

### GODD ROADS MOVE ON BETWEEN OMAHA AND BELLEVUE

Paving from Omaha to Bellevue Is Assured—Brings Hard Surfaced Roads Nearer This City.

Plattsmouth people are always interested in the good roads projects in their own localities and will be pleased to learn that the bonds for the new paving on the Omaha-Bellevue road have met with a ready sale and that the work will be started soon. The improved roads will then be within ten miles of Plattsmouth, and points to the fact that a little extension of the road program will eventually link up this city with the lines of permanent roadways.

The Arthur A. Dobson company of Lincoln has been awarded the contract for the brick surfacing of the Bellevue road and the Yant Construction company of Omaha received the grading and draining contract. The paving is to cost \$31,320.65, and the grading \$25,258.70. With the beginning of the work on the upper road from South Omaha comes the end of the battle that has been waged through elections, through meetings of the board of county commissioners and through the courts for months.

The residents of Sarpy county felt at first that it would be unfair to them to be forced to pay all of the taxes necessary to pave the road. The officials of the state agreed that some state aid was due them, but that aid amounted to comparatively little. Then the cry was raised that federal aid should be given.

A decision was recently handed down, which definitely settled the question. Federal aid might be given for one road, the low road to Fort Crook, but residents of Sarpy county must pay for the upper road with the aid of state funds only.

### MRS. JEPSON GIVES FACTS TO PUBLIC

Following Attack of "Flu" Burlington, Ia., Lady Depaired of Getting Well.

"I am feeling just fine and would not be without Tanlac in the house," so reads a recent communication from Mrs. Mads Jepson, a charming resident of 1303 South 15th street, Burlington, Iowa.

"Following an attack of 'flu' four years ago, I remained so weak and nervous so long that I almost despaired of ever regaining my health and strength. My troubles were many, including indigestion, raging headaches and dizzy spells. I lost lots of weight and was actually too weak and nervous to help the children off to school in the mornings.

"As hopeless as my condition seemed, Tanlac soon made a vast difference in my feelings, so I stuck right to it until my troubles went away and left me feeling strong and well. My weight was increased from 120 to 160 pounds, and my complexion reflects the grand health I enjoy. I have only the highest praise for Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Tanlac Vegetable Pills recommended by the manufacturers of TANLAC.

### STOCKHOLDERS MEETING

The stockholders of the Cass county Fair Association held a meeting Friday morning, Sept. 26th, 1924, at the Liberty theatre.

The meeting was called to order by President R. C. Pollard. The minutes of the meeting of Sept. 1922 were read by Secretary-Treas. E. W. Towle, and also the financial report from March, 1923 to April, 1924.

The members of the board elected this year were C. E. Day, L. R. Saipes and H. Knase. R. C. Pollard was re-elected president by a unanimous vote; Louis Hennings, vice-president, and E. W. Towle, secretary-treasurer.

There was a discussion as to whether Weeping Water should have buildings and ground for a fair. The present financial condition would not permit this, or could not be done for several years. It was also decided that cash premiums should not be paid for prizes. Troy L. Davis gave a fine talk on the Cass county fair, its benefits and general influence.—Weeping Water Republican.

### STIR OVER MISSING CAR

From Saturday's Daily—Last night the police as well as Deputy Sheriff Young had several very exciting moments when they were searching for a car that was missing and which was at first supposed to have been stolen, but later turned up in the hands of one of the well known business men of the city, who had driven it off by mistake for another of like make that had been loaned to him for the evening by its owner.

The Soennichsen family have a large Willys-Knight sedan and this was parked in front of the H. M. Soennichsen Co. store last night as usual until the owners departed for home and shortly after it was parked, the other car of the same style and make was driven up and parked in the same locality.

During the evening one of the well known business men of the city decided to take a short spin to Omaha and enjoy a show and accordingly secured permission to use the Willys-Knight car that was parked near the Soennichsen store and being in a hurry rushed down and climbed into the first Willys-Knight car that he came to, not noticing the registration number, and drove away blissfully unaware that he had the Soennichsen car instead of the one that he was supposed to be using.

When the loss was discovered some time later, a hurry up call was sent forth and the police were out scouting to try and find the car while the county authorities were keeping the wires hot trying to get a trace of the missing car.

Later in the evening the car reappeared and it was not until then that the driver of the car discovered that he was driving the wrong car and had created so much excitement. The affair produced a great deal of amusement to all of the parties when it was straightened out and the cars switched around to the proper owners.

### GO RIGHT AT IT

Friends and Neighbors in Plattsmouth will Show You a Way

Get at the root of the trouble. Rubbing an aching back may relieve it. But won't cure it if the kidneys are weak.

You must reach the root of it—the kidneys. Doan's Pills go right at it. Reach the cause; attack the pain. Are recommended by many Plattsmouth people. Ask your neighbor!

Mrs. F. N. Rauen, 1109 Pearl street, Plattsmouth, says: "I believe Doan's Pills can't be beat as a kidney remedy. I was in bad shape with my back and was laid up so I had to have hot poultices put on my back and sides to relieve the pain. I could hardly turn in bed and was sore through my back. I had awful dizzy spells and specks came before my eyes and many times I had to sit down and wait for these attacks to pass off. A while after I commenced to use Doan's Pills, I began to improve. I got several boxes from Weyrich & Hadraba's drug store and they finally gave me permanent benefit after other kidney remedies had failed. I always keep Doan's on hand and use them when my kidneys need attention and they keep them in a strong condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Rauen had. Foster-Milburn Co., Mrs., Buffalo, N. Y.
