U. B. Thrifty says

When a man has done the best he can to provide for the protection of his business and the support of his loved ones, his mind is free and this enables him to do more work and better work.

Life insurance, plenty of it, is a peace promoter. Life insurance promotes peace of mind in the daily living and softens the blow when the policy holder is called to join the Choir Invisible.

A life insurance policy is the very best evidence of keeping the faith with creditors and is the very highest type of love letter to those who are dear.

Mrs. George N. Nickles has been feeling quite poorly for the past few days and has been kept to her home on account thereof. Her many friends are hoping that she may soon be restored to her usual good health.

Messrs. W. H. Wehrbein and W. G. Boedeker were unfortunate in that they sustained the loss of one

On last Tuesday Mr. and Mrs. John Hobscheid and Dr. J. E. Brendel went to Omaha, where Mrs. Hobscheid entered a hospital where she underwent an operation for relief of an ailment which has been troubling her in the shape of a tumor near the spinal column, and which she withstood in nice shape and at the time of the return of the gentlemen in the afternoon, had recovered from the effects of the operation and was doing nicely.

Mrs. Hobscheid will have to remain at the hospital for some time awaiting convalescence.

Uncle C. H. Boedeker Home

Last week occurred the return of Mr. C. H. Boedeker, who has been in the hospital for a number of weeks following a fall from a tree which he was trimming and which resulted in the breaking of a leg and arm and other bones and which are at this time healing nicely.

Mr. Boedeker has had a very severe time during his stay at the hospital, but is now able to get around slowly and it is hoped that he will soon be well again. His many friends here are sure glad to see him home once more.

The Red Ball Highway Now

Mr. W. G. Boedeker received last Tuesday morning notification from the state officials in charge of the highways of Nebraska, of the adoption of the Red Ball highway as the official name for that portion of the road from east of Murray to south of Elmwood and instructing the committee in charge of the matter that they should make arrangements for the road at any time they desire.

NOW SHOWING IMPROVEMENT

Robert Will, who was injured quite severely a week ago when he fell against a large oil tank and injured his back, is now reported as doing as well as could be expected but is still confined to his bed at the farm north of this city and will probably have to remain there for several days yet before he can be up and around.

Bob feels that it was hard luck to go through the world war in France without injury and then to have a lowly oil can inflict such serious damage on him. His host of friends will be pleased to know that he is doing so well and trust that he may continue to show improvement until he is once more able to be up and around as of old.

IS A REAL MAN

One of the largest babies that has made its appearance here in the last few months has arrived at the home of Mr. and Mrs. Haywood Ellinger on last Saturday and that the arrival is a real man can be judged by the fact that he tipped the scales at 13 pounds. The parents are feeling very proud over the new arrival and the occasion has also proved very pleasing to Grandma Higley, who is very proud of her new grandson.

J. J. Adams and wife and son, Archie Adams of Sheridan, Wyoming, who have been visiting at the Shriner's meeting at Kansas City, are here for a short visit with relatives and friends for a few days. They are making the trip by auto.
