

FATHER W. S. LEETE TO LEAVE THIS CITY FOR A NEW CHARGE

Episcopal Church Rector Receives a Call to Larger Sphere of Activity in Colorado.

From Friday's Daily—
The Rev. Wilbur Scranton Leete, who has for the past ten and a half years been a resident of Plattsmouth and serving as the rector of the St. Luke's Episcopal church, has received a call to a larger sphere of activity in the church work and on November 23rd will leave for this new duties at Evergreen, Colorado, the center of the Episcopal activities in Colorado and one of the largest summer training schools of the church in the country.

In the departure of Father Leete and his wife, Mrs. W. S. Leete, and Madame Leete, the community will experience a distinct loss as they have been very active in the religious and social life of the community during their residence here in Plattsmouth. Mrs. Leete is the state president of the Woman's Auxiliary of the Episcopal church of Nebraska and has served as the regent of the Daughters of the American Revolution and been very active in the community life as has also been Madame Leete, who by her gracious personality has made many warm friends who regret very much to learn that the family will leave the city.

Father Leete in his new charge will be the vicar of the Church of the Transfiguration at Evergreen and have charge of the vicarage and the parish house there.

Evergreen is a thriving little city situated twenty-five miles from Denver up the Bear Creek canyon at the foot of Lookout mountain and within easy motoring distance of the Colorado capital city. It is the home of the largest summer conference of the church in the United States, 400 to 500 people attending the conferences each summer. There are courses for high school students, church schools, clergy and university students.

There are at the camp three large buildings, the Dean Hart Memorial House for men, house for women and the auditorium.

The coming summer it is hoped to have two conferences for all types of church workers on account of the manner in which the work has grown.

At a meeting of both bishops of Colorado, Dean Dagnell of St. Tobias Cathedral of Denver, Dean Chalmers of St. Matthew's Cathedral of Dallas, Texas, the greatest authority on summer conference of the church; Father Hughson of the Order of the Holy Cross and Canon Douglas of Evergreen, Father Leete was appointed as a member of the general committee of these summer conferences.

There will be a meeting of the general committee at Denver on Tuesday, October 21 and Father Leete will leave today to attend this meeting that will carry on the plans of the coming year's work. He will preach Sunday at Evergreen and confer with Canon Douglas.

Father Leete has known both of the bishops as well as Canon Douglas for a number of years and has been a member and attended the summer conferences in 1923.

It was found that the left leg was badly bruised and this caused the patient a great deal of pain, but she was reported this morning as resting as easily as possible under the circumstances.
