Just Imagine This—

YOU'LL see hundreds of men, women, children, horses, oxen—a two-mile wagon train of pioneer days—fleeing for their lives from a raging fire that laid waste nine square miles of prairie.

You'll see a thousand real, yelling, painted Indians madly to attack in their famous "circle of death" formation.

You'll see a buffalo hunt with the world's only remaining herd of buffalo. You'll see a wagon train ford a turbulent mile-wide torrent.

You'll see the whole spectacular heart-drama of the perilous, glorious days of '49. The story of a man's love and sacrifice for a beautiful girl in the most amazing setting ever photographed.

Your most gorgeous screen adventure.
