The Music Will Be Furnished by the Gradoville Orchestra!

### Everybody Welcome

ADMISSION

Gents 75c; Spectators 35c; Ladies 25c—tax included.

#### PLATTSMOUTH LISTENS IN.

From Wednesday's Daily—The Plattsmouth people who were fortunate enough to own radio sets were able to enjoy the great democratic convention at New York and not suffer the inconvenience and heat of the great gathering as the proceedings of the convention were sent over the air from the hall and it required only the vision of the great gathering by the listener in to participate in the proceedings.

that gathered in front of the store and head the address of the Montana senator that was plain and straight forward and while lacking the flowery eloquence of the distinguished Mississippian was a great denunciation of the condition that exists today and the corrupt condition of the government into which the senator had been investigating.

#### IMPROVEMENTS GOING ON.

At the drug store of Weyrich & Hadraha, the convention proceedings were received over the large super set of Mr. Weyrich and recorded in detail every move of the convention.

The building owned by Attorney D. O. Dwyer in the block between Fifth and Fourth street on Main, is being given an overhauling and general clean-up that will make it one of the best buildings in the city. Mr. Dwyer is having the upper portion of the building remodeled and changed so that it will give him one of the best office rooms in the city. The lower floor of the building that is occupied by the Morgan Sweet Shop is to have a new front placed that will be strictly up to date and will be a very attractive addition to the business section of the city.

## CHRISTIAN CHURCH HAS CONVENTION AT ELMWOOD SUNDAY

Meeting at Elmwood is Largely Attended From All Parts of the County by Members.

From Monday's Daily—The convention of the Cass County Christian Church association was held yesterday all day at the pleasant little city of Elmwood and called there many of the members of this religious faith to participate in the splendid program that had been arranged, and from the addresses and informal conferences a great deal of good for the church over the country was accomplished. The pleasant weather of the morning permitted a large number attending from all sections where this faith has an active church organization, altho the delegates and representatives from the eastern portion of the county were compelled to return before the evening session owing to the threatening storm clouds.

At the morning session the members of the association were welcomed by Rev. Hay of the Elmwood church and to which the response was made on behalf of the association by Cyrus Livingston, the president of the association. The devotional service was in charge of Rev. W. E. Going of Louisville and was followed by the communion to all of the members present. The sermon at the opening session was by Rev. Ray Bradley of Weeping Water who spoke on "The Power of the Gospel," and was a well delivered and inspirational address.

During the noon intermission, the members enjoyed a fine picnic dinner and the opportunity of having a social hour with each other, which added a great deal to the pleasantness of the gathering. At the afternoon session there was a short song service and the members then had the opportunity of hearing three very pleasing addresses along the line of the church work. Rev. Hay, of Elmwood, spoke on "Good Citizenship," Rev. Walter R. Robb, of Plattsmouth, on "Young People's Work," and Rev. Goings, of Louisville, on "Evangelism," and each of these was thoroughly appreciated by the large number that were in attendance.

At the evening session there was a Christian Endeavor hour and a short song service and the main address delivered by L. C. Oberlie, one of the leaders in the church work in the state and a representative of the state government, as he has been very active in welfare work in the state for years and at this time occupies a prominent place in the management of the various state institutions.

At the election of officers for the ensuing year, Cyrus Livingston, of Weeping Water, was named as president; Lewis Laune, of Greenwood, vice president; J. B. Goodridge, of Elmwood, as secretary and treasurer, and O. Hudson, of Plattsmouth, as superintendent of the Sunday school work in the county.

There was a diversified number from all parts of the county in attendance, thirty from Weeping Water, twenty from Plattsmouth, fifty from Elmwood, sixteen from Louisville, twenty-five from Greenwood, eighteen from Avoca, six from the vicinity of Manley and one from Murray.

#### PUBLIC PROPERTY HARD HIT

The flood of ten days ago not only damaged private property but got in its share of damage on the public property coming within the jurisdiction of the city park board.

The worst damage was that done at the ball park where the sweeping waters bore down upon the fencing along the west side of the park and leveled it to the ground.

The fence had stood for a good number of years without much attention or replacement and many of the posts supporting it were rotted at the ground, leaving it weak and unstable to stand the force of the water.

Out of the limited funds at its disposal the park board will have the fence repaired in the best manner possible, but any work of substantial replacement must be done with funds received from other sources.

In addition to the destruction at the ball park the park board had a great deal of the dirt in its triangle park along the avenues washed out in the flood, together with the flowers that had been planted there, and which will require considerable expenditure to replace.

The repairs at the ball park and the retiling of the triangle plots on the avenues will be undertaken before the 4th of July.

The park board is also arranging to install trash receptacles in both the Garfield and Washington parks, for the use of tourists and picnickers who are wont to scatter things around pretty much at present.

#### GOLFERS TO AUBURN

From Monday's Daily—Yesterday morning the sunshiny skies lured the lovers of the great game of golf out into the open, and a party of the Plattsmouth golf boards early in the morning loaded themselves in their autos and headed southwards with Auburn and the southeastern Nebraska golf tournament as their goal. The qualifying rounds are being played there yesterday and today and a number of the Plattsmouth sharks are going to make a try at the honors of the tournament. Among those who made the trip were George O. Dovey, A. W. Cloud, J. W. Holmes, Ed Fricke and Dr. R. P. Westover and the plays at the fast Auburn course was very much enjoyed. The tournament will take a rest on Tuesday and play resumed on Wednesday and the finals will be played on next Sunday according to the dope from the Nemaha county city.

## MURDOCK TEAM HAS STIFF DEFEAT HANDED TO THEM

Plattsmouth Ball Team Cleans Up by Score of 16 to 0 Yesterday Afternoon at Murdock

From Monday's Daily—Some twenty-five years ago there was a good deal of talk about the ratio of 16 to 1 in these parts, but yesterday afternoon at Murdock, the Plattsmouth aggregation of baseball artists proceeded to establish a new ratio of 16 to 0, without the consent, but with the aid of the Murdock baseball boys.

The game was much one-sided and the poor playing of their opponents was largely responsible for the large score annexed as there were a number of very costly errors made by the Murdock team that allowed the dwellers along the Platte to sneak in their scores.

The team that faced the Plattsmouth team was one recruited from the northern and western part of the county and the players were evidently unused to playing together to any extent and those who attended the game were unable to locate but one of the Murdock veterans in the lineup and this was Lacey McDonald, who played a good game for his team.

For the local team Joe McCarty did the hurling and was able to keep his rivals from doing any serious damage to the ball and his generally strong game was a very great factor in getting the win from Murdock. The team as a whole played a good game and kept up their record of the season, which has been that of one of the best teams that the city has had for a long time.

The Murdock team proved a fine bunch of ball players and it was a very great pleasure for the locals to have been able to visit this fine little city and assist in entertaining the fans.

## POOL HALL AT MANLEY IS BROKEN INTO

Burglarized Saturday Night and Small Sum of Money and a Quantity of Cigarettes Taken.

Sometime after the closing hour of Saturday morning, the pool hall at Manley, operated by Richard Pickard, was the scene of a small burglary that resulted in the parties minking away with a small sum in cash and a quantity of cigarettes which doubtless will furnish the robbers with plenty of smokes.

The robbery was reported yesterday morning and Sheriff E. P. Stewart and County Attorney J. A. Capwell motored out to look over the situation but as several hours had elapsed after the robbery there was no trace to be found of the parties committing the crime. The pool hall was entered by removing a glass from one of the rear windows and thus permitting the party or parties to enter and make a search of the premises and locate what they desired in the way of loot.

As far as could be ascertained by Mr. Pickard the chief loss was 3,000 Camel cigarettes, \$12 in money and what the robbers had secured by smashing a coin machine that had been placed in the pool hall and the contents of which was taken by the night callers.

As the town has no night watchman the loss was not discovered until Sunday morning and by which time the party pulling the robbery had ample time to get into the clear.

#### PASTURE FOR RENT

Good bottom land pasture. Best of terms. Call Mrs. Irene Bengon, phone 1931. Murray telephone —4tw 1td each week.

Mrs. Ione Dovey Betts departed this morning for North Platte, Nebraska, where she will enjoy a visit at the home of her brother, Dr. E. G. Dovey and family and spend some time in the western portion of the state.

John H. Palacek was a passenger this morning over the Burlington for Omaha to attend to some matters of business for a few hours.

## PASSING OF REV. TAYLOR KELSEY SURFACE AT YORK

Long Time Pastor of the United Brethren Church and Resident of This County.

Taylor Kelsey Surface, son of Rev. Jacob and Mary Surface, was born March 11, 1862, at Thurman, Iowa, and departed this life at his home at 800 East 8th street, York, Nebraska, June 7, 1924, at the age of 62 years, 2 months and 27 days.

He was united in marriage to Ada M. Fletcher on November 4th, 1885, and to this union were born seven boys and three girls. Two sons preceded him to the better world, Ralph who died in infancy and Wayne who died at the age of 17 years. His wife and the following children survive him: Lulu L. Myera, York; Lyman J. Surface, Norfolk; Forrest C. Surface, Silver Creek; Vera B. Hutchison, Central City; Elmer D. Surface, Guthrie, Minnesota; Arthur L. Surface, New York City; Merrill W. Surface, Central City, and Marcella M. Surface, York.

All the children were present at the funeral services which were conducted from the City of York, Nebraska, at 10 o'clock, June 11th in charge of Reverend A. P. Vannice, superintendent of the U. B. churches of Nebraska, assisted by Rev. C. L. Young, pastor of the York church. The scripture lesson read in the services was the 96th Psalm and the text 1st Corinthians 15:55-70. "O death where is thy sting? O grave where is thy victory? But thanks be to God which giveth us the victory thru our Lord Jesus Christ."

Three of his favorite gospel hymns "Safe in the Arms of Jesus," "All the Way My Savior Leads" and "My Jesus as Thou Wilt," were beautifully rendered by Dean Charles H. Amador, Mrs. Amador, Rev. Wimmer and Mrs. Earl Caldwell.

Brother ministers acted as pall bearers: Rev. P. H. Schell, York; Rev. T. Savery, Shelby; Rev. S. M. Snider, Lincoln; Rev. A. R. Caldwell, Luskton; Dean C. E. Ashcraft, York College and Rev. Ivan Jenkins, of York.

Out of town relatives were: Rev. S. E. Surface, Lake View, Iowa; G. W. Surface, Thurman, Iowa; P. E. Surface, Coleridge, Nebraska; Mr. and Mrs. Clarence Surface, Thurman, Iowa; Dr. J. W. Hutchison, Central City; Mrs. F. C. Surface, Silver Creek; Mrs. L. J. Surface, Norfolk; Mr. and Mrs. Thomas McQuinn, and E. A. Fletcher, Union, Neb.

Rev. Surface was converted in early boyhood, became an active Christian as a youth and from this beginning felt the call to Divine service. He was in the active ministry for 40 years and at the time of his resignation from his last pastorate, May 1st, 1924, at Elba, hold the longest service record of any minister in the Nebraska conference.

He was a man of rare gifts and high ability. A man of commanding physical stature, of splendid personal presence and generous soul, he left about him all along the pathway of the imprint of his remarkable character. He had a keen mind, was unusually endowed as a pulpit orator and a gifted evangelist and had a vivid personality. His converts number many hundreds and his friends many thousands.

For forty years through torrid summer's heat and winter's frigid blasts, he preached the love of his Savior and bore its message to the needy and troubled souls in his parishes. No night was too dark, no way too long to travel to those who needed the ministrations of his calling. All he asked of life was to be able to serve the Christ. Since giving up his ministry he remarked one day to his family: "I am only sorry I haven't been able to serve better."

During the months of his falling health there was no word of complaining. He lived very near to the Master always, and during the days of his enforced retirement, he seemed to verily "walk and talk with God." He awakened one night singing "Yes Jesus Loves Me, the Bible Tells Me So." A member of the family said: "Were you frightened? Did you think the end was near?" He replied with emphasis, "No, it was peace, God was with me." The words of the poet, "Unto the soul that trusts Him, He giveth songs in the night," find blessed and concrete illustration in this incident.

The following verse from a poem dedicated to his father by the deceased apply as well to the son: "Thou didst not leave us fading treasure, Of stocks and gold and land; But character, life's truest measure—of good and noble man."

#### STUMP OUT OF THE SEWER.

From Monday's Daily—The stumps that lodged in the sewer on Washington avenue some time ago and which it was claimed caused a part of the plugging of the sewer last week during the high water, have been cleared out, the city officials and members of the street department state. The stumps were sawed into small pieces under the direction of Street Commissioner Jerry Elliott and they then were taken out where possible or floated on down the sewer and have now completely cleared out the waterways. An inspection was made of the sewer by members of the street cleaning department as well as citizens and the interior of the sewer found to be free from stumps or other debris.

"ON THE CORNER"

## TAGGART BREAKS AWAY IN BACKING RALSTON

New York, June 23.—Hoosier delegates put Senator Ralston of Indiana, actively into the presidential race here today.

At a meeting marked by great enthusiasm, the delegates decided to have Fred Van Nuys, former United States attorney for Indiana and Ralston's law partner, put the senator in nomination, and to cast Indiana's 30 votes for him "from then on."

Decision to place Ralston's name formally before the convention was a surprise to delegates generally and did not meet with the approval of many of the senator's friends outside the Indiana delegation. Powerful influences immediately began to argue with Thomas Taggart, who is in active charge of the senator's campaign, to dispense with the nominating speech. Taggart listened attentively to the arguments against a formal nomination and tonight his attitude was described as "half convinced."

Old political observers saw in Taggart's position today the final breaking up of the old Indiana-New York-Illinois combination which worked so effectively at so many democratic conventions of the past.

In answer to all inquiries about the combination and all other possible combinations, Taggart simply reiterated that he is for Ralston to the end.

## "BOHEMIAN SLUGGERS" SCORE ANOTHER VICTORY SUNDAY.

From Monday's Daily—Yesterday afternoon the "Bohemian Sluggers" of this city defeated the base ball team representing the St. Adalbert Athletic club of South Omaha by the decisive score of 10 to 1, and had the visitors completely at their mercy all of the way through the game.

The contest was staged at the old ball park on Chicago avenue and the hurling for the local team was done by Louie Svoboda and Frank Wooster while "Bab" Krejci did the backstop work in his best form and assisted in holding up the pitchers in their handling of the visitors. At no stage of the game was the South

sliders dangerous and the contest afforded the locals a great deal of batting practice and the piling up of a large score against their opponents.

## SUFFERS PAINFUL ACCIDENT.

From Monday's Daily—Yesterday Robert L. Probst had planned on starting with his daughter, Miss Roberta and his two grandchildren, Florence and Robert Probst, on an auto trip to Mitchell, South Dakota, where they were to spend a few days visiting with relatives and friends, but instead of making the trip, Mr. Probst is nursing a very sore arm as the result of a slight accident. While getting the car in readiness for the trip Mr. Probst met up with the accident, slipping on the oily floor of the garage and fell, his right arm struck a protruding bolt on the car and caused a deep laceration that made necessary the services of a surgeon to dress and as the result the trip to Dakota will be delayed for some time.

Joseph Shrader and wife of near Nehawka were here today for a few hours looking after some matters of business, and visiting with their friends in the county seat.

Accidents will happen, but the best regulated families keep Dr. Thomas' Eclectic Oil for such emergencies. Two sizes, 30c and 60c, at all stores.
