## U. S. RAIL LABOR BOARD IN CHARGE AT WAGE MEETING

Conference Broke Up in Disagreement—Employees Say Separate Conferences Under Way.

Chicago, May 14.—The United States railroad labor board assumed jurisdiction today over the wage question which was considered in conferences of the firemen's and engine-men's brotherhood with a general managers' committee representing virtually all class one carriers operating west of Chicago.

The concerted conferences terminated yesterday, representatives of the employees declaring that it signified their intention to return to their former policy of negotiations by individual systems.

David B. Robertson, grand president of the Brotherhood of Locomotive Firemen and Engineers, and Harry P. Daugherty, vice president of the Brotherhood of Locomotive Engineers, were on record as saying that no interruption of traffic was threatened and that separate negotiations by systems were to be resumed forthwith.

The action of the board was in response to an appeal made by W. M. Jeffers of Omaha, vice president and general manager of the Union Pacific railroad and chairman of the western general managers' conference committee. Mr. Jeffers asked the board to take jurisdiction now or be prepared to take jurisdiction later to avert possible interruption of traffic. The board is empowered under the law to assume jurisdiction when interruption of traffic is threatened.

Nearly all the general chairmen of engine service brotherhoods who were conferring with general managers here expressed confidence when they left in early and amicable settlements with the individual companies.

The rock upon which negotiations foundered was the question of revision in rules. The general managers' committee held that the revisions proposed, which involved monetary compensation in a number of instances, would not begin to offset the proposed increase, while the engine men held that it would more than wipe it out. Basis of payment of wage differentials and in certain cases, of overtime, as well as of compensation for extra duties, was involved in the proposed revision.

The large sum that is paid out for leases, the big investment that is made in sinking the well, all speak a spirit of confidence on the part of the White River Development company and they certainly are giving the fullest opportunity of seeing what lies ahead in the oil of Nebraska and the possibilities of finding oil.

The payment of the leases is being looked after by Mr. George L. Kerr, land representative of the company, and he is to see that the farmers will receive the sums due on the payment of leases.

**SOME CLAIM THE CHURCH HAS TOO MANY BISHOPS**  
Methodist General Conference Acts Looking to Reduction in the Number of Bishops.

Springfield, Mass., May 16.—The Methodist delegates who voted at the general conference today against a decrease in the number of bishops, tonight were considering a motion tomorrow for reconsideration of the vote.

Dr. David Downey, of New York, chairman of the standing committee on the episcopacy, today secured the tabling of a motion to recommit his committee's report with instructions to act so as to leave unfilled the five vacancies now existing on the board of bishops. This left four of these to be filled, eliminating one by a combination of the St. Louis and Wichita, Kas., areas with a bishop's residence at Kansas City, Mo.

The speakers preceding Doctor Downey agreed with few exceptions that the church was strifed with bishops, and the laity was demanding a cut in the overhead expense of the church through a lessening of their number.

Mora debate is expected tomorrow. The church's attitude on war will be discussed and determined upon in production of resolutions by the committee on the state of the church. A majority report recommends that the church "separate itself" from wars and refuse to take part in their prosecution. A minority report excepts from this declaration all wars fought "indisputably in self defense or in defense of humanity."

The defeated motion calling for recommitment, instructed the committee not to fill the places of five bishops made vacant by death or retirement in the last quadrennium.

"Is this a time to retreat?" cried Dr. David G. Downey, of New York, chairman of the committee. "In God's name I say 'no'." Appeals for confidence in the church's leaders, Doctor Downey swept the house from its feet as it was about to recommit the report.

Who are happier than the young high school graduates. A time in their lives never to be forgotten.

Of course, we don't let it worry us, but we often wonder what will take place when time is no more.

A great many fishermen would play golf if you had to sit on the bank and wait for a golf ball.

A Virginia boy who thought he could rob a man and get away with it will be 50 before he gets away, according to a judge.

By starting now, and studying three hours every night, you may be able to decide where to spend your vacation this summer.

Close to \$20,000 Will Be Paid Out in this County By White River Development Company.

From Thursday's Daily—  
The leasing of some 40,000 acres of Cass county farm land by the White River Development company, which is engaged at this time in the drilling of an experimental oil well on the E. W. Shrader farm, north of Nehawka, is bringing into this county quite a neat sum of money that will be paid over to the Cass county farmers while the oil company is carrying on their work here.

**Census of State Institutions Shows Great Many Inmates**

From Saturday's Daily—  
The latest census of the seventeen state institutions under the board of control shows 902 employees and 1921, there were 867 employees and 5,749 population in the same institutions. There are now 165 employees at the hospital at Hastings and 133 at the hospital at Lincoln. The Norfolk hospital has ninety employees and the institute for feebleminded at Hastings has 167 employees.

The population of the institutions as now reported is:  
Hospital at Hastings, 1,264.  
Hospital at Lincoln, 1,014.  
Hospital at Norfolk, 771.  
Penitentiary, 591.

**Raise Neat Sum Among Membership for Meeting**

From Friday's Daily—  
In a comparatively short time the committee looking after arranging the entertainment for Bellevue visitors here next Thursday night has succeeded in raising nearly \$50 for this purpose from among American Legion members only. As this sum is not sufficient to cover the expense, the committee advises the list will be held open longer in the hope of being able to raise a sufficient amount so that no funds from the post treasury will have to be disbursed for the occasion.

The entertainment will include a public meeting and dance at Coates hall and a feed for all Legion members at the club rooms and all who feel like contributing should see Chairman Lugsch or Commander Holly at once.

The Bellevue Legionnaires will be here seventy-five strong and if it is desired to give them an entertainment they will not soon forget and one that will send them back boosting for Plattsmouth and our brand of hospitality.

## WEDDING OF WELL KNOWN LOUISVILLE FOLKS WEDNESDAY

Ross Nichols and Minnie Wegener Married at Glenwood, Iowa —To Live in Omaha.

Another popular young couple of Louisville joined the ranks of the married on last Wednesday afternoon when Miss Minnie Wegener became the bride of Ross Nichols at Glenwood. They were attended by Herbert Worthman and Miss Valline Nichols, sister of the groom.

After the ceremony, the bridal party returned to Louisville where a sumptuous wedding dinner was served at the home of the bride's mother, Mrs. Rosine Wegener, at six o'clock in the evening. The house was beautifully decorated in pink and green while the same color scheme was carried out throughout the dinner. The bride presented a very festive appearance, pink and white roses filling the atmosphere with sweetness. The bride's youngest sister, Miss Dora Wegener, and Miss Minerva Worthman, sister of the best man, did the serving of the elaborate dinner with grace and skill. The delicious wedding cake was made by Mrs. Ralph Meisinger, sister of the bride.

Only the immediate relatives of the bride and groom were present on this occasion. Later in the evening, they were given an old fashioned church service at another token of their popularity and the senders were treated generously, leaving after extending their congratulations and giving the beautiful bride several hearty cheers.

The wedding gown was simply cut in graceful lines and was of cinnamon brown Canton crepe with shoes, hose and hat to match.—Louisville Courier.

**HAS NARROW ESCAPE**  
From Saturday's Daily—  
Martin Stohman, son of Mr. and Mrs. Andrew Stohman, has an experience that Friday when a two-year-old bull that came near costing him his life.

As has been his custom, he went to the pasture to drive home the milk cows when he was attacked by the herd bull and knocked down two or three times, but managed to escape behind some small trees. His father saw his plight and arming himself with a heavy club ran to his assistance. The boy and the enraged animal were fully a quarter of a mile from the house and Mr. Stohman ran the entire distance and was almost out of breath when he arrived at the boy's side.

A heavy blow on the head of the brute checked his onrush long enough for him to escape through the fence. The animal was so enraged that he followed them along the pasture fence to the house. Mr. Stohman at once called George Kraft, a neighbor who came with his truck and in less than two hours the animal was on the Omaha market. The boy was slightly injured, but he surely had a very narrow escape.—Louisville Courier.

**Start Work on the New Masonic Home Boulevard**  
From Saturday's Daily—  
The new boulevard that is to be constructed across the grounds of the Nebraska Masonic Home in the northwest portion of the city, is now under way, as the first work was commenced today to get the boulevard as far advanced as possible by the time of the coming of the grand lodge here in June and the laying of the corner stone of the new infirmary. The city is also placing a large number of the large sized tile in the bed of the small creek and when they are covered and the ditch eliminated a great improvement will be noticeable in that part of town.

Gradually the old creek bed that once ran underneath where the Elks club house stands across to the corner of Fifth and Main and was spanned by a bridge there in the early days, is being converted into an underground sewer to the very outskirts of the city and soon a level landscape will be the result.

## LINCOLN LADY GIVES FACTS IN HER CASE

Tells How She Overcome Stomach Trouble and Nervousness —Gives Tanlac Full Credit.

"If I could, I would personally tell every weak, run-down person in the land about Tanlac," is the enthusiastic statement of Mrs. J. Buetgenbach, 509 South 9th street, Lincoln, Nebraska.

"Before I took Tanlac, stomach trouble and nervousness had terribly undermined my strength. I could hardly digest a thing and I had spells of nervousness, dizziness and weakness that were almost unbearable. Finally my digestion and nerves just seemed to go back on me entirely and I was almost exhausted from weakness and suffering."

But Tanlac has changed everything for me. It gave me such a wonderful appetite that I laughingly told my husband he wouldn't be able to feed me. And I now have a fine digestion, too; in fact Tanlac has ended these troubles and brought me good health and I can't say too much for it. My husband and brother-in-law have also taken Tanlac with splendid results."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

**BOTH DEPOTS MAY BE MOVED BY ROAD**  
Rock Island Secures Permission to Effect Economies at South Bend and Meadow.

From Thursday's Daily—  
The Rock Island railroad company was given permission Wednesday by the state railway commission to move its depot at Meadow 1,800 feet from its present location to a point where there is now maintained a tower at the Burlington crossing. Mrs. Uhlak was seventy-six years of age, having been born in Bohemia August 15, 1848, and at the age of twenty-five years was married in her homeland to Mr. John Uhlak. To this union were born nine children, seven of whom have preceded the mother in death. Mr. and Mrs. Uhlak came to Plattsmouth forty years ago and have made their home here continuously since that time, the husband being employed in the shops here and the wife with the care of her family and later being called upon to rear with tender care two of her grandchildren who have always made their home with her.

To survive the passing of this worthy lady there remain and husband and two daughters, Mrs. Lillian Reamer of this city and Mrs. Annie Coleman of Glenwood, Iowa, as well as eight grandchildren. The deceased lady was a lifelong member of the Roman Catholic church and the late rites will be celebrated in that faith at the Holy Resurrection church on West Pearl street at 10 a. m. Friday conducted by Rev. Father M. A. Shine and the interment will be made at Oak Hill cemetery beside the bodies of her two sons.
