## OBITUARY OF FRED ERICK A. C. KUPKE

Former Resident of Murdock Passes Away at Home in Osmond—Brot Back for Burial.

The relatives and friends of Frederick A. C. Kupke, whose home was in Murdock until about three years ago, will regret to learn of his death which occurred on Monday, September 29th, in Osmond.

Mr. Kupke who has resided in Osmond since 1921, has been in fairly good health and was up and around attending to his duties until about 9 a. m., when his heart began failing.

Frederick was one of the most genial of companions and faithful friends and was one of the active figures in the business life of the community. He was manager of the fire department and one of the leading members of the band. He was a member of the Lutheran church and his loss will be felt very keenly. Although he will be greatly missed, we feel that our dear Lord wanted him.

Frederick A. C. Kupke was born at Murdock, Nebraska, September 22, 1902, and died September 29, 1924, at Osmond, Nebraska. He was baptized in early infancy and after being duly instructed in Luther's catechism and God's Holy word, he was confirmed by his pastor, Rev. W. J. Peters, of Murdock.

After confirmation, the young man attended Concordia college at Concordia, Mo., to prepare himself for the holy ministry. However, after making three different attempts he was obliged to give up his cherished intention. After his return home he resided with his brother, Herman, on the home place and later attended Boyles' business college at Omaha. Having completed a business course he again resided with his brother, Herman. In course of time, he accepted the position as bookkeeper and assistant manager with Coleson, Holmgvist Co., of Osmond, Nebraska, which he intended making his life profession. During his residence in Osmond he made many friends and was always pleasant and energetic.

On September 29, he was stricken with an attack of acute dilation of the heart, which caused his death at 3:45 p. m. Services were held at the Immanuel Lutheran church at Osmond of which he was a devout member and the remains were then shipped to Murdock for burial. On Thursday afternoon funeral services were held at the Lutheran church at Murdock, Rev. W. J. Peters and Rev. T. Hartman officiating. He leaves to mourn his loss his promised bride, Meta Broekemeier, five brothers, Herman, George, Christ, August and Walter, two sisters, Louise and Amelia besides his aged grandparents and a host of other relatives and friends. His beloved parents, Mr. and Mrs. Herman Kupke, Sr., have gone before him to their reward.

**Card of Thanks**

For kindness shown and assistance rendered and sympathy extended at the time of the death of our beloved brother; and also for the beautiful floral offerings and singing at the funeral, we wish to express our sincere thanks to the many relatives and friends.—Kupke Brothers and Sisters.

**NEW DELIVERY SYSTEM**

From Tuesday's Daily—The Herger Bakery of this city is today starting in on a new delivery system that will be a great service and accommodation to the Plattsmouth community. The bakery will have a truck that will make deliveries to any part of the city on any order that may be phoned in and will thus be able to supply the households first hand with the best in their lines. In order to give the patrons strictly first class and fresh bakery goods the bakery is now doing their baking each evening and therefore in a position to have everything good and fresh each morning. A call to the bakery means the visit of the celebrated Golden Crust wagon to your door.

dations in Murray for some time and seemingly do not care what they do. Last Saturday evening they shot a hole in the front window of the business place of J. V. Edmunds, and apparently for no other purpose than just to do some devilment. They also went to the Christian church which they found locked, and by breaking the lock entered and rang the bell, climbing up in the attic broke the ceiling of the vestibule and committed other depredations, having left burned matches over the floor of the church proper. They also went to the Farmers Elevator office and breaking in attempted to open the safe, breaking off the knob of the combination on it but not able to get into the strongbox. Mr. Gansemer had not on Tuesday gotten the safe open, and will have to get an expert to work on it.

Allie Meisinger of near Cedar Creek was here today for a few hours attending to some matters of business.
