

MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

Miss Margaret Tool was a visitor at home last Sunday, spending the week-end at the home of her parents.

Emil Kuehn was looking after some business matters in Lincoln last week, making the trip over in his auto.

Henry W. Bornemeier shelled and delivered his new corn crop last week, which proved to be of a very good quality.

William Moreley, of Avoca, was a visitor in Murdock last week, coming to see about some business matters with Max Dusterhoff.

E. L. Pothast of Lincoln has been visiting in Murdock for the past week and was looking after some business matters as well.

Among those who have finished the picking of their corn this season are E. H. Miller, whose corn went 45 bushels and also W. O. Schewe and A. D. Zaar.

The first game of basketball of the season was played between the team of the Murdock high school girls and a like team of Greenwood, at the hall in Murdock.

Mrs. P. A. Hartung, who has been visiting with her parents, Mr. and Mrs. L. Neitzel, and also with her sister, Mrs. Dr. S. B. MacDiarmid, in Omaha, returned to her home in Kansas City, Mo., where her husband is city engineer.

If you are interested in receiving all the Cass county news, subscribe for the Plattsmouth Journal.

Albert Thiele is having a cattle shed constructed on his farm for the purpose of better caring for the stock, and which is being constructed by Matt Thimgan.

Mrs. E. T. Tool departed a few days ago for Wellington, North Dakota, where she is spending some time at the home of her daughter, Mrs. Herbert Adamson, of that place.

John Angwert and family were visiting in Council Bluffs over the week end, going last Saturday and remaining until Monday evening and where they enjoyed the visit with relatives and friends very much.

Eddie Craig and the family were visiting last Sunday at Liberty and enjoyed the occasion very much. On their return they were accompanied by Mrs. Craig's father, Jacob Pierce, who will visit here for a short time.

Victor Thimgan, who has been handling an oil burner for stoves and furnaces reports that business has been good with him in this line and that he has sold a large number of the burners, all of which are doing good work.

Mrs. Jess Landholm was a visitor for a short time last week in Omaha, where she was a guest of friends and on her return was accompanied by

her cousins, Mr. and Mrs. Louis Burglund, who visited for two days in Murdock.

Gust Wendt purchased a new farm last week near Elmwood, for which he paid \$225 per acre, which shows that Cass county land still maintains its value, for there is not a much better judge of what land is really worth than is Mr. Wendt.

I. G. Hornbeck, of the Rock Island, with a number of friends were spending a short time hunting the elusive duck on what is known as the "Gichour Islands" in the Missouri river a few miles below Plattsmouth, and while there they had a most pleasant time.

E. W. Thimgan was a visitor at Lincoln last Saturday, where he enjoyed the football game between the Cornhuskers and the great Notre Dame team, which resulted in a 7 to 14 victory for Nebraska. Mr. Thimgan says this was the best football game every played in Nebraska.

August Wendt and P. H. Dehning from this vicinity are among the members of the grand jury which is in session at the county seat, hearing testimony and deliberating over the conduct of numerous citizens of the county, who it is claimed have not always walked in the "straight and narrow" path.

Farm loans made at the rate of 5% option to pay at any time. If you desire a farm loan see O. J. Pothast at Farmers & Merchants Bank, Murdock, Nebraska.

Mr. A. C. Depper, who has been a figure in Murdock for many a year, departed a short time ago for California, where he is spending the winter at the home of his daughter. He may conclude to remain there permanently. It seems when a person from Murdock goes to California to spend the winter there, it is only a case of a short time until they go there to remain permanently.

Frank Valley of Plattsmouth was a visitor in Murdock for a short time last Tuesday evening, and departed for the west in his car and was accompanied by John Gakemeier, who was going to Dunning, where he has a ranch in partnership with Charles Rau. Mr. Valley was going to Oconto, where he was looking after some business matters and Mr. Gakemeier was returning to the ranch.

The birthday celebration at the L. Neitzel home last Sunday was a very happy affair. In the first place it was a surprise. In the second place it was a very happy affair because it resulted in a family reunion, all the children being there. They are Mrs. P. A. Hartung, of Kansas City, Mo.; J. Hitchcock and family, of Havelock; Mrs. Dr. S. B. MacDiarmid and family of Omaha, and A. J. Neitzel and family of near Murdock. The weather was perfect for the event. The festive board was loaded with the choicest of edibles and at the center of which was a lovely birthday cake with the figures "1854-1923" and "Louis Neitzel" traced in pink sugar. Sixteen sat at the table. Had Mrs. Hartung's family been present, the number would have been twenty. The affair was very much enjoyed by all present. Some very useful presents were given to Mr. Neitzel, which will long be remembered and cherished.

Appreciated Services Rendered. The people of Murdock and vicinity went to Louisville because the people there needed assistance at the time of the flood and in recognition of the kindly feeling which prompted the work, the Louisville people have written the following to the people of Murdock and vicinity:

Louisville, Oct. 31. To the People of Murdock: In behalf of the people of the Village of Louisville we wish to extend our most sincere thanks to the good people of Murdock, who so liberally gave their aid and assistance in the hour of our recent misfortune.

We feel all the more grateful to you for your help offered immediately, earnestly and voluntarily. Truly we are deeply indebted to you for your great kindness and we wish to assure you of our sincerest gratitude and appreciation.

Respectfully yours, VILLAGE OF LOUISVILLE, By its Trustees and Clerk.

Grandpa Schweppe is Stricken. Grandpa Herman Schweppe received a stroke of paralysis last Tuesday evening after he had returned, and from which he has been suffering greatly ever since. Mr. Schweppe is about 89 years of age and has enjoyed moderate health until recently, when he has grown quite feeble and following the stroke has not been able to get out of his bed. He is receiving every care that loving hearts and kind hands can administer.

Moves to Murdock. Mrs. Grace Rymer, formerly of Murdock, and also formerly employed at the Murdock hotel, and an excellent cook and also a clever manager of an eating house, has moved to Murdock from Washburn and has opened an eating house in the building belonging to Mr. John Scheel.

How They Stand on Ducks. Claims and counter claims are made regarding a flock of wild ducks, which formerly were the property of Oscar McDonald, but which have been in the hands of commerce and which are jointly and severally claimed by Mr. McDonald, E. W. Thimgan and H. W. Tool, any way all can use them for they are for deceiving other wild ducks.

A New Innovation. The Murdock Mercantile company is always alert to the convenience and accommodation of their trade,

and as will be seen by an advertisement in this paper, are providing a musical program every Wednesday at their store, which they welcome their customers to come and enjoy.

Will Display Samples of Goods. The Murdock Mercantile company have just purchased a bit of shelving furniture from Max Dusterhoff and are using it for a display of a sample of all their canned goods and it affords a very nice display.

Enjoyed a Roast. "The Gang," whoever they are, last Thursday evening, after having secured the "needing," went to the Gakemeier grove, where they had a most pleasant evening with a welter roast.

Took a Sunday Jaunt. Last Sunday Henry Angwert and Carlton Zink, with the car of the former, took a nice drive, it being a fine day and in their trip saw Brownville, probably as old a town as there is in the state of Nebraska. They also visited with friends at Auburn and a number of other good cities.

Will Hold Mass Meeting. There will be a mass meeting of the patrons of the Murdock school district held on Tuesday evening, November 27th, for the purpose of authorizing the board of education to purchase the site recently selected for the purpose of erecting the new building for school purposes. They will also consider the matter of providing means for the purchase of the site.

The Kensington Meets. At the beautiful home of Mr. and

Mrs. H. V. McDonald, the ladies of the Royal Neighbors of America Kensington club met last Thursday afternoon and enjoyed the pleasant afternoon in their tasks and sociability. They were entertained by Mesdames McDonald, H. W. Tool and Harry Davis. Following the work came the social hour, a delightful luncheon was served by the hostesses which was greatly enjoyed.

Delivers Much Corn. Herman Kupke, who has a large acreage of excellent corn, has gathered a portion of it and last week shelled and delivered some 1,600 bushels, and is getting the balance out as rapidly as possible in order to take advantage of as much of the good weather as possible.

Hits a Calf. J. F. K. Schmidt, of Denver, who is representing a Lincoln land firm, selling land located in Montana, had the misfortune to run into a calf with his auto, near the home of Andrew Stollman a few days ago with the result that the radiator of the car and the lamps were put out of commission. He had to have a new radiator placed thereon and the lamps fixed up again. He claims the calf was carrying neither head or tail lights.

He Keeps on Picking Corn. And this notwithstanding the arrival of a fine little girl at his home, Carl Schlapflog, living on the state highway, gets out early and keeps the ears of corn thumping against the side of the throw board to the tune of "My Little Blue Eyed Baby," and why should he not, for the little one is a darling and both the little lady and her mother are getting along nicely.

When you want the very best in stationery, call at the Bates Store, corner Fifth & Main Sts., where you will find the Writing and Eaton, Crane Pike lines on display.

OUT OF THE ETHER
Radio News Broadcast each Saturday by Station ETAO

Page Wahoo. They're still missing. Junior Review, December 7th. Programs for this big event will be out next week.

Don't forget the Murray program, Tuesday night, November 27th. "Maggie" has arrived in Omaha—music only. Words are on the way.

WOS, Jefferson City, will have another of its old time "hoedown" programs in the air Monday night. A following of Henry Field please step forward.

If you want to keep abreast of the radio programs, you'll find what you are looking for in Radio Digest. It can be secured every Wednesday at Bates Book and Stationery Store.

Besides keeping your battery fully charged, it is also a good idea to wipe up any acid about the top or exterior as it will set up "shorts" between the cells and result in noisy reception, as well as injure the battery if allowed to run into the wood case.

Wearing Out the Welcome. Someone the old saying "Familiarity breeds contempt," holds good in radio. Some of the stations bid fair to overdo the thing and "wear out their welcome." On the other hand there are some like WOC, KSD, etc., that confine their broadcasting to an hour or so a night, make their programs conform to the schedule, give them without superfluous announcements and attempted "wise cracks" and they are the stations that will be as popular a year or so from now as they are today.

This Week from WQAW. The current week's offerings from Station WQAW, are as follows: Sunday—Morning and evening chapel services, 9 a. m. and 9 p. m. Monday—Hotel Fontenelle Concert orchestra, 9 to 10; Jean Woodruff Concert company, 10 to 11. Tuesday—Thurman, Iowa, community program. Wednesday—Silent night. Thursday—Saxton Family orchestra, 9 to 10; Middleton School of Music pupils, 10 to 11. Friday—South Omaha High, in a program similar to our own "Junior Review," 9 to 11. Saturday—Fonelle orchestra, 9 to 10; First Christian church orchestra and soloists, 10 to 11.

Learning Error of Their Ways. When one sees such selections as "Yes, We Have No Bananas," "Mars Cheta," "Mellow Moon," "Drifting Back to Dreamland," "Dreamy Melodies," "Georgia Moon" and scores of others released through the National Association of Broadcasters becoming popular over night and much sought in sheet music and record form throughout the length and breadth of the land, he cannot help but be amazed at the claim of the Music Publishers association that radio was hurting their business and that they were entitled to royalties. ETAO has maintained from the start that the opposite was true, and the present conditions certainly bear out our contention. We know of homes right here in Plattsmouth where sheet music purchases have increased 100 per cent since the advent of radio and the only thing

festival and bazaar November 27th and 28th, both afternoon and evening. A total of about \$15,000 worth of goods, as well as various other articles will be raffled off and a chest of silver will be given in a contest for the most popular lady. There will be entertainment for young and old. Everybody come and bring your friends. Refreshments will be served by the ladies of the church.

Express Appreciation. Louisville, et. al. To the People of Manley: In behalf of the people of the Village of Louisville, we wish to extend our most sincere thanks to the good people of Manley, who so liberally gave their aid and assistance in the hour of our recent misfortune.

We feel all the more grateful to you for your help offered immediately, earnestly and voluntarily. Truly we are deeply indebted to you for your great kindness and we wish to assure you of our sincerest gratitude and appreciation.

VILLAGE OF LOUISVILLE, By its Trustees and Clerk.

MURDOCK MAN STRICKEN. From Friday's Daily—One of the prominent residents of the central portion of the county, Herman Schweppe, Sr., of near Murdock, has in very serious condition at his home as the result of a stroke of paralysis with which he was stricken on Tuesday night at the family home. Mr. Schweppe has not been in the best of health for the past few weeks and feeling poorly and last Tuesday evening his son, Herman, with whom he makes his home, was conversing with the father and he did not seem to be more seriously ill than usual and a short time later Mrs. Schweppe, wife of the aged man, visited his room to take him a glass of water and found him lying helpless in bed, the stroke coming swiftly and without warning and was a great shock to the assistance of the family. Mr. Schweppe is 80 years of age and has suffered very much from the effects of the stroke and is in a partially conscious condition the greater part of the time.

Do Not Endanger Life when a Plattsmouth Citizen Shows You the Way to Avoid It.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Plattsmouth testimony:

"Edward Martin, machinist, of 1409 Vine street, says: 'Doan's Kidney Pills are all that is claimed of them. Whenever my kidneys get out of fix and act irregularly, a box of Doan's soon remedies the trouble. Occasionally my back aches, but I only require a few Doan's Kidney Pills to relieve me.'

The above statement was given on February 22, 1916, and on May 12, 1920, Mr. Martin added: 'I know Doan's Kidney Pills are a good kidney remedy after what they have done for me. They have never failed to do their work in a short time. I only use Doan's occasionally now as a preventative to keep my kidneys healthy.'

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Martin has. Foster-Milburn Co., Mrs. Buffalo, N. Y.
