An Idle Mind is a Devil's Workshop!

An idle dollar will soon learn bad habits, too. He begins to dissipate and the first thing you know he's gone.

Old dollar had just as well be working as any other member of the family who is able to earn something—and everything your dollar earns is clear profit, because there are no expenses for him to pay.

Bring him in—we'll give him a job. He will earn something for you every month.

Returned from the East
Dr. G. L. Taylor and the family, who have been in the east for the past four weeks, where they were visiting at the old home in Hamilton, Ohio, returned last Sunday evening at about midnight. They first went directly east, going through Iowa, Illinois, Indiana and into Ohio, where they arrived at their home at about four weeks and a few hours after they had left. Having had a most excellent trip, the doctor says he is now ready

for business again, of which there seems to be plenty in his line here.

Have Organized a Company
A number of the people of Murray feeling that Mrs. J. A. Wilson has an excellent article in the collander she recently obtained a patent on, have formed an organization for the purpose of manufacturing and selling this handy kitchen machine. This organization will be known as the Wilson Collander company and those interested in it include Mrs. J. A. Wilson, Harrison L. Gayer, George R. Nickles, W. G. Boedeker, G. M. Minford, J. E. Farris, W. H. Pils and F. G. Hull. They are having some six hundred of the collanders manufactured at Lincoln, a portion of gray iron and a portion of aluminum, which they will place on the market upon their completion at an early date. Mrs. Harrison L. Gayer and Miss Mary Wilson demonstrated the machine at the state fair and Mrs. Gayer demonstrated she was a good salesman as well, as she booked a large number of orders and made such a favorable impression for the collander that many orders have been received following the demonstration at the fair. Demonstrations will be continued at the fairs and various public gatherings and the sale of the collander pushed by this newly organized company. At best the work of placing a new device on the market is naturally slow and tedious, but the Murray folks are lining up a team work that should result in this instrument being placed for sale in every town within a wide radius in a comparatively short time.

RECEIVES PRIZED LETTER
Miss Mabel Howard of Murray, a granddaughter of Mrs. Martha Wettenkamp and Mr. and Mrs. C. H. Warner of this city, wrote to the bereaved widow of the late President Harding at the time of her great sorrow, expressing sympathy. Miss Howard received a letter of appreciation a few days ago from Mrs. Harding. This letter will be kept as a token of respect for the widow and the late president.

THEODORE HEIM, OLD RESIDENT AT LOUISVILLE, DIES
Funeral Services Held at Louisville Where Mr. Heim Has Resided For Thirty Years.

From Wednesday's Daily.
The funeral services of Theodore Heim, one of the oldest, if not the oldest resident of Cass county in point of years of life, were held on Sunday at the Methodist church in Louisville and were largely attended by the old friends and neighbors. The services were simple, in accordance with the last wish of Mr. Heim, and were conducted by Rev. Cuthbert L. Elliott, pastor of the church. The musical selections during the afternoon were offered by a quartet composed of J. R. Noyes, Martin Greff, William Schwalm and Rev. W. E. Goings, with Miss Edith Mayfield as accompanist. The pall bearers were selected from among the old time friends and neighbors and consisted of H. J. Pankonin, W. F. Diers, E. G. Pautsch, John G. Schoeman, J. M. Hoover and Henry Heil. All of the children were present with the exception of one son, Frank, of Vienne, South Dakota, who was unable to be present.

Theodore Heim was born in Germany, November 9, 1830, and until sixteen years of age made his home in the place of his nativity and then accepted a position as traveling agent and spent several years in traveling over the different states in what was later the German empire. On June 2, 1848, Mr. Heim followed a number of boyhood comrades to America to make his home and spent fifty-six days on the ocean crossing to this country. He landed July 27, 1848, in New York and in August of that year he hired out to a farmer near Summit, Wisconsin.

He was married on December 4, 1850, at Waushara, Wisconsin, and was located on a farm in Monroe county, Wisconsin, and lived there for seventeen years, until 1873 when the family removed to Cass county and settled near Manley where Mr. and Mrs. Heim resided until 1893 when they moved to Louisville and had since resided there. Mrs. Heim passed away on January 17, 1918, and her death has greatly affected the aged husband in the years that have passed.

Eleven children were born to Mr. and Mrs. Heim, three of the boys dying in infancy, one daughter, Mrs. John Spangler, died last February. The surviving children are Mrs. Elizabeth Poe of Red Cloud, Mrs. I. N. Young of Hastings, Mrs. Alice Murray of Littleton, Colorado, Mrs. John Group of Louisville, Mrs. Hugh Selver of El Reno, Oklahoma, Frank L. Heim of Vienne, South Dakota, Charles E. Heim of Louisville. There are thirty-three grand children and thirty great grandchildren.

Mr. Heim was ninety-two years of age and one of the best beloved residents of Cass county and has since his accident on December 6, 1922, when he fell and broke his leg, been rapidly declining and has for the past nine months been bedfast. In his passing the family will have the deep sympathy of the many friends among whom the Journal desires to express the universal regret that is felt at his passing. Mr. Heim has been a reader of the Journal since its foundation forty-one years ago.

STRONG AND ACTIVE AT 80
From Wednesday's Daily.
The many lifetime friends here in Cass county of R. W. Hyers, grand old man of the law enforcers of Nebraska, will be pleased to learn that Mr. Hyers has just observed his 80th birthday at the home of his son, Gus A. Hyers and wife at Havelock with whom he makes his home. The occasion was celebrated Monday evening with a dinner at the Hyers home and which was attended by a few of the close friends of the genial old gentleman. Mr. Hyers does not show his weight of years and is still fresh and vigorous as in the past and his health remains very good for a man of his age.

Rubeen W. Hyers has had a very active life in Nebraska and has occupied many positions of trust from the people of the state and carried them out with trustworthiness. One of the greatest sources of pride to Mr. Hyers is his Civil war record, as he served three years in the Union army and of these ten months was spent in the Andersonville prison. He has been a prominent figure in the republican politics of Cass county for the past fifty years up to the time of his removal to Lincoln and served as sheriff for six years, state senator one term, two years as deputy sheriff, game warden two years and warden of the state penitentiary for two years. He also served as the chief of police in this city for some years and made a very good record in this position.
