

ELKS TAKE PART IN COLORFUL PARADE

Governor Cox, Mayor Curley and Exalted Ruler Price Review 3-Hour March in Boston

Boston, July 10.—More than 40,000 members of the Benevolent and Protective Order of Elks, brilliant in many colored costumes, parading behind two score bands, brought to a climax here today the 60th annual national convention of the order, which opened its session in this city Monday. A brief but heavy thunder-shower, which brought relief from the heat, drove paraders and spectators to cover, but the long line of march was taken up again as soon as the sun reappeared.

Governor C. H. Cox, Mayor James M. Curley and Grand Exalted Ruler John G. Price of Columbus, O., reviewed at different points the three-hour long parade.

Heat and high humidity brought about the prostration of about thirty persons, none of whom, however, was seriously affected, police reported.

Drill teams in multi-colored uniforms preceded many of the lodge groups. Historical floats broke in many places, the long line of marchers, the Jackson (Mich.) drill team, five consecutive times winner of the national Elk drill trophy, in red fezzes and jackets and blue pantaloons, stood out prominently with well executed maneuvers.

Three live Elks in a motor truck cage accompanied a small band of Idaho paraders. The contingent from Portland, Ore., was in purple uniforms cut in the fashion of the Canadian mounted police. Texas in sombreros and chaps marched between Gloucester fishermen and colonial troops with three-cornered hats, long swallow tail coats and knee breeches.

COOLIDGE'S SON LAID TO REST IN VERMONT GRAVE

Bereft Family Returns to Washington with Father of President, Following Services.

Plymouth, Vt., July 10.—In the little village cemetery where the maples and evergreens throw long shadows across the old tombstones on the hillside, they buried Calvin Coolidge, 15, son and namesake of the president, today.

Restraining in a large part, outward manifestation of their sorrow, the president, Mrs. Coolidge and John, the elder son, stood with bowed heads during the short, simple commitment services until a marine bugler had blown "Taps" over the grave.

The cemetery where Calvin was laid to rest lies on a little hill dominated by the Green mountains, which overshadow this village. In the family plot lie the mother of the president, ancestors and kinsmen, and in the same grassy row where the grave was dug are spaces reserved for the last resting places of the president, John and his mother.

Much of official Washington, including eight cabinet members, the speaker of the nation's house of representatives and the governors of two states, attended the services.

The party from Washington came in the closely guarded train which was halted at Northampton for services in the Edwards Congregational church, where Calvin was a member.

Start Back to Old Home After the last of "Taps" had echoed away, the familiar group went for a short time to the old white farmhouse of the president's father, Colonel John C. Coolidge, where the president took his oath of office on August 3, a year ago. Then, accompanied by the elder Coolidge, the little family, broken now by death, started on the journey back to Washington.

The funeral party upon arrival at the Ludlow railroad station, thirteen miles away, halted as the six marines from the presidential yacht, Mayflower, who had guarded the boy's bier constantly in Washington, carried the casket to a waiting hearse. Then the procession more than a mile long, drove over the long road among the hills to the burial ground.

At the democratic convention the head of the chairman's gavel flew off and fractured a delegate's skull. It was undoubtedly an accident. So far as we have been able to learn the victim was no noisier than any of the rest of them.

Forecasts of production of other crops are as follows:

Forecasts a month ago indicated 599,000,000 bushels of winter wheat, 184,000,000 of spring wheat, and a total crop of 693,000,000 bushels against 786,000,000 harvested last year.

The condition of the crops on July 1, on which the forecasts are based, was: Winter wheat, 77.9 per cent of normal; spring wheat, 81.9 per cent of normal; all wheat 79.9 per cent of normal.

IT IS SERIOUS

Some Plattsmouth People Fail to Realize the Seriousness of a Bad Back.

The constant aching of a bad back. The weariness, the tired feeling. The pains and aches of kidney illness. May result seriously if neglected. Dangerous urinary troubles often follow.

A Plattsmouth citizen shows you what to do. A. J. McFarland, 306 Third street, Plattsmouth, says: "I was doing some heavy lifting which strained my back and kidneys. This put me in such shape I had to walk with a cane for a number of weeks and I couldn't straighten. It felt as though there were a heavy weight across my back that was holding me down. I couldn't sleep nights and it felt as though I had been stuck in the back with a sharp knife. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I was told to try Doan's Pills and after the first box my condition was much improved and I was able to walk straight. I used four boxes from Fricke & Co's. drug store. My back and kidneys have never bothered me since and I believe Doan's will do the same for other people if they will give them a fair trial."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. McFarland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

BILLS BEGIN TO WORRY NATIONAL COMMITTEE.

New York, July 10.—The long deadlock in the democratic national convention has proved a severe drain on official as well as private funds. The New York convention committee which financed the big show for the first two weeks, turned this task over to the democratic national committee this week after expending about 8 hundred thousand dollars, not including the 5 hundred dollar daily cost of the band and other amusement features.

The national committee with funds limited to about 1 hundred thousand dollars, began to reduce the costs, eliminating among other things, forty-one of the forty-five ushers, on the theory that after a score of sessions, ticketholders needed no guide to find their seats. Despite the retrenchments, however, it was said today that the national committee already had overdrawn its fund by 25 thousand dollars.

LOSES HIS EYE IN VERY DISTRESSING ACCIDENT.

Little Donald Merrill, the ten-year-old son of Mr. and Mrs. Otto Merrill, had the misfortune to lose the sight in one eye while engaged in a little alteration with a playmate, George Delezene, the eldest son of Mr. and Mrs. Virgil Delezene, on Thursday, July 3.

The trouble arose over a bicycle owned by the little Merrill boy and which was being used by the Delezene lad, who did not return it as promptly as he should. In settling the dispute, the Delezene boy threw large nails at the Merrill boy and one nail hit him in the eye, cutting it severely. He was rushed to an Omaha hospital but the sight was totally destroyed.

The Merrill boy remained at the hospital until Monday evening when he was able to come home. He is not suffering much any more although he was very weak from the pain and loss of blood the first few days. He is the second son of Mr. and Mrs. Merrill. It was a very distressing accident and the older he grows, the more he will feel the loss of his eye, and he has the sympathy of the entire community.—Louisville Courier.

COUZENS THROWS OFF THE REPUBLICAN HARNESS

Refuses to Pledge Support Either to Coolidge or the Platform.—Reply to Committee.

Detroit, Mich., July 10.—Senator James Couzens of Michigan, announcing his candidacy for nomination at the September primaries to succeed himself, in a formal statement today refused to pledge his full support to the platform Coolidge or either the state or national republican platform.

He challenged the right of party "bosses" to dictate his course of action and made his bid for the vote of Michigan electors on his past record for which, he said, he had no apologies to make.

Asked by the republican state central committee to sign a statement pledging his support to the party platform and endorsing President Coolidge, Senator Couzens replied he could not do so.

"If complete adherence to the proposals and policies of President Coolidge is the test of republicanism, there are no republicans in the national congress," he said. "I do not believe it to be the desire of my constituents that I abjectly promise to follow someone and do his bidding."

"No candidate can endorse both Coolidge and 100 per cent," he said, "because they are in a measure inconsistent with each other."
