FUNERAL OF MRS. GEORGE KLINGER, SR.

Services Held at St. Paul's Church and Many Old Friends Are In Attendance.

From Monday's Daily— Yesterday afternoon the funeral services of the late Mrs. George Klinger, Sr., were held from the St. Paul's Evangelical church and attended by a large congregation of old friends and neighbors among whom Mrs. Klinger has made her home for many years.

The pastor of the church, the Rev. H. Kottlich, gave a very touching tribute to the memory of the deceased lady and her life of Christian faith and worth. Her family and friends held out the vision of the life that comes after death.

During the services the choir of the church gave a number of the well loved hymns that had been so treasured so dearly by the deceased.

At the close of the service the body was laid to rest in Oak Hill cemetery beside that of the husband. Barbara Reeg was born in Birkert, Germany, January 18, 1844, and was reared to womanhood in that portion of Hessen-Darmstadt where she was born and where in 1874 she was married to George Klinger. The husband and wife with their family came to America in the year 1885 and located in Plattsmouth where they resided since that time. The family circle was broken when the husband and father was called from his earthly activities and since that time the widow has resided with her son, Henry G. Klinger at the old home and where she was stricken down on Tuesday last with a paralytic stroke and from which she failed to rally and passed away early Friday morning. Many years ago Mrs. Klinger united with the German Evangelical church when it was founded in this city and has been a very faithful and devout member of that faith since that time and to the end maintained her faith in the teachings of the church.

There are left of the family the three children, George and Henry Klinger of this city and Mrs. Bert McKinney of Omaha. She also leaves one sister, Mrs. Geo. Schantz of this city.

Mrs. Klinger was a lady dearly loved by a large circle of friends and in her death there is a place made vacant that will be hard indeed to fill and in her death the family and the friends have the deepest sympathy of everyone in the city.

Same steel, same workmanship as in the costliest Studebaker models.

Two great features There are many features in this Light-Six found in no rival car. But we want to mention two in particular.

The motor is perfectly balanced. That means long life and freedom from vibration. The reason is this: We machine all surfaces of our crankshafts and connecting rods by 61 operations. Just as was done in Liberty Airplane

Motors. This is done in no other car at our prices. Then we use more Timken bearings in this car than are used in any competitive car within \$1,500 of our price. And Timken bearings take up wear as no other bearings do.

Why this price?

This Light-Six Touring Car is priced at \$1,045. Built under ordinary conditions such a car would cost you from \$200 to \$400 more.

How It Excels

Steels are identical with the steels in the costliest car we make. More Timken bearings than in any competitive car within \$1,500 of its price. Genuine leather cushions, 10 inches deep. Curled hair filling. All-steel body. One-piece windshield—rainproof. Attractive cowl lights. Quick-action cowl ventilator. Non-skid cord tires. Transmission and ignition locks. Perfect motor balance. It will enable you to look at any car and tell whether it's been cheapened to meet a price or offers true quality.

FUNERAL OF GEORGE MAPES HELD SUNDAY

Body Brought Here by Auto and Services Held at Home of W. H. Rainey Yesterday.

From Monday's Daily— The funeral service of George J. Mapes was held from the home of W. H. Rainey in Plattsmouth, Nebraska, Sunday afternoon at 2 o'clock.

Mr. Mapes was the son of Joseph and Sarah Mapes, being the youngest of five children and was born September 5, 1860, at Elmore, Ohio. The father was a pioneer minister in the United Brethren church. The mother passed away when George was 9 years old. After spending his boyhood and youth in and around the place of his birth, he came west and located at Plattsmouth in the year 1879. Here he married Miss Nora Rainey in September, 1882. The family continued to live in Plattsmouth until some 18 years ago when they removed to other places, locating at Sioux City where they resided for three years, when they returned to this section of the state and located on a farm near Meadwood, where they have since lived.

Those left to mourn are the wife who has walked with him all these years; four of the five children that came to their home, Walter of Omaha, Charles of Bethany, Troy of Omaha, Jessie having died two years ago, and Dean who is at home; a half brother, T. A. Mapes of Helena, Montana, and Miss Margaret Mapes of Plattsmouth and nine grandchildren.

Mr. Mapes was a victim of the influenza two years ago, from which he never recovered. For the past year he has been constantly under the doctor's care and never able to do his duties. The last illness was continued for about three weeks. He was taken to Omaha for some special care the day before he died, but there seemed to be no relief and on

Thursday afternoon, March 27th, he passed on to his reward.

He was a good and faithful husband, a wise and noble father, a splendid neighbor and an esteemed friend to those who knew him. He was a man of clean habits and good moral character, giving thought and attention to the higher life. About fifteen months before his death he enjoyed a most beautiful experience in which the assurance of companionship of the Heavenly Father was manifested to him. Many times since he has spoken of the occasion and would often express the desire to go home and be at rest.

The services were conducted by the Rev. F. E. Proulx of the Methodist church. A male quartet composed of Messrs. Cloldt, Farley, McCusky and Minor sang "Jesus Saviour, Pilot Me" and "Rock of Ages Cleft For Me." Interment was in the Horning cemetery.

KENNETH McDONALD HERE

This city enjoyed a visit Saturday evening and Sunday from Kenneth W. McDonald of Bridgeport, Nebraska, who is a candidate at the coming primaries for the position for United States senator on the democratic ticket.

Mr. McDonald was the candidate two years ago for attorney general on the democratic ticket and was defeated by a very small margin, being practically unknown in the eastern portion of the state, but making a magnificent campaign and the votes of many thousands of the citizens of the state.

This year, Mr. McDonald was induced to permit the use of his name for senator and is now meeting his old friends and many new ones in the eastern part of the state. He is well qualified in every way for the position and will, if he is selected, make Nebraska a worthy representative and one that will understand the needs of every section of the state as he resided at Plainview before going to Bridgeport to live. He has served as county attorney of Morrill county and was the first county attorney to prosecute a county official for liquor law violations.
