A FEW HIGHLIGHTS OF "ASHES OF VENGEANCE"

Picture Shows the Colorful France of 1572—Comes to Parade Wednesday-Thursday.

"Romance—magnified, glorified and entrancing." The words are those of the dramatic critic of a New York newspaper in reviewing "Ashes of Vengeance," a Joseph M. Schenck production starring Norma Talmadge which is to be presented at the Paramount theatre Wednesday and Thursday.

The colorful atmosphere of France of 1572, interior and exterior scenes of three different castles. The massive hall room of the Palace of the Louvre, where, in suffused excitement, 1,200 ladies and gentlemen of the Court are dancing the minuet on the fatal eve of St. Bartholomew, sword play ranging from single duels to the mighty clash of great contending forces. Brilliant cavalcades of gaily caparisoned horses and attending men-at-arms moving along the picturesque roads of France—only a few highlights, these, of the scores of features which "Ashes of Vengeance" not only the greatest picture of Norma Talmadge's career, but one of the most resplendent ever produced. But it is the drama itself, the romance of Yolande de Breux and Ruyter de Vries, which is the most appealing feature of the production. These roles are played respectively by Norma Talmadge and Corway Tearle. Twenty screen notables are in the cast of principals in support of this twin, including Wallace Berry, Courtney Bouts, Josephine Crowell, Betty Francoise, Claire McDowell, Andre de Branger, Murdock MacQuarrie, Boyd Irwin, Carmen Phillips, Winter Hall, William Clifford, Hector V. Sarao, Earl Schenck, Jimmy Cooley, Lucy Beaumont, Forrest Robinson, Mary McAllister, Kenneth Gibson, Howard Trussell, Frank Leigh and Little Jeanne Carpenter; and 4,000 extras are employed in the mob scenes.

POLICE WATCH FOR KIDNAPPERS

From Saturday's Daily—Last night Officer Joe Libershal was called from the state law enforcement office at Lincoln to be on the outlook for a snort model car containing a man and two young girls, who had been kidnapped from their home in Lincoln late yesterday afternoon and the parties were supposed to be heading east. The girls had been lured away from the custody of their mother by their father it was claimed and the father had then lured them into a car and started away with them. The officers here were on the alert for the car but none answering the description given passed through here during the night and it is probable that the car either was driven to Omaha by Ashland or went on south through Nebraska City.

SLEEP A STRANGER TO HENRY BRANDES

Winona Man Suffered for 3 Years Before Taking Tanlac.

"Tanlac has done more for me than anything I have ever taken and I never expect to be without a bottle," declared Henry B. Brandes, 184 E. 9th street, Winona, Minn., recently. "I had been gradually going down hill for three years and but for Tanlac I believe I would have broken down completely. My appetite was no good and my stomach was so upset that at times I could hardly retain even a glass of water. I was so nervous the most trifling things would excite me. I had awful headaches and dizzy spells and many a night I scarcely closed my eyes in sleep. "Tanlac was a godsend to me. It fixed me up so I eat right, sleep right and work right; in fact, I enjoy splendid health and feel like I have a new lease on life. Money couldn't buy the good Tanlac has done me." Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Tanlac Vegetable Pills are recommended by the manufacturers of TANLAC.

Mrs. Ed Ackerman and daughter, Miss Violet, of Wymore, were in Omaha today visiting with Mrs. Ackerman's sister, Mrs. George Luschinsky, who is there at the hospital recovering from an operation and is now so much improved that she has been able to sit up a portion of the time.

IT'S FOOLISH TO SUFFER

When So Many Plattsmouth People are Pointing the Way One

You may be brave enough to stand backache or headache or dizziness. But, if, in addition urination is disordered, look out! If you don't try to fix your sick kidneys, you may fall into the clutches of dangerous disease before you know it. But, if you live more carefully and help your kidneys with Doan's Pills, you can stop the pains you have and avoid future danger as well. Don't experiment—use the remedy Plattsmouth people are publicly endorsing. Read this case:

M. Landerback, contractor, painter and paper hanger, Locust street, Plattsmouth, says: "I had lumbago and kidney trouble. I believe the turpentine fumes from the paint was responsible for it. I could hardly bend or lift anything and I couldn't even turn in bed without help. I had no control over my limbs; when I tried to walk, I could not lift them, just had to stuff them along. My kidneys acted irregularly and the secretions were highly colored and passed with a burning sensation. I used Doan's Pills and before finishing the first box, which I got at Erick & Co's. drug store, I felt better in every way. I used a few boxes and they gave me fine relief. I had another little attack this spring, but I used Doan's the first thing and they straightened me out again in quick order." So, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
