

AMERICAN LEGION TO HONOR WOODROW WILSON NOW

Will Dedicate Annual Report to Its Commander in Chief During the World War.

Indianapolis, Ind., Aug. 1.—To Woodrow Wilson the American Legion will dedicate its annual report for 1924, it was announced at Legion national headquarters here today, following receipt of permission from Mrs. Wilson, who said she felt "very much honored that the Legion desires to dedicate its 1924 annual report to Mr. Wilson."

Beneath a copy of wartime photograph of the late president will follow:

To Woodrow Wilson, twenty-eighth president of the United States, our commander in chief in the world war, crusader for peace and legionnaire, this report is reverently dedicated. Born December 28, 1856; died February 3, 1924."

On the opposite page will follow this tribute paid by Mr. Wilson in one of his speeches to the forces of the United States in the late world war.

"Their very audacity, their very indifference to danger, changed the morale of the battlefield. There never were crusaders that went to the hold land in the old ages more truly devoted to a holy cause than these gallant, incomparable sons of America."

MORGAN SWEET SHOP EXPOSED

From Thursday's Daily.—After a period of several weeks the Morgan Sweet Shop in the Dwyer building is again exposed to the eye of the passerby, as the board front that has been in place while the work of installing a new modern front was being carried out, was removed yesterday afternoon and the change is one most agreeable to the owner and patrons of the sweet shop.

The new front is a very pleasing addition to the appearance of the shop and while it is not entirely completed the glass has been installed and permits the light of day to once more penetrate the interior of the building.

The upper portion of the front has ornamental glass trimmings and with the large show windows will give the sweet shop a great deal of light and the windows will be more suited to display purposes than the old windows were. When completed, the new front will be a real addition to the business section of the city and a fitting front to the delightful soft drink parlor and lunch room of Mr. Morgan.

Other improvements to the build-

ing will include a cement floor in the basement and the installation of a modern heating plant.

SUFFERS INJURED FOOT

From Thursday's Daily.—This morning while Mrs. Paul T. Heineman was crossing North Sixth street near the Vine street intersection she was struck by a passing automobile and knocked to the pavement, sustaining in the fall severe bruises and shock but the only really serious injury as far could be determined in the examination was possibly the fracture of two of the small bones in the right foot. The injured lady was taken into the E. A. Wurl home where she rested a few moments and was then taken onto her home. It is very fortunate that the injury was not more serious and the many friends of this estimable lady are pleased that she escaped so easily from what might have been a serious accident.

The car was driven by Mrs. Lancaster, who remained at the scene of the accident until it was found that Mrs. Heineman had not been dangerously injured. It was stated that the affair was not in anyway the fault of either party but was purely an accident.

BURKE IS ACQUITTED

From Thursday's Daily.—Last evening the trial of the case wherein Walter Burke was charged with having resisted an officer and also with committing a nuisance, resulted in the acquittal of Mr. Burke by Judge William Weber, before whom the charge had been filed by Chief of Police William Hinrichsen.

From the statements brought forth at the trial it seems that there had been considerable feeling between the young man and the police, which led to some boasting on his part as to what he would do and when Officer Libershal saw him going up the street with a bottle showing protruding from his pocket, Burke was stopped and asked about the matter, but refused to give an explanation, and words followed which led to his going to jail, where he put up a \$15 cash bond. The bottle was found to be empty on a search by the police.

Burke denied resisting the officers beyond a verbal protest and after a lecture by the court he was allowed to go on his way and the amount of his cash bond ordered remitted to him by the court.

SUITS TO QUIET TITLE

From Thursday's Daily.—This morning in the office of the clerk of the district court was filed two suits to quiet title by Attorney W. A. Robertson, entitled Emil A. Wurl vs. Dina Harburger et al. and the second case was that of Grant Hackenberg et al. vs. William H. Sieckler et al.

Camping out gets one in the open. So do all kinds of bugs.

MANLEY NEWS ITEMS

Wm. Heebner is assisting in the operation of the threshing rig of Frank Bergman.

Miss Rena Christensen, Mesdames Albert Snell and Lawrence Colbert were visiting on last Tuesday at Murray.

J. C. Rauth threshed last Friday and had a nice time to get his grain out of the shock and into the bins in a good condition.

W. F. Schliefer and Andrew Schliefer threshed during the early portion of last week and had an average of 25 bushels to the acre.

Mesdames Guy Lake of near Washburn and John Domelan from near Weeping Water were looking after some business matters in Manley last week.

R. Pickard has been assisting in making some very good road out of the conditions resulting from the recent rains, he having been assisting Aug. Kraslow.

Miss Margaret O'Leary has been in Omaha for a number of days where she has been receiving medical treatment at the Saint Catherine hospital of that city.

Miss Philomena Ash of near Weeping Water underwent an operation at the Saint Joseph hospital for appendicitis and is getting along very nicely following the ordeal.

W. E. Casey of Denver, Colorado, accompanied by the wife, were guests at the home of Rev. Higgins and mother for over the week end and all enjoyed the occasion very much.

Aidy Dietrich of near Louisville was a visitor in Manley last Thursday with a load of vegetables which he had grown on his farm and of which he had an enormous quantity and excellent quality.

Ernest Mann and Herman Mintz departed for the western portion of the state in their auto on last Monday morning and will spend some time in Cheyenne county, where they are expecting to work in the harvest fields.

Edward Kelly, who has been feeling quite poorly for some time is at this time much improved and feeling more like working and well, for he is getting a goodly supply of the returns from the threshing of the new wheat crop.

John C. Rauth, and daughter Anna and Herman Rauth and wife and Miss Rena Christensen were visiting last Sunday at the home of and Mr. and Mrs. A. F. Rauth, of York, driving over in their auto, and enjoying a most pleasant visit while there.

Mrs. Herman Rauth was enjoying the afternoon and evening last Thursday when she attended the celebration of the passing of the birthday anniversary of her friend, Mrs. Henry Snell of Weeping Water.

Mrs. Rauth lived with the Snell family for some five years. August Stander threshed on fast

Thursday and had a very satisfactory yield of his wheat which was of good quality and averaged about 30 bushels to the acre, while his son, A. V. Stander, living northwest of Manley, has had an average of 31 bushels from a field containing 115 acres.

Henry A. Guthman and family and Mr. and Mrs. Grand Cochrane of Murdock, were visiting last Tuesday at Manley, the former being guests of Rev. and Mrs. Higgins and W. J. Rau and wife, while the latter were guests at the home of Mr. and Mrs. Peter Vogler, and Mrs. Dora Fleischman.

R. Bergman was a visitor in Omaha on last Wednesday and while there purchased a new ice box for his store, he having disposed of the one which he formerly used. While he was away Joseph Wolpert was looking after the business at the store.

Found Good Crops. Fred Fleischman and the family, who were at Grand Island for a few days and over last Sunday and a few of the days of the early portion of last week, report a very pleasant time, and that the crops were excellent, in some instances the wheat yielding as high as 58 bushels to the acre near Kearney.

Mr. Fleischman reports that there are many buildings being erected at Grand Island, and that since he was there a year ago he finds the city greatly changed—so much so in fact that he hardly knew the place.

Entertained for Dinner. Mrs. Wm. Heebner entertained for dinner at their beautiful home in Manley last Thursday at noon a number of her friends and relatives from out of town, there being present for the occasion Grandma Houts of Weeping Water, Mrs. Louis Hoback of near Avoca and daughter, Miss Fay, who has just returned from attending summer school at Kearney, Mrs. William Gilmore and son Keith, and Mr. and Mrs. Wm. Beatty and daughter, Marjorie, of Weeping Water.

made one hit out of two journeys to the plate against the Knights of Columbus. His showing last Sunday against the Murphy-Dids was even more spectacular. Glen in two journeys to bat rapped two safe ones, brought in two scores and scored himself and as the score of the game was 3 to 1 for the Woodmen, it shows that the former Plattsmouth boy was largely instrumental in the winning.

His friends here will watch with interest his work for the rest of the season.

BOYS LEAVE FRIDAY FOR FORT DES MOINES

Cass County Youths will Partake in Citizens Military Training Camp Activities.

This year there has been a marked interest on the part of the young men of Plattsmouth and Cass county in the Citizens Military Training camp, which is to be held for this year at Fort Des Moines, Iowa, this year.

While last year there were only two young men from Plattsmouth in attendance at the camp, there will be six this year, Leonard Carter, Carl R. Keil, Ray Lambert, Herbert Johnson, Stuart Egenberger and Damian Flynn, to go to camp. In addition to these there will be four from Elmwood also going to camp. Howard Robert Warren, Bailey, Morton Parish and Harry Bornemeier.

The Citizens Military camp is one of the institutions that have been adopted as a part of the national defense plan and is one of the greatest moves of a great successful nation to provide an adequate defense in case of need and eliminate part of the cost and loss in life that comes when a nation is called to arms.

The United States was called upon to spend several billion dollars in the world war that would have been wisely used in an adequate defense in case of need and eliminate part of the cost and loss in life that comes when a nation is called to arms.

The United States was called upon to spend several billion dollars in the world war that would have been wisely used in an adequate defense in case of need and eliminate part of the cost and loss in life that comes when a nation is called to arms.

There are four courses at the training camps, the basic course, which will be taken by the Plattsmouth boys and the Reserve Officers' course, each of which represents advanced steps in the course of military training and the student who completes all of the course will find himself fit for service in the Officers' Reserve Corps of the army.

The basic course includes military training of a soldier including the infantry drill, as well as the physical exercises and hikes that develop the mind and body of the soldier.

IS A REAL BALL PLAYER

From Thursday's Daily.—The young schoolboys of the last few years will recall their sidekick, Glen Weaver, who was also one of those always present when the town ball team staged their games, and will learn with pleasure that Glen has grown into one of the smartest baseball players in the Omaha amateur circuits and while yet a youth has made the older and more experienced players go their best.

This season Weaver has been serving as the second baseman for the Overland Tippers, who are leading the race for the industrial pennant, and Glenn has shown a world of speed in his fielding work and has been swatting the ball for better than a 400 batting average.

Glen has been secured by the Woodmen of the World for their Sunday games, and on last Thursday

CATARRHAL DEAFNESS

Is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. This condition can be reduced, your hearing may be destroyed forever.

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh of the Eustachian Tube. It has been successful in the treatment of Catarrh for over Forty Years.

LAD SUFFERS SEVERE INJURY. From Friday's Daily.—Yesterday morning Francis Stewart, five-year-old son of Mr. and Mrs. Henry J. Meisinger, residing near this city, was the victim of an accident that resulted in the loss of a portion of the forefinger of the right hand.

The mother of the little boy was working in the house at Mr. and Mrs. Meisinger's and it is thought that the little lad got his finger caught in the cogs of the grindstone as it was being turned, with the result that the member was badly crushed.

The injured boy was brought on to this city and the hand dressed and the patient made as comfortable as possible, although he suffered more or less from the effects of the injury.

MAKES EXCELLENT SHOWING

From Thursday's Daily.—During the period that Sheriff E. P. Stewart has been in the office of the sheriff of Cass county, he has served as the collector of a goodly amount of fees that will assist in financing the county, as they are required to be turned over to the county treasurer and this has been complied with by Mr. Stewart at the close of each quarter of the year.

In the period from December 10th, 1923, when Mr. Stewart was placed in the office, to December 31, 1923, there was \$32.75 in fees collected and turned over to the treasurer at the beginning of the year.

For the period from January 1, 1924, to July 30, 1924, Sheriff Stewart has fees amounting to \$577.33, covering the amount of business in the office.

This makes a total of fees earned and collected in the time Mr. Stewart has been in the office of \$610.08, and will be very gratifying to the taxpayers of the county, as it helps that much in providing the wherewithal for the running expenses of the county.

WILL ATTEND NOTIFICATION CEREMONIES AT LINCOLN

Quite a number of the democrats of this locality and admirers of Governor Charles W. Bryan, are planning to attend the formal notification ceremonies that are being held at the Nebraska stadium, on August 18th. The greater part of the number expected to make the trip by auto if the weather conditions and the roads will permit and otherwise will have to make the journey by rail.

Senator Pat Harrison, of Mississippi, temporary chairman of the New York convention, is chairman of the notification committee and as such will deliver the speech notifying Mr. Bryan of the honor conferred upon him.

With the well known reputation of Senator Harrison as an orator, the occasion so far as he is concerned will have a great deal of interest for the thousands who are expected to be present. The speech will be sent to the farthest reaches of the stadium by the use of amplifiers and also broadcast by radio over this part of the west, according to the present arrangements.

ENJOY PLEASANT VISIT

From Friday's Daily.—Mr. and Mrs. Monte Streight have for the past few days been enjoying a very pleasant visit with Mrs. Anna M. Birr and son, Edgar and Mr. and Mrs. A. Leach, all of Oakland, California, who have motored thru from the coast for a visit here with

relatives, as Mrs. Birr and Mrs. Leach are sisters of Mrs. Streight. Yesterday Mr. and Mrs. Monte Streight, Mrs. Birr and son, Edgar, Mr. and Mrs. A. Leach, Mrs. William J. Streight and daughter, Mrs. Evi Speir, Miss Helen, formed a party that motored to the state fisheries near Gretna, where they enjoyed several hours taking in the points of interest there.

The members of the party also enjoyed a fine picnic supper on Wednesday evening near the Missouri river ferry landing that will be long very pleasantly remembered by those participating.

The visitors from the coast are expected to leave Saturday for their home, the weather permitting.

OHIO OIL CO. AGAIN CUTS PRICE OF CRUDE

Casper, Wyo., July 29.—Ohio Oil company, which yesterday reduced its prices for Wyoming crude 15 cents a barrel, today met the 25 cent reduction of the Midwest Refining company with another 10 cent cut. The new prices follow:

- Elk Basin, Grass Creek (light) at \$1.45. Rock Creek, \$1.20. Mule Creek, 60c. Lance Creek, \$1.40. Elk Basin, \$1.40.

Yesterday's reduction of 5 cents in Sunburst (Montana crude) was increased 3 cents today, making the new price 90 cents.

GRANTS DIVORCE DECREE

From Friday's Daily.—This morning while Judge Carroll O. Stauff was here to hear the matter of making permanent the injunction against C. D. Quinton and others, he was called upon to preside over a number of divorce hearings in which parties who had made the wrong draw in the lottery of love were seeking their happiness and freedom.

The first case to be heard was that of Charles Fred Druecker vs. Alda Margaret Druecker in which the plaintiff charged the defendant with cruelty and desertion and on the submission of the evidence of the plaintiff the court granted the decree of divorce as prayed for.

In the case of Ada Eager vs. Edward Eager, the court heard the evidence of the plaintiff and granted to the plaintiff the decree as prayed for in the petition.

VISITED OLD HOME TOWN AFTER 40 YEARS ABSENCE

Mr. and Mrs. Walter Twiss and their relatives, Mrs. Fred Mumm and son Buster of Plattsmouth and their guest, Mrs. F. H. Barnell, of North Platte, were here on Thursday afternoon of last week and were the guests of Mr. Twiss' mother, Mrs. Belle Twiss and family at supper.

Mrs. Barnell was born in Louisville 52 years ago. Her maiden name was Miss Edna Rhodes. Her parents lived in what is known as the old Ontario house. Mrs. Barnell was only ten years old when her folks moved from here, but she remembers a number of the old times and could place several of the old homes that were here when she lived here as a child. Her parents are dead. Her eldest brother, Hervey, who is well remembered by the early residents, is now claim agent for the Missouri Pacific, with headquarters at St.

Louis. The eldest daughter, Mary, is also deceased.

The Courier editor and wife greatly regret that they did not meet Mrs. Barnell upon the occasion of her visit here and hope she will some day return for another visit as it is always interesting to meet the friends of our childhood days. Her husband is a railroad man and Mrs. Barnell travels on a pass. They have a family of grown children.—Louisville Courier.

IT'S FOOLISH TO SUFFER

When So Many Plattsmouth People are Pointing the Way Out.

You may be brave enough to stand backache or headache or dizziness. But, if, in addition urination is disordered, look out. If you don't try to fix your sick kidneys, you may fall into the clutches of dangerous disease before you know it. But, if you live more carefully and help your kidneys with Doan's Pills, you can stop the pains you have and avoid future danger as well. Don't experiment—use the remedy Plattsmouth people are publicly endorsing. Head this case:

"I had lumbago and kidney trouble. I believe the turpentine fumes from the paint was responsible for it. I could hardly bend or lift anything and I couldn't even turn in bed without help. I had no control over my limbs, when I tried to walk, I could not lift them—I just had to scuff them along. My kidneys acted irregularly and the secretions were highly colored and passed with a burning sensation. I used Doan's Pills and before finishing the first box, which I got at Fricke & Co's. drug store, I felt better in every way. I used a few boxes and they gave me fine relief. I had another little attack this spring, but I used Doan's the first thing and they straightened me out again in quick order."
