Make your travel dream come true this winter

Perhaps you were unable to find time for a vacation trip during the summer. Don't be satisfied to merely regret it.

Go to California-NOW-where days are filled with sunshine and nights are uniformly cool and clear. There is something out there which makes a strong appeal to everybody. Golf, tennis, motoring over perfect highways, surf-bathing, mountain-climbing, dancing, or just resting among the orange groves and flowers.

Excursion fares prevail. Go one way-return another, and stop off where you wish. Make the most of your trip by using the BURLINGTON'S splendid service via Denver, the Pike's Peak Region, the Royal Gorge, Salt Lake City, Los Angeles and San Francisco, and then return through The American Wonderland-the Pacific Northwest -Portland, Tacoma, Scattle, Spokane, the Cascades, Olympics and the Rockies.

It's the trip of a life-time and I want to assist you in planning it; to make your Pullman reservations: to provide you with through tickets.
