm animals or chickens except when the chickens are very young.

When the snakes frequently are also required by the brood sow to farrow more pigs, stronger z bt. Louis.

## 'SPARE SNAKES

Troublesome Gophers.

Topeka, Kansas, May 28 .- A bull snake, regarded as a menace by many people, is worth \$15 a year to every ratic party politics, died today in farmer in Kansas, the Kansas agriew York after having been in ill cultural colege says. The more bull snakes a farmer has the better his crops will be and the more prosper ous he will become

"We have collected some definite 3 years old. Funeral services will figures, and we estimate that every buil snake on a Kansas farm is worth \$15 a season to the farmer,' said F. L. Hisaw, assistant professor of zoology at the college, "This is because of the constant war the snake wages against the pocket go-

Gophers Too Plentiful "The pocket gopher is one of the worst pests in Kansas. It is seldom seen, as it lives almost entirely unn 1905 they swept him in the gov- derground. The annual damage of ernor's chair. Under the laws of the gophers to the alfalfa crop alone that state an incumbent cannot suc- exceeds \$3,000,000. The gophers burrow through the fields, cutting off omes eligible after an intervening the tender roots of the plants, de Folk served as governor un- stroying many plants and injuring

The gopher has a heavy body and hort legs. The neck is short and thick and the head is flat and broad. The eyes are small, and the tail is short and almost hairless. They have an exceedingly vicious disposition. According to tests made at the colege, a gopher will burrow in a sinle season a tunel of more than a mile in length.

A few gophers burrowing through field can do great damage in cutting the tunnels underground, and nuch for the idea of public utility at the point where the plants are must vulnerable. The college authorities, in studying the gophers, have found that they average six to eight to the acre on an alfalfa field and the losses due to their depredations and damages to the field amounts to \$2.50

Charming, Friendly Snake The bull snake is a large, mottled he still maintained connection with yellow reptile, entirely harmless, but exceedingly useful to man. The snake will not attack a man under any cirtate commerce commission carried cumstances. The snakes frequently

ness. The bull snake feeds almost entirely on gophers and ground squirrels in the field and on rats and mice around the farm buildings. "An ordinary snake will clean up an acre of alfalfa in a single month.

of alfalfa clear of gophers and ground squirrels." Cecretary Hoover tells us to hold Captain John Brown, famous abo- on to our prosperity. That is one

Weeping Water, Nebr.,

May 18th, 1923.

ACME MINERAL CO., Wheaton, Illinois.

Gentlemen:

I am raising hogs on my farm some six miles from Weeping Water, Nebraska, and have been having con-A lazy liver leads to chronic dys- siderable trouble with my hogs. I down behind and all of my hogs were off feed.

After reading some of your literaure, I sent to your agent at Union, Nebraska, Mr. Joe Lidgett, and secured a hundred pound sack of Acme

Ten days from the time I began feeding your Acme Minerals, my hogs were on full feed again, and the three sows that were down in the back, were up on their feet and show no signs of weakness.

I sure cannot say too much for your needs and will recommend your Acme Minerals and Pig Meal to all my hog raising friends.

Mr. C. M. Jenkins, your agent; called on me after my hogs were all up and on feed again and I purchased Acme Minerals and Acme Pig Meal and will continue to feed same as long as I am in the hog raising busi-

Very truly yours, MARY E. SHIPMAN.

#### Remember ACME Minerals are NOT a Stock Food

Beware of anybody selling other minerals claiming they are like Acme Minerals. Be sure and buy only Acme Minerals made at Wheaton, Ill., which are SOLD ONLY BY DEALERS MENTIONED IN THIS ADVERTISEMENT. We are making up a carload of ACME MINERALS and ACME PIG MEAL. Order your season's supply NOW and save freight over local rates. All prices on ACME MINERALS and ACME PIG MEAL are f. o. b. factory, Wheaton, Illinois.
