EASTERN STAR LADIES HAVE A FINE SESSION

Two Candidates Received and Given the Work of the Order at Meeting Held Last Night.

The members of Home Chapter, No. 159, Order of the Eastern Star, held a very pleasing meeting last evening at the Masonic temple which was very largely attended by the members of the order.

The officers of the chapter conducted the impressive initiation work and received into the order two candidates, Miss Gertrude Rossler of Falls City and Mrs. Jack Sedgwick of this city.

Following the meeting the ladies spent the time socially and in greeting the new members of the chapter and also in the enjoyment of the very dainty and delicious refreshments that were provided for the occasion by the committee in charge of the entertainment features of the meeting.

A Judicious Inquiry

A well known traveling man who visits the drug trade, says he has often heard druggists ask a customer who wished to buy a cough medicine, whether it was for a child or an adult, and if for a child, they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for colds, croup and whooping cough it is unsurpassed.

Alvo Department

Arthur Dinges was looking after some business in Lincoln one day last week.

Edward Taylor shelled and delivered a batch of 2,000 bushels of corn to the Rehmeyer elevator during the last week.

Kenneth Kneeder is visiting at this time with two of his aunts who make their home at Marshalltown Iowa, and whom he has not seen for a number of years.

Frank Edwards was a shipper of stock during the past week, sending two cars to market during the past week, one of hogs and one of cattle, they going to Omaha.

H. D. Richardson had two loads of goods brought in from Lincoln during last week they being brought by Mr. R. M. Coatsman.

Notwithstanding the very bad roads last week R. M. Coatsman made two trips to Omaha with stock and on each occasion returned with goods for the merchants as well.

J. W. Kallmeyer the merchant was looking after some business in Omaha during a portion of last week going to that big city on Tuesday and returning home the following day.

Lester Strain of University Place and Elmer Strain of Lincoln were both in Alvo to visit with their aunt, Mrs. Vincent, called here by her very serious illness, she being stricken by paralysis.

MRS. FRANK OHM SERIOUSLY INJURED IN OMAHA FRIDAY

Struck by Auto as She Was Crossing the Street and Suffers Fractured Skull It is Thought

From Saturday's Daily—
The many friends in this city of Mrs. Frank Ohm, 1731 South 9th street, Omaha, were shocked to learn this morning of the severe accident that befell this estimable lady last night and as the result of which she is at the St. Joseph hospital in very serious condition.

Mrs. Ohm was crossing the street at the intersection of Tenth and Hickory streets and was apparently confused by the approach of an auto and with her companion, Mrs. H. J. Olcott, had started to cross the street when Mrs. Ohm stepped into the path of a car driven by Ed Kysela, 1315 South 8th street. Mrs. Ohm was knocked down and was removed to the hospital suffering from what seemed to be a fracture of the skull and a dislocated shoulder.

The driver of the car was held on a charge of reckless driving and placed under a bond of \$2,500.

Late this afternoon a telephone message from Omaha from Mr. Ohm advised that the injury to Mrs. Ohm was not as serious as first thought and that the injury to her head has proven a severe scalp wound instead of a fracture, as was at first thought by the attending surgeons.

GIVE FRIENDS A SERENADE

From Saturday's Daily—
The young friends of Mr. and Mrs. Lester Meisinger gathered on Thursday evening at the home of the parents and friends to give a serenading party to the young people who were to be married on that occasion. The party was most pleasant one. The jolly party arrived with all the appropriate devices for noise making and gathering at the home cut loose with the pans and other instruments and were then invited in to meet the newly weds and appropriately observe the event. The evening was spent most delightfully and dainty and delicious refreshments were served to the members of the party of "invaders."

"THE PLATTER" ISSUED

From Saturday's Daily—
Yesterday afternoon at the last period of the high school the staff in charge of the publication of "The Platter," the new school paper, made the distribution of the first issue of the paper to the members of the school who were enrolled on the subscription list. The paper is "a dish full of news" as the heading states, and every department of the school is well covered with bright and pleasing news items.

Roy Coatsman received a very striking valentine a few days since in which the sentiment was expressed that if he would be the valentine but in no case would they allow him to be their dictator.

Last week Phillip Coatsman installed a new radio at the home of Mr. and Mrs. Charles Marshall just on the edge of Alvo which is giving to the young couple excellent service and is a source of much pleasure and entertainment which is really worth while.

Sam Humphrey, who is the manager of the Lee Hill elevator and who has been making his home in Elmwood, has moved to Alvo and now occupies the Mrs. Paul Johnson property and is now at home here. Messrs. Coatsman and Skinner moved the goods via their truck.

Carl Ganz the attorney, having some business matters to look after at the county seat, went from Alvo to Ashland via the train and to catch a train last Wednesday to the county seat and after having cared for his business returned taking the Burlington to South Bend and the Rock Island home.

John W. Banning and the wife were in attendance at the Lumbermen's convention at Omaha last week where they enjoyed the sociability and attended the annual banquet as well as getting better in line with the new ideas for it is the aim of all dealers to better serve their patrons from year to year.

On last week Roy Coatsman with his right hand man, John Skinner moved both Elmer Harlan and family and W. S. Jordan and family to Lincoln where they will make their homes in the future. Mr. Jordan is located at 2606 Randolph street where they will make their home, while Mr. Harlan and family will not far away will live on 27th street.

DANGER IN DELAY

Kidney Diseases are Too Dangerous for Plattsmouth People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, drowsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Pills, which are so strongly recommended right here in Plattsmouth. Ask your neighbor, Louis Kroehler, one of the members of the firm of Kroehler Bros., hardware dealers, at 542 Main street, Plattsmouth, says: "I had pains in my back. I was so lame I could hardly stoop and my kidneys were weak. I was tired, languid feeling all the time and headaches were common. I got a supply of Doan's Pills from Rynott & Co's. drug store and began taking them. They soon relieved me of the trouble. I am pleased to recommend such a valuable kidney remedy."

The above statement was given on April 10, 1912, and on May 12, 1920. Mr. Kroehler added: "I am of the opinion that Doan's Pills are a splendid remedy for kidney ailments. I haven't needed them in a number of years. I have great faith in Doan's. Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Kroehler had. STRICKEN WITH PARALYSIS

From Friday's Daily—
Mrs. Vincent, who has been the postmistress at Alvo for some time past and who has given universal satisfaction, having very faithfully served the public in that capacity for a number of years, was a few days since stricken with paralysis. A number of her relatives from out of town have called to see her. The citizens of Alvo who universally love and respect this excellent woman and public servant immediately saw to it that every care was lavished on her. Messrs. Roy Coatsman, in whose store the postoffice is situated, and Albert Stromer, the carrier of the rural route, have very kindly looked after the work of the office and cared for all the mails and work since Mrs. Vincent has incapacitated herself. It is hoped by the many friends of this good lady that she may soon be able to be about again.

COMMITTEE TO LAY THE PLANS FOR DECORATION DAY

Meeting Being Held This Afternoon to Arrange for Services in Honor of Soldier Dead

From Saturday's Daily—
The patriotic societies of the city, comprising the G. A. R., the W. R. C., the American Legion and Legion Auxiliary and the D. A. R. are holding a joint committee meeting this afternoon at the court house in order to arrange for a fitting observance of Decoration day on the 30th of May that will be in keeping with the dignity of the occasion.

By making their plans early in the season and securing the speakers desired, it is hoped to avoid many of the worry and haste that is necessary in making the arrangements at the last moment as was found last year in the preparation of the observance.

The committee hopes by the concerted efforts of the societies to secure the use of the Parmele theatre for the afternoon program in honor of the soldier and sailor dead of all the wars of the nation.

Decoration day, the memorial day established as the chief day of the year in which to pay tribute to the heroic deeds of the fallen and to being at the close of the civil war and for forty years was observed with all the honor due the occasion, under the auspices of the Grand Army of the Republic. The years however have faded the ranks of the old veterans until they are themselves but a thin remnant of the great force that once formed the far flung battle line of the nation, and to their shoulders must to a great extent fall the carrying on of the observance of the day.

The other patriotic societies are endeavoring to carry out the work of making the day one sacred to the precious memory of the fallen and to save it from becoming an occasion entirely given over to sporting events and boisterous demonstrations. It is America's sacred day and as such should be preserved by all means.

SENIOR GIRLS' CLUB MEETS

From Thursday's Daily—
The members of the Senior girls' club enjoyed a very pleasant meeting at the home of Mr. and Mrs. John P. Sattler last evening, where they were the guests of Miss Dorothy Sattler.

The occasion was in the nature of a Washington's birthday party and the rooms of the home were arranged in keeping with the spirit of the occasion and here the young people enjoyed themselves to the utmost in the fast flying hours of the evening. Lunch and refreshments were served to entertain the jolly party of young ladies and in the games held the prizes were secured by Anna Peoples and Mabel Vroman.

At a suitable hour refreshments were served that added to the enjoyment of all of the members of the party.

Those attending were Jessie M. Robertson and Nora Livingston of the school faculty, Blanche Scotten, Gladys Tulene, Hazel Clugy, Louise Parriott, Freda Klinger, Ruth Shannon, Alice Ptak, Edith Yelick, Rose Donst, Beatrice Hedding, Leona Parsons, Mabel Howard, Catherine Harvis, Anna Peoples, Mabel Vroman, Augusta Kruger, Elizabeth Wadick, Elizabeth Sitzman and Dorothy Sattler.

POPULAR LOUISVILLE GIRL ILL IN HOSPITAL

The many friends of Miss Edith Knutson will again rejoice to know that she is recovering rapidly at the M. E. hospital in Omaha, where she underwent a serious operation about two weeks ago, the second time she has been obliged to undergo this ordeal. However, this time it is expected that her trouble is over and she is making splendid progress.

Her brother-in-law and wife, Mr. and Mrs. Rudolph Meisinger and her brother, Vilmar Knutson and her mother and other relatives and friends visit her frequently and all bring home good reports which is very encouraging as she has been suffering from this illness for the past five or six months and in that time she has been unable to do anything she has been obliged to undergo the operation from her family, schoolmates, teachers and friends.

Mrs. Knutson feels very appreciative of the many kindnesses and attentions that her daughter has received during the many weeks of her entire illness and can hardly find words to express how thankful she and her family feel towards all their friends and neighbors.—Louisville Courier.
