PLATTSMOUTH TO HAVE NEW WHOLESALE HOUSE SOON

Robb Candy Co. to be New Establishment in Business Life of the Community.

From Friday's Daily—
Another new factor in the business life of the community is to be launched in the next few weeks that will give Plattsmouth its second wholesale house, and the Robb Candy Co. become one of the fixtures in the candy trade in this part of the state.
The head of the new company will be the Rev. Walter R. Robb, who is pastor of the Christian church here and has also been engaged in traveling for one of the large candy houses of the west for a number of years. Mr. Robb believes that the field here will warrant the wholesaling of the candy trade from this city as well as the larger places and accordingly will supply the needs of Plattsmouth and surrounding territory in the candy line.
It is expected to have the new wholesale house located in the Soenichsen building just east of the Journal which will give Mr. Robb a large and suitable room for his line of business.
This new wholesale candy house should have the support of the community wherever possible in aiding in building up a new line of business and Plattsmouth should secure its supply of sweet stuff through its own wholesale house as soon as it gets to be a going proposition.

HOLD CHURCH CONFERENCE

From Friday's Daily—
Yesterday afternoon at the Methodist church was held a pastor's conference at which time representatives from Plattsmouth, Union and Nebraska City were in attendance to meet with the Rev. C. C. Cissel, district superintendent of the church, who was here in the place of Bishop J. W. Robinson of India, who was prevented from attending. The failure of Bishop Robinson to be here was very much regretted by all of the church membership, but he was suddenly called to New York to attend a conference of the bishops of Asia which will take place the coming week to arrange plans for presentation at the general conference in May.
Last evening Rev. Cissel addressed the members of the church here on the world problems of the church which are being taken up in the world's service book of the church and under the heads of the various departments the cause of the church is being advanced.

TAKING TREATMENT IN OMAHA

From Friday's Daily—
Mrs. Allie Meisinger of near Cedar Creek is at the Methodist hospital in Omaha taking treatment as the result of her poor health of the past year and a half. Mrs. Meisinger was operated on at the hospital last year and the result has not proven all that was hoped for in the restoration of her health and the present course of treatment is being given in the hope of restoring her to her former good health. Mr. Meisinger was in Omaha today to spend a few hours with his wife.

TO CASS COUNTY VOTERS

Appreciative of the splendid support given me at the primary election, I desire to take this means of expressing my feeling of gratitude to the friends who were responsible for my nomination. I also wish to extend my thanks to all of the voters who gave me their support in the primary as I was unable to meet personally all of the voters of the county. It is my earnest wish to give the best possible administration of the office of sheriff and to have the cooperation of the public in seeing that the law is strictly and justly enforced without fear or favor.
E. P. STEWART.

DELEGATES ARE CHOSEN TO METHODIST CONFERENCE

Nine Ministers and Nine Laymen From State of Nebraska to Attend Conference in May.

From Friday's Daily—
Nine ministers and nine laymen from the Methodist churches of Nebraska have been appointed to attend the general conference of the Methodist Episcopal church in Springfield, Mass., throughout the month of May. The ministers chosen are Dr. Titus Lowe, missionary secretary, who now has headquarters in New York City; Rev. H. G. Langley, Central City; Dr. I. B. Schrenken-gast, chancellor at Wesleyan; Dr. J. R. Gettys, district superintendent of the Beatrice district; University Place; Dr. C. C. Cissel of Omaha, district superintendent of the Omaha district; Rev. A. A. Randall, Rising City; Dr. M. W. Gilbert, district superintendent of Hastings district; Rev. L. R. DeWolf, York; Rev. A. O. Hinson, Norfolk. The laymen are Frank Derpe, Tecumseh; John H. Dryden, Kearney; Charles A. Randall, Randolph; William A. Sellers, Chester; George H. Gray, Columbus; Ernest Shiefelbein, Wahoo; George W. Schultz, Omaha; Carleton F. Freas, Beaver City; Miss Ella M. Watson, Lincoln.

The conference will be one of the most important in the history of the denomination. There will be approximately 850 delegates from all parts of the United States and from forty-four nations and territories abroad. Delegates from the foreign field elected to represent the various national groups of Methodist abroad number 78, among whom are nine women. This gathering is representative of the 4,774,520 members of the Methodist Episcopal church around the world and is the law-making body of the denomination. All decisions made by it are final unless reconsidered by the body itself. The delegates consist of an equal number of ministers and laymen from 162 annual conferences which elect them. There number is determined by the membership included in the annual conferences.
The plan for unification with the Methodist Episcopal church, South, which was drawn up by commissions from the two denominations; will be considered by the general conference. It is understood that the outlook is considered favorable by officials whose opinions are of weight. It provides for the churches to be united into one church in two jurisdictions. If the plan is accepted by the general conference of the Methodist Episcopal church in May at Springfield, the general conference of the Methodist Episcopal church, South, which normally meets in 1925, will probably be called in special session to consider the plan. Acceptance by that body will make the plan effective. It is understood that large sections of the membership of each of the two churches are in favor of unification and consummation of the efforts of the past decade are regarded as highly probable thru the action of the two general conferences.
Another question to be reviewed by the general conference and which will attract the attention of the entire Christian world is the status of the episcopacy of the denomination. The entire system of episcopal supervision will be considered. It is impossible to predict what turn this action would take but all regard it as one of the most weighty before the church today. The question has not been so reviewed in the past twenty-five to fifty years.

PRESENTS NEAT APPEARANCE

From Friday's Daily—
The court house building which was erected in 1891 in this city, has this year received its first real house cleaning in many years—in several ways—the most noticeable one to the eye being that produced by the application of paint and varnish to the interior of the building.
The commissioners had the entire third floor cleaned up in fine shape and re-decorated, so that it now presents an appearance that is a credit to the county and in addition the basement of the building has also been touched up by Frank Gobelman and his force of assistants, so that it is much lighter and brighter and the change is one that furnishes a great deal of pleasure to the office holders and their deputies, who are occupying the various offices.
Several changes made on the exterior of the building in an effort to check the leaking of the roof that caused so much damage in past years, and feel that they have at last succeeded in getting this evil abated.
The board deserves credit for doing these things which had been neglected for so many years before when they were first needed.

When arranging for the observance of Easter, remember that the Bates Book and Stationery store has everything that will assist in making the occasion one of charm and beauty.

RETURNS FROM ROCHESTER

From Friday's Daily—
Herbert Sherwood, who has been for several weeks at the Mayo hospital in Rochester, Minnesota, returned home this morning for a visit here with his wife, expecting to return later to the hospital for a further course of treatment.
Mr. Sherwood is feeling somewhat improved and his many friends are trusting that he will receive a permanent benefit from the course of treatment and be restored to his former good health. Mr. Sherwood has been in poor health for the past several years and the indication of improvement is very pleasing.

ANOTHER PIONEER CITIZEN IS CALLED BY DEATH

Andrew Johnson, Member of Louisville I. O. O. F. Lodge, Passes Away at Sterling, Colo.

Andrew Johnson, a pioneer citizen of Louisville, died at Sterling, Colorado, on Wednesday last week, April 2, 1924, after a short illness with neuralgia to the heart.
Mr. Johnson had spent the past winter in California and had returned to Sterling to look after his property interests there two weeks before he was stricken. He was on his way to the postoffice the Monday before to mail a letter to his sister, Miss Anna Johnson, of Omaha, when he became ill and was assisted to the office of a physician and later was taken to the hotel, where he was given every attention. Word of his serious condition was sent to his sister and to his brother, John, at Louisville.
Miss Johnson left at once, but arrived there several hours after he had passed away and his brother, John, had not been able to get a train out of Louisville before the message came announcing his death.
The body was brought to Louisville for burial and the funeral occurred last Saturday from the M. E. church, the pastor, Rev. R. J. Myers officiating. Mr. Johnson was a member of the I. O. O. F. of long standing and this local organization attended the funeral in a body to pay their last tribute of respect to their departed brother. The pallbearers were F. H. Nichols, C. W. Merriman, A. H. Peterson, Theodore Wilcox, J. W. Taylor, and Frank Johnson, all members of the same order.
Deceased was born in Torup, Halland, Sweden, March 15, 1862, and at the time of his passing he was 62 years and 17 days old. At the age of 21, he came to America, to Louisville, where his brother, John, had come two years before. He resided in this vicinity for almost 30 years, when he took up a homestead in Colorado in the year 1912. He lived on this place for seven years, developing it, and then sold it and lived in the adjoining town of Sterling until his death, spending his winters and spare time in Louisville. He was well known here and was highly respected and his sudden death, just when he had arranged his affairs so that he could enjoy his later years in peace and comfort, comes a sad shock to his relatives and friends.—Louisville Courier.

DOING VERY NICELY

From Friday's Daily—
This morning, Rev. Frank E. Proutz of the First Methodist church returned home from Omaha where he has been spending a short time with his daughter, Miss Helen, at the Methodist hospital and reports that the young lady is now doing very nicely and apparently well on the highway to recovery and the attending physicians feel that she is doing just as well as could possibly be desired.
While in Omaha this morning, Rev. Proutz was a member of a very large delegation of clergymen and laymen who met Bishop H. C. Stuntz on his return from Florida and was greatly shocked at the change that has come over the bishop since his stroke several weeks ago and the marks of which are very apparent in the physical condition of the patient.

ORGANIZE DANCING CLUB

From Friday's Daily—
Last evening a number of the young-men-about-town of this city met at the Morgan Sweet Shop and organized the DeLuxe Dancing Club, which expects to put on a number of dances the coming spring months.
The club was organized with the election of the following officers: Fred J. Warren, president; Lester Elsworth, vice president; Leonard I. Carter, secretary-treasurer; Harold X. Renner, sergeant-at-arms. With the officers in the club are associated—Carl P. Ofc and George F. Meade.
The young men expect to stage their first dance on the season on Wednesday, April 23, the first dance after Easter at the Eagles dance garden, and will have Al Finch and his celebrated Symphonians of Hotel Fontenelle, Omaha, as the attraction for the lovers of tertschore.

PASSING OF MRS. SARAH VAN FLEET AT RALSTON, NEB.

Former Well Known Resident Here Brought Back and Laid to Rest Here.

From Thursday's Daily—
The funeral of Mrs. Sarah E. Van Fleet was held at the Horning cemetery south of this city on Tuesday afternoon, the body arriving here from the home in Ralston by auto and being laid to rest amid the scenes where she had spent so many years of her life and attended by a number of the relatives and former neighbors to pay their last tribute to her memory.
The services for Mrs. Van Fleet were held at the late home on Tuesday and the cortege departed at once for this city for the consignment of the departed to her last earthly dwelling.
The deceased lady was sixty-four years of age and was for thirty years a resident of Plattsmouth and vicinity, leaving here eight years ago for Ralston where the family has since resided. During her long residence here, Mrs. Van Fleet made a number of very close friends who have regretted very much to learn of her death and share with the family the loss that has come to them. To mourn the taking away of the mother there remain six children, Mrs. Olive Nelson, Mrs. Emma Green, Asa VanFleet, Mrs. Madge Roberts, Mrs. Edith Zazisky, all of Ralston and Mrs. Otto Luschnsky of this city.
A number of the friends from Ralston accompanied the family here for the final funeral services at the cemetery.

FINE LITTLE DAUGHTER

From Friday's Daily—
The home of Mr. and Mrs. L. C. Hite in this city was gladdened on Wednesday by the arrival there of a fine little daughter, who, with the mother, is doing very nicely and the coming of the little daughter has proven a most pleasant occasion for all the members of the family. The mother is a daughter of Mrs. J. R. Hunter. The little daughter has been christened Ruth Ellen Hite.

SELETING JURY LIST

From Thursday's Daily—
The board of county commissioners were here today to look after a few matters of road work and this afternoon took up the task of selecting the jury panel for the forthcoming term of the district court and which will be placed in the hands of the district clerk for the purpose of drawing a jury for the May term of the district court. At this term of the court the remainder of the cases covering the indictments returned by the grand jury last November will be taken up and tried. There are several that are to come before the court.

APPLY FOR CITIZENSHIP

From Thursday's Daily—
Yesterday at the office of the clerk of the district court, Otto Frank Lau and wife, Ethel Gordon Lau, made application for citizenship. Mr. and Mrs. Lau are residents of near Weeping Water and Mrs. Lau is making application because of the law that makes the wife of an unaturalized citizen a citizen of the same country as her husband, despite the fact that she is a native born resident of this country. They were accompanied by Joan Carter and Daisy E. Smith to this city.

HOLD SAFETY FIRST RALLY

This noon at the Burlington shops a very large Safety First rally was held by the employes of both the mechanical and store departments of the shops. The meeting was addressed by Mr. Hahn of Chicago of the safety department of the railroad.
It is the policy of the Burlington to have these meetings frequently and to keep in touch with the problems that are met with in the shop routine where greater safety could be secured for the employes and the injury of the employes prevented or the destruction and damage of property. By means of the intensive educational campaigns of the Safety First department of the railroad in recent years, the injury loss has been greatly cut down and the showing one that has been most pleasing to the railroad.

BADLY CRUSHED THUMB

From Friday's Daily—
Walter Hickford, night foreman of the mill at the Meyer quarries met with a painful accident a week ago. He got the thumb of his left hand caught in the machinery and tore the end of the thumb and nail off, which makes a very painful wound. He has suffered very much with it, but has worked right along, not losing any time.—Weeping Water Republican.

The children find real delight in the Easter eggs that are sold at the Bates Book and Stationery store. Call in and see them.

VOTE ON REGENT

From Friday's Daily—
The Cass county voters were strong in their support of Earl M. Cline, former Nebraska City attorney and well known American Legion leader, for the position of regent of the state university from the First district. In the tabulation of the vote from the twenty-four precincts of Cass county the vote shows that Mr. Cline received 1,478 and Mrs. Dawsese 1,075, giving the former service man a majority of 403 for the office. On the face of the returns received at Lincoln, Mr. Cline seems to be a winner and will have this advantage on the fall election over his opponent.

COMMISSIONERS APPROVE BOND OF W. R. (REX) YOUNG

Appointee of Sheriff E. P. Stewart is Given Approval of the County Board at Meeting.

From Friday's Daily—
The board of county commissioners, who were here yesterday taking up a few matters covering the leave over from their session of last week, took up the matter of the appointment of William Rex Young as deputy sheriff of Cass county, which appointment was made some time ago by Sheriff E. P. Stewart.
The board approved the bond of Mr. Young for the office and fixed his compensation at \$55 per month.
It has been the understanding that Sheriff Stewart would have Mr. Young act as jailor as well as deputy which would allow him more compensation as well as the occupancy of the county jail building and the care of the prisoners that are confined there.
The jail at the present time is still occupied by former Sheriff C. D. Quinton and the attitude is taken by the county board that the securing of the possession of the jail for the new deputy was up to the sheriff of the county rather than to the office and the situation is left in this status by the action of the board, which has given approval to the appointment of Mr. Young.

MEETING OF CASS COUNTY LAWYERS

The lawyers of Cass county organized a short time ago for the purpose of pushing certain definite educational projects they will sponsor. C. E. Tefft, president, called a meeting at his office Monday afternoon. Judge Beeson, Mr. Duxbury, C. E. Martin and C. A. Rawls were out from Plattsmouth.
Owing to the fact that the school year is so nearly over, they decided to appoint committees for aggressive work next year.
They also decided on a picnic for the lawyers of the county and their families and friends, to be held in June in our city park.
The work they are planning to do is national in its influence. The work is organized in the nation, states and counties. The work is to interest the children of America in the constitution of the United States and other laws that govern them, its object being to make better citizenship in this grand old country of ours.—Weeping Water Republican.
