Mrs. W. L. ENJOY PLEASANT OUTING

From Monday's Daily—Saturday evening a number of the young people of the city enjoyed a very delightful gathering along the picturesque banks of the old Missouri river in the vicinity of the Burlington bridge. The members of the party took with them the ingredients of a fine luncheon and by the glowing coals of the campfire wienies were roasted and a fine time enjoyed by all of the jolly party. The occasion was in honor of Miss Eileen Gilmore of Omaha who has been visiting here with friends. As the evening grew toward the late hours the members of the party proceeded homeward. Those attending were: Misses Violet Vallery, Edith and Helen Farley and the guest of honor, Eileen Gilmore and Messrs. W. F. Mateschulat, Elmer K. Johnson, Forest E. Shrader and Leonard Born.

MRS. JOSEPH HADRABA CALLED TO LAST REST

After Lingering Illness Well Known Lady Passes Away at Early Hour Today at Home.

From Monday's Daily—In the early hours of this morning and after many months of patient suffering, the spirit of Mrs. Joseph Hadraba took its flight to realms of day.

Edna C. Burke Hadraba was born in Veniceburg, Sweden, in July, 1872. She came to America with her brother when nine years of age, coming direct to Nebraska and locating at Oakland. From there she moved to Louisville and came to Plattsmouth in 1891, where she has since resided. Mrs. Hadraba leaves to mourn her death her husband, Joseph Hadraba, two daughters, Blanch Price and Mrs. Helen Heinrich, one granddaughter, Helen Virginia; one brother, George Burke, of Dalton, Nebraska; two sisters, Mrs. Christine Gilgreen of Galton, and Mrs. M. Akeson of Chappel, Nebraska. Mrs. Hadraba was a member of the Degree of Honor and a loyal and earnest worker in all of the activities of the order. In her early childhood she united with the Swedish Lutheran church which membership was transferred to the Methodist church of this city. She was a kind and thoughtful neighbor, a most loyal friend and a loving and devoted mother. She was always ready to lend a helping hand where ever needed and her unflinching courage and buoyant spirit cheered and brightened the pathway along which she traveled and her memory will be cherished by all who knew her.

We can truly say of her that God called her and she answered, leaving unfinished the many plans and ambitions for the future. To those of her bereaved family who were so dear to her we extend our deep sympathy and to those among her old friends who were privileged to know her intimately during her long months of patient suffering, she has been an inspiring example of Christian fortitude and cheerfulness.

Far into the starry heights, A dear one's spirit has flown; Silently it took its flight, Unfettered and alone.

It has traveled far, that spirit sweet— Far from this world of care, To realms of eternal happiness Where there's neither pain or care. It has gone to regions of heavenly bliss— But one thing precious is left to us In her sweet memory.

The funeral services will be held from the Methodist church on Wednesday afternoon, April 10th, at 3:00 o'clock. Rev. Frank Emory Pfoutz, pastor of the church officiating.

From Monday's Daily—Con Gillespie, the veteran Burlington section foreman, who has been at the Immanuel hospital in Omaha for the past two weeks, has so far recovered that he was able to return home yesterday. Con is feeling very much better and looking well and believes that he has secured permanent relief from the operation and after a short recuperation will be back on the job ready to look after the work of keeping the track maintenance department working as usual.

FOR SALE

White Wyandotte eggs for hatching. Call Plattsmouth exchange 3005. MRS. GEORGE PRIVETT.

Three cows and a De Laval will make more money than four cows with gravity setting or an inferior separator

Thousands upon thousands of cow owners have already proved this statement; any experienced dairyman will verify it for you.

If you are selling cream or making butter, and have no separator or else an inferior machine, we know if we could put a De Laval on your place we would be doing you a personal favor.

Remember, you can't make money by trying to save money in the purchase price of a cream separator. A De Laval costs only a little more than the cheapest and will save you twice as much and last five to ten times as long as other separators.

FORTUNE TELLING

Is not our business, but we do know and so do you, one way to accumulate a fortune is in good, permanent construction. Proper housing of stock and poultry, good sheds for machinery, wagons and hay, granery and cribs for grain, will eliminate a great waste that takes place on most every farm in the country annually.

A cement feeding floor will also prove a big saving in feed, will keep conditions in the hog lot much more sanitary, therefore the loss on hogs by disease will be lessened. Each pig saved will help swell your bank account.

Let us help you make your fortune.
