

Alvo Department

Some business matters called P. J. Lynch and Arthur Dinges to Lincoln last Wednesday.

Mr. Dennis Finney of Lincoln was a visitor at the home of his mother, Mrs. Willis Whitney for a few days last week.

Ray Clark and wife were visiting for the day at the home of Fred Clark at University Place on last Wednesday.

Mrs. M. L. Thomas of Pond Creek, Oklahoma, formerly of Alvo, is visiting for a few days at the home of Mrs. C. H. Kirkpatrick.

Mrs. Herbert Smith of Lincoln was visiting her mother, Mrs. Charles Eickman, and sister, Miss Carrie Eickman.

Bert Metz and wife of University Place were visiting last Sunday at the home of the parents of the latter, Mr. and Mrs. A. I. Bird.

Miss Dentie Hopkins of Lincoln has been visiting here for a few days at the home of her cousins, Mr. and Mrs. Ralph Hopkins, of Alvo.

R. M. Coatsman took a load of mixed-stock hogs and cattle to the South Omaha market on last Wednesday for Frank C. Cook and Carl Lewis.

Mrs. George Wolfe, of Lincoln, and Mrs. Ella Prouty and son, Arthur, of Falls City were visiting for a few days last week at Alvo with their friends.

Louis Herman was at Omaha a few days since with a load of hogs that he had taken to the market by Mr. John Skinner, who is working for R. M. Coatsman.

Samuel Humphrey has moved to the Snaveley property in the eastern portion of Alvo, while Mr. Hopkins is living at the hotel property next to the bank.

Miss Aurel Foreman, who has been attending the state university at Lincoln for the past year, returned home last week, and is spending her vacation here.

Editor of the Palmyra Items, Col. C. E. Witherow and his wife, were visiting here last Sunday, spending the time at the home of Mr. and Mrs. J. W. Banning.

C. D. Ganz and wife were in attendance last Thursday evening at the banquet given by the alumni of the Dunbar high school of which Mr. Ganz is a graduate.

Mrs. Joe Armstrong and Miss Della Sutton were last week visiting in Omaha for a day and also stopped on their way home and visited at the home of friends in Greenwood.

Art Dinges, who believes in his line, which is Ford cars, went to Lincoln one day last week and drove a new Ford roadster home for the use of Mrs. Dinges and himself, and we think he made a good selection.

Miss Minnie Rueter, who has been visiting at St. Paul for some time, and who only a short time since returned home, is at this time visiting at the home of her brother, Fred Rueter and family southwest of Alvo.

O. T. Fischer, who recently moved to the neighborhood of Alvo, has a three-legged chicken which hatched from a setting of eggs, and which he was thinking of taking to the museum at Lincoln, but the critter up and died.

Mrs. Frank E. Cook is visiting at Weeping Water at this time as a so-called her father, W. A. Davis, who has been staying at the farm for some time. During the absence of Mrs. Cook, Uncle George Cook is the cook at the farm.

Mr. and Mrs. W. O. Boyles, drove over from Lincoln to visit with relatives and friends in Alvo, and while here Mr. Boyles had some business matters to look after and also Mrs. Boyles attended the Alvo Woman's Reading club meeting, as a visitor.

Mr. and Mrs. D. H. Simpson, of Barnard, Kansas, arrived in Alvo for a visit of some time at the home of their son, W. Simpson and family. On their return they were accompanied by Mr. Simpson and family, who will visit in Kansas for some time.

J. W. Kallmeyer departed one day last week for St. Louis, where he went to look after some business matters for an estate of their relatives, the mother of Mrs. Kallmeyer having recently died there. Mr. Kallmeyer will be away for several days.

Messrs. Ralph Snaveley, son of Lee Snaveley, living south of town, and Dick Fisher, while in the fields a few days since ran across a pack of young coyotes, and captured three

of the flock, while the others made their escape. They were tickled over the capture.

The Board of Education of Lincoln made a purchase of some 3,000 feet of hardwood lumber of Mr. H. S. Ough, which they brought trucks from Lincoln.

They are expecting to make further purchases of the lumber which is used in the manual training department of the Lincoln schools.

Ralph Hopkins has purchased the interest in the restaurant which was formerly owned by Sam Humphrey, while Mr. Humphrey has taken over the dry line and this makes two firms where there were but one in the past. This also enables both the parties to look after their respective lines to better advantage.

The Woman's Reading club of Alvo met at the pleasant home of Mrs. Joseph Parcell on last Thursday evening, at which time there were a large number of the Alvo ladies and a number from out of town present.

Mrs. Edward Casey was down and attended the meeting, being accompanied by Mrs. Casey, who was looking after some business matters and will make some repairs at the house on his farm near Alvo, putting a new foundation under the structure.

The Board of Education of the Alvo district at their last meeting were busy with the things which demanded their attention and among other things secured the services of Miss Martha Hedar, of Johnson, who will have charge of the musical instruction of the school during the coming year.

They secured the services also of Miss Marie Prouty, who will be the assistant principal. Miss Prouty was teacher at the Chadron school during the past year and she made a most efficient instructor and we are certain will do equally well in the Alvo schools the coming year.

The committee of business men having the matter in hand on last Thursday arranged a seating capacity for over five hundred people who come every Saturday evening to enjoy the music which the business men of Alvo are putting on.

Making Hay While Sun Shines

Last Thursday we chanced to come along by the alfalfa field of Oscar Kitzel, when the full force were working. Oscar was doing the raking act while Louis Herman was cutting the hay on the stack between telling stories which kept the others in an uproar. W. W. Coatsman and Lee Snaveley were bucking the hay and Fred Reuter and O. T. Fischer were doing the stacking. The subject drifted to snakes, and when a certain bundle of straw on the stack that contained a dark colored weed, Fred Reuter yelled, "There is a snake, whereupon Mr. Fisher let loose of his fork and jumped off the stack yelling like a Cavanaugh Indian. Upon alighting he started to run and did not stop until he had gotten a mile away and one of the boys had to go after him with an auto. This matter of scaring people has its funny sides and also serious ones as well.

Enjoyed a Good Time

The Farmers Union held a county convention and a general picnic at Alvo, holding the meetings in the auditorium of the Alvo schools, and there were in attendance a very large and much interested representation from over the county. A program was rendered which was well worth while and which was punctuated with many points which if applied would assist materially in the betterment of conditions in the farming community. Hon. E. M. Pollard, former congressman from the First district in congress was the principal speaker.

Show her the New Bride

At the home of Mrs. Jesse Hardnock was held a most pleasant gathering last Wednesday afternoon, when the friends of Mrs. Glen Demmitt, formerly Miss Mildred Mickle, did honor to this excellent young lady when they gave her a miscellaneous shower, in which they also provided a most pleasant afternoon for her and themselves. The bride was the recipient of many very useful and beautiful presents which she will cherish for a long time.

NEW SON ARRIVES.

From Friday's Daily—

The home of Mr. and Mrs. George McFarland in this city is rejoicing over the fact that a fine little son and heir has arrived there to make his home in the future and with the mother the little one is doing very nicely.

GOLFERS GOING TO AUBURN FOR THE DIST. TOURNAMENT

From Thursday's Daily—

The golfers of this part of the state are turning their eyes toward Auburn, where the Southeastern Nebraska Golf Association will stage its second annual tournament on the course of the Auburn Country club, one of the best courses in the state, and the event is one that will be very largely attended.

Secretary Ed Fricke of the Plattsmouth Golf club is anxious to get in touch with all the local players who are planning on attending the tournament and get them lined up properly for the qualifying rounds which are to be played on Sunday and Monday, June 22 and 23. The active play starts on Wednesday, June 25th, and will continue on the 26th and 27th, with the finals to be played on Sunday, June 29th.

The association has arranged for prizes in the seven main events of the tournament, with first and second prizes, while a consolation flight for each of the events has also been arranged that will give prizes for the contestants.

The finals will be for thirty-six holes and the play will start at 8 o'clock in the morning as on the other days of the tournament.

There will probably be a very large number of the Plattsmouth players in attendance at the tournament and among these will be Postmaster J. W. Holmes, who wields a wicked club, Dr. R. P. Westover, one of the best of the local players, A. W. Clouid, and several others of the enthusiasts who are among the most consistent players of the local club. With the weather conditions permitting there should be a large number from here motor to Auburn for the opening rounds and the finals at least.

IMPROVEMENTS AT THE GOLF COURSE

From Thursday's Daily—

This morning the stork paid a visit to the Mike Hula family and left with them a fine seven and a half pound daughter, who with the mother is doing very nicely. Mrs. Hula and little daughter are at the home of Mrs. Hula's parents, Mr. and Mrs. John Jirousek in the south part of the city, coming here for a visit from Scandia, Missouri, and the little lady having the honor of being born in the state of Nebraska.

A PLEASANT EVENT

From Thursday's Daily—

The Eagles band are arranging to give a benefit dance at Coates hall on Wednesday evening, June 25th, and the proceeds of which will go toward the securing of equipment for the band for the coming season. The band has arranged for a special orchestra for the occasion that will give the best of music and prove a real hit in the dancing line for those who delight in the pleasures of the latest and most popular dances.

TANLAC A BLESSING, DECLARES MRS. DIETZ

"If It Didn't Save My Life, It Has Certainly Given Me Back My Health."

"If Tanlac has not actually saved my life, it has certainly given me back my health, and I shall never stop praising it," recently said Mrs. George E. Dietz, 533 So. 11th street, Lincoln, Nebraska.

"For months, I had suffered dreadfully from indigestion, pains around my heart, smothering sensations and

dizzy spells, and was in as bad health as one could be and still keep going. I was nervous almost to distraction, so thin, pale and weak that I was just a shadow and I thought my days were numbered.

My brother urged me to take Tanlac and the very first bottle made a great change for the better. Now I not only have my health and strength back but my weight has actually gone up 16 pounds. Tanlac was indeed a blessing to me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.
