## F. P. SHELDON

Established 1888 PHONE NO. 14 NEHAWKA, NEB.

Ernest Kropp was looking after some business matters in Omaha last week making the trip in his auto. Alfred C. Anderson received a medal last Monday from the government showing the work as a marine in the Hattian campaign during the late world war.

J. H. Stefans and Z. W. Shrader were looking after some business matters in the county seat last Monday morning making the trip in the auto of the former.

Mrs. J. W. Gamble has been visiting for the past few days at the home of her daughter, Mrs. Herman L. Thomas and family from her home in Omaha and with the family of her daughter is enjoying a most excellent visit.

John S. Buck and wife of Lynn who have been visiting at the home of J. D. Cross of Union for some time were visiting with friends and relatives in Nehawka for a few days during this week and were guests at the beautiful home of B. W. Scholp.

James McVey and John Christwiser who are employed in Plattsmouth the former in the Burlington shops and the latter at the Plattsmouth Motor company, are taking a vacation of some two weeks and are visiting in the western portion of the state.

A. C. Anderson and W. L. Burbeck have been keeping cool unloading lumber at the lumber yard and while they find it not too very cool they may average the matter up by purchasing coal for the coming winter by their work during the hot days now.

John Opp and family were enjoying themselves and the coolness of the shade as well as the many attractions last Sunday at Antelope park at Lincoln, making the trip in their car and returning home in the evening.

Charles Adams and wife with their little one departed last Monday morning via their auto for South Dakota and will also visit at points in Minnesota and Iowa before returning and enjoy an outing extending over some two weeks.

C. S. Stone and F. A. Boedeker, both examiners who are working out in the state, spent last Sunday at their homes in Nehawka with their families. They are both very well satisfied with the work of the new position which they are occupying.

The busses which are to be used for the transportation of the school children for the coming year and which are being constructed by the Lundberg auto company, are now nearing completion and when done will make excellent vehicles for the purpose for which they were designed.

Mrs. Grace Rhoden of Dallas, Texas, wrote her parents Mr. and Mrs. Z. W. Shrader of Nehawka regarding the south which she is liking very well. She said that there were two women were executed by hanging and that she has been asked by the attorney general to attend the execution.

Mrs. Lucile Davis who has been the successful operator for the Lincoln Telephone exchange in Nehawka for the past four years resigned the position of manager and will work at some other point for the company in the near future. Mrs. Davis has been succeeded by Mrs. J. P. Douglas as manager who has taken charge of the office and is being instructed by Mrs. Davis.

**Worm Pest Attacks Alfalfa**  
Henry Sturm is suffering quite a loss in the devastating of his alfalfa fields by a worm which eats off the leaves of the plant. The first crop was of good character and not in any way molested by this pest which has attacked the plant before the second cutting. The stock seem to eat the hay even after the worms have worked upon it but Mr. Sturm thought it might be of a poisonous nature and is a little afraid to feed it to the stock.

**The Wheat Yields**  
The crucial test of what the wheat goes has been applied of some extent in this neighborhood, that of the threshing machine and it has shown the fields varying greatly and all the way from six or seven bushels up to as high and some little over 20 bushels maintaining a general average of about 12 or 13 bushels to the acre. The grain is testing very good and goes generally from 57 to 61 pounds to the struck bushel. Wm. Cipple delivered some last Monday to the Farmers' elevator that tested 61 and was of a good quality of grain.

**Died Tuesday Night**  
The death of John W. Woods, one of the old residents of Cass county, occurred on Tuesday night at the home of his daughter, Mrs. Ray Christwiser, with whom he had been making his home of late. Mr. Woods had been feeling poorly for the greater part of the winter but it was not thought that his condition was critical, altho at his advanced age of eighty-four years he was unable to withstand the advances of his afflictions and was taken much worse Tuesday afternoon before the medical assistance summoned could reach his bedside.

The deceased leaves eleven children to survive his passing, those residing in this vicinity being Mrs. Frank Campbell and Mrs. Andy Campbell of Murray, Edward and Clarence E. Woods of Nehawka, Mrs. R. H. Christwiser of Nehawka, Mrs. May Felix of Calhoun and William Woods of Omaha. The wife of Mr. Woods preceded him in death some thirty-five years ago.

There have been no definite arrangements for the funeral services and the word from relatives in Washington and Oregon.

**THERE is a difference in tires. Only the new Good-year Cord Tire is made of highest-grade, long-staple, high-tensile cotton, built up by the Goodyear patented group-ply method, and equipped with heavier sidewalls and the beveled All-Weather Tread. The difference shows in the Goodyear's longer wear and lower cost per mile.**

### A WELCOME CHANGE

The extremely torrid weather of last Monday was relieved yesterday when the temperature fell from the record of 102 on Monday to 92 and this morning was even more pleasant like living. Monday was the hottest day of the season so far and in addition to the mounting temperature the lack of any breeze made the day almost unbearable.
