John Skinner has been kept rustling during the past week with trucking of livestock and merchandise on his return trips.

Charles Edwards cut some very ripe oats on last Wednesday and threshed them the day following, thus getting them in very good condition.

Mrs. A. Dinges was visiting last Thursday at the home of her parents near Syracuse, making the trip in their auto of which she is a qualified driver and can handle as well as any one.

S. C. Boyles completed his threshing last Wednesday evening and was pretty well satisfied to conclude the work. W. H. Warner assisted in the cutting and was a valuable man for the position.

Mrs. M. L. Thomas who is visiting here for the summer with her friends, Mr. and Mrs. C. H. Kirkpatrick and accompanied by Mrs. Kirkpatrick, was visiting with friends in Lincoln for the past week.

H. D. Richardson and the family who have been visiting for some time at the home of relatives and friends at Kansas City, returned home during last week having had a most enjoyable time while away.

W. H. Warner just before the beginning of the threshing season which is just about already concluded thought he would run over to Lincoln for a few days visit with his brother Frank Warner and family and accordingly took the evening train last Thursday staying until Sunday.

Lee Shively was the first to thresh wheat and market the same in the neighborhood of Alvo and brought the first load to the Rehmeier elevator on last Thursday evening. It was of very good quality and when dry will grade among the best.

Thomas Stout, the veteran veterinarian, was a visitor at the meeting of the M. W. A. at Elmwood a few days since at which time they instructed a class of twelve in the mys-

teries of the order. Mr. Stout is a member of the order there and tells of the order doing some very good work at this time.

In conversation last week with George P. Foreman, he told the representative of the Journal he has lived in Cass county for 47 years and during that time has always found the country would make a man a living and something besides if he was willing to work for it. Mr. Foreman has made a living while living here and some money besides. This has not been the extent of his good fortune; he also has made a host of friends which is worth more than all the money. The friends are his choicest assets.

Card of Thanks

We wish to express our appreciation to the many friends of Mrs. De-naris Vincent who has spent her life for the past thirty years in Alvo and for the many acts of kindness shown her during that and especially during the past year when she has been very ill, for those who kindly ministered during her last illness and the time of her death, also to those who so kindly sang at the funeral.—Miss James W. E. Strain, Ida Brede and Mirande Wilson, nurses.

Mrs. Thomas Stout celebrated on Saturday the passing of her 70th birthday anniversary and is feeling very well, thank you. Mr. and Mrs. Stout have lived in this country for over thirty-five years and in this country for 54 years. They were born in England and came to this country in 1870. Mr. Stout who has seen much of the country over the world, says that Cass county for general purposes cannot be beat anywhere.

Social Workers Flower

Club Has Fine Meeting

On Wednesday afternoon, Mrs. A. N. Sullivan entertained the Social Workers Flower club at her most hospitable home south of the city. She had as her assistants her daughters, Miss Marie of Omaha and Miss Mabel who is a recent graduate of Plattsmouth high school. Twenty-seven members were present and as each member brought one or more visitors, the attendance reached seventy.

After a short business session the company was informed that this was the eightieth birthday anniversary of one of our highly esteemed members, Mrs. M. J. Taylor and that we were doing her the homage and honor she so richly deserves. She was then seated in a conspicuous place where a large birthday cake surrounded by eighty candles, representing the milestones passed during the journey of life, was placed on a table before her, which she was to cut and serve to the guests. She received a number of other remembrances which showed the friends' thoughtfulness for her in her declining years.

After a very busy social hour the hostess and her assistants served a most delicious luncheon and at a very late hour the guests began to wend their way homeward, declaring the afternoon to have been very enjoyable indeed.

YOUNG PEOPLE ARE WEDDED

From Saturday's Daily—The Plattsmouth friends of Miss Marie Stokes and Mr. Charles Richards, Jr., of Omaha, learned last evening that these two estimable young people had decided that henceforth their journey through life would be as one and had accordingly journeyed from their home in Omaha to the friendly state of Iowa and at Council Bluffs had the nuptial knot tied.

The wedding was a complete surprise to the relatives of the two contracting parties in its suddenness although the intentions of the young people had long been surmised. The ceremony was very quiet, the bride and groom quietly going to the Iowa city and having the ceremony performed by the county judge there. The bride is a daughter of Mr. and Mrs. A. R. Stokes of this city and with the groom has spent her life-

time here and received her education at the local schools. The groom is the son of Mr. and Mrs. C. P. Richards and has for the past several months made his home in Omaha. Both Mr. and Mrs. Richards were very popular here among the young people with whom they were associated and on their new found happiness will have the well wishes of the many friends.

A Brand of Boosting that Surely Deserves Support

The Louisville Courier last week contained a quarter page advertisement appealing to its readers to patronize home merchants. It sets forth the very plausible evidence that "When you patronize out-of-town merchants the money which you spend will never be used toward the growth of your town."

Editor Mayfield is surely to be commended on the fight he is making for Louisville. One has but to glance over his paper of last week to determine the extent of his unselfishness in the support of the Louisville Louisville has five general stores (the writer counted them) yet there was no indication in the advertising columns of the Courier last week to indicate that you could buy groceries, dry goods, shoes, hardware, etc. in the town. Few newspapersmen will donate space in an endeavor to bring trade to the door of merchants who do not contribute to the support of the paper. Mayfield is an exception to the rule.

ENTERTAINS AT BIRTHDAY

From Thursday's Daily—Yesterday afternoon Miss Lorene Windham was observing the passing of one of the milestones of her life and in honor of the occasion a number of her little girl friends gathered at her home to share the pleasures of the day and the many pleasing forms of entertainment that were provided. Music and games of various kinds served to pass the time most delightfully for the party of young people. In entertaining, Lorene was assisted by Gretchen Warner and Hazel Thurston and who were instrumental in assisting in the joy of the party. In the flower garden game Eleanor Night was awarded the first prize while the consolation prize was received by Vesta Robertson. In the peanut bowl the prize was awarded to Sophia Steger. Those invited for the pleasant party were: Eleanor Night, Jane Louise Dunbar, Sophia Steger, Eleanor Steger, Mildred Schultz, Vesta Robertson, Jean Caldwell, Minnie Kearns, Marion Nolen, Gretchen Warner, Hazel Thurston, Irene Pfoutz.

RETURN FROM SNELLING

From Thursday's Daily—This morning Charles Egenberger and Otto Triley who have been attending the R. O. T. C. at Fort Snelling, Minnesota, as a part of the Nebraska University representation, returned home. They report a very fine camp and excellent training at the hands of the United States army officers in charge of the camp. At the camp Harry Dwyer, another of the Plattsmouth boys received marksmanship medals as a sharpshooter in both pistol and machine gun firing. Mr. Dwyer did not accompany the remainder of the Plattsmouth delegation home, as he is driving a car through from Snelling and expects to make a short tour of Minnesota, South Dakota and Nebraska before returning home.

He, however, got the colony under subjection and working nicely.

DANGER IN DELAY

Kidney Diseases are Too Dangerous for Plattsmouth People to Neglect Them a Minute

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Pills which are so strongly recommended right here in Plattsmouth.

Ask your neighbor!

Leola Kroehler, one of the members of the firm of Kroehler Bros., hardware dealers, 542 Main street, Plattsmouth, says: "I had pains in my back. I was so lame I could hardly stoop and my kidneys were weak. I had a tired, languid feeling all the time and headaches were common. I got a supply of Doan's Pills from Rynott & Co's. drug store and began taking them. They soon relieved me of the trouble. I am pleased to recommend such a valuable kidney remedy."

The above statement was given April 19, 1912, and on May 12, 1920. Mr. Kroehler added: "I am of the opinion that Doan's Pills are a splendid remedy for kidney ailments. I haven't needed them in a number of years. I have great faith in Doan's." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Kroehler had.
