SOMEBODY LOSES STILL

In the debris cast up from the effects of the high water in the creek along Chicago avenue is one of the present day household necessities and is probably being mourned very deeply by the late owner and this is nothing less than the business end of a still which had evidently been at some time steaming away in the preparation of what the southern mountaineers would term "mountain dew" but which is better known here as "corn" or "hootch."

WORK ON NEW MASONIC HOME IN-FIRMARY TO START

Equipment and Material is Being Placed on the Ground for Active Construction Work

From Saturday's Daily—The work on the new infirmary addition to the Nebraska Masonic Home in this city is to start in full blast in the next few days, weather conditions permitting, and will be rushed to completion in as short a period of time as possible.

The contract between the Masonic Home board and the firm of Wind & Hyde, Omaha contractors, was signed yesterday in Omaha by James M. Robertson as president of the Home association and formally closes the proceedings leading to the active opening of the work on the new infirmary.

The building will be covered by the estimate of \$125,000 made in the appropriation and will be one of the most complete and modern buildings of its kind in the state when it is finished and will enable the Home association to handle a great many more cases where the applicants are sick and in such shape as to need hospital care and constant attention. At the present time many such cases are necessarily handled in hospitals over the state and can, when the new building is completed be handled most satisfactorily here.

The starting of the work will make one of the largest building enterprises in the city in the year 1924 and will furnish a great deal of employment during the season as the work is pushed to completion.

QUARRY ACCIDENT FATAL

The injuries received by Lauren B. Kilgore, at the National Stone quarries at Louisville last Tuesday afternoon had a fatal termination yesterday at the hospital in Omaha when Mr. Kilgore passed away.

The deceased man had his ankle broken when a large section of rock and clay fell on him while he was working in a tunnel at the quarry and the fatal injuries were caused by internal troubles that came as a result of the accident.

Mr. Kilgore was forty-nine years of age and is survived by his widow and two children, Edward Kilgore of Detroit, Michigan and Mrs. Thelma Lee of Murray. The body is to be taken to Louisville for interment.

OCCUPYING NEW APARTMENTS

Mr. and Mrs. John Fassbender have moved their household goods here from Omaha and are now occupying apartments in the Kautz Apartment building, Mr. Fassbender and his son Leo Fassbender will open an undertaking establishment on Central avenue soon. They will occupy the building made vacant by Siches Toggery. Leo Fassbender is on his way here from Chicago driving a new hearse but has been held up along the way by bad road conditions.—Nebraska City Press.

RETURNS FROM HOSPITAL

From Saturday's Daily—Bert Coleman and wife, who have been spending several weeks at the Mayo Brothers hospital in Rochester, Minnesota, have returned home. The many friends are well pleased to see that Mr. Cole is looking so well and that he has come through his operation in the best of shape and seems now well on the highway to complete recovery. Mr. Coleman was troubled near the past year or two with a double internal goitre and to remove which made necessary an operation at the Mayo hospital and the result has proven the most satisfactory.

Suffers Heavy Damage to Corn and Small Grain

From Saturday's Daily—The farm of Edward Fitzgerald, two miles south and one west of Mynard has been a sufferer from the heavy storms of the past few weeks and as the result a great deal of the work and labor of preparation for the corn crop has been wiped out by the excessive rains and will require a great deal of the corn being replanted and some of this will be for the third time this season.

The oats in the field also suffered very much and a large part of these are flat on the ground and may prove a total loss to that portion of the crop. This is the first season that Mr. Fitzgerald has been on the farm and the destruction of the elements is very discouraging to the efforts of himself and son, Edward, who is assisting on the farm.

POPULAR NEHAWKA COUPLE IS MARRIED AT CLATONIA, NEB.

Melvin Sturm, Well Known Young Farmer and Miss Grace Steinmeyer Wed.

From Saturday's Daily—Melvin, the oldest son of Mr. and Mrs. H. P. Sturm was united in marriage Thursday afternoon to Miss Grace Steinmeyer at Clatonia, Neb.

Mr. Sturm grew to manhood in Nehawka and is well known and respected by everyone in the community. He farmed with his father until this spring when he secured a farm at a short distance south of Douglas, where he is now farming for himself. He has a fine farm home to which he will take his bride immediately following the ceremony.

The bride, while not a Nehawka lady, is also well known here, having taught in the school of this place the past two years. She was considered a very proficient instructor and has made a host of friends here through her pleasant personality.

Miss Ethel Albert, a cousin of the bride, who has also taught two terms of school here acted in the capacity of bridesmaid, while Gail, a brother or the groom was the best man.

Several from this place had expected to attend the wedding but owing to the heavy rain and storm of last night were unable to do so. Gail Sturm left here Wednesday evening as did Mr. and Mrs. Wunderlich. Chester Stone left Nehawka on the early morning train, hoping to catch the latter couple en route and continue the trip with them. We assume they were successful in reaching their destination.—Nehawka Enterprise.

Big Fireworks Display the Night of July Fourth

Among the notable features at the big Fourth of July celebration at Plattsmouth will be the fireworks display in the evening. This display, purchased at a cost of several hundred dollars and embracing the latest the market affords in this line will be fully up to the standard of the famous Fourth of July displays, although not of course of so long duration. The display was bought with an idea of quality rather than quantity, and will take fully an hour to fire. It contains ten big set pieces, including the grand finale of a large American flag that will be visible from a great distance, and a miniature European battle. Although this last feature will necessarily be of short duration owing to the great expense of the high explosives used, during the few moments it is continued, the spectators will be given all the thrill of the real thing which cost the nation of the world millions of dollars a day to produce.

Another new set piece with a fire frontage of 40x40 feet is also included in the display, it being similar to the old Niagara Falls park display, much in use at exhibitions during the past few years. This feature is known as the Mystic Alladin's Fabled Jeweled Tree and is embellished with all the rich flaming colors of the spectrum.

One of the most beautiful of the set pieces will be Golden Harvest, a 15x50 foot set piece, its waving fields of shimmering gold fires being plumed with scintillating grains of golden beauty.

A massive red cross will bring vivid recollections of the war days and the splendid service this organization performed.

There will be a profusion of rockets, bombshells and aerial displays, including high candle-power aerial lights used during the war to lend daylight to "No Man's Land."

The display is ordered from the Martin's Fireworks company, of Fort Dodge, Iowa, one of the leading manufacturers in the middle west, and the blue prints will be in advance, the lumber secured and the frames made ready so that the set pieces can be placed in position on the day of the celebration, ready for firing that night.

Just preceding the display, which will begin at 9 or 9:30 o'clock, the Weeping Water band will play an hour and a half's special concert.

HAVE PLEASANT TIME

From Saturday's Daily—Last evening following the business session of the M. D. A. and the auxiliary of the order the members of the party spent the time most delightfully in dancing, the music being furnished by the orchestra under the leadership of Peter Gradoville and the merriment and fun continued until in the morning hours.

SHOWER FOR JUNE BRIDE-TO-BE HELD FRIDAY AFTERNOON

Misses Helen Wescott and Marion Mauzy Give Shower for Miss Gladys Hall Friday.

Yesterday afternoon "Sunnyside," the Wescott home on High school hill, was the scene of a very delightful gathering of young ladies of the city and the occasion was in honor of Miss Gladys Hall, who is to be one of the June brides in this city.

The rooms of the home had their natural charm enhanced by the decorations in a color scheme of pink and white, pink peonies and pink roses furnishing a pleasing touch to the decorative plan while on the tables the tall pink candles added their charm to the attractiveness of the scene.

During the afternoon the guests were provided with pencil and paper and requested to draw a plan of the future home of the bride-to-be and in this there were many very excellent designs submitted and the prize design was voted to be that of Miss Edith Yelk.

As the chief feature of the afternoon the gifts were hidden over the house and the bride-elect requested to search out the several attractive presents and unwrap them while the members of the party gathered to assist her in the pleasurable task.

At a suitable hour the hostesses served a very dainty and tempting luncheon that was very much enjoyed by all of the party and which served to complete the most delightful occasion.

Long May It Wave o'er Land of Free and Home of Liberty

The birthday of the flag was observed today over the city by the flying of the national colors, which have in the present form been the national emblem since the acceptance of the design by the Continental congress and the submission of the design to Mrs. Betsy Ross who will have the honor in history of having made the first flag that was to stand as the expression of a great nation and
