WHEN PASSENGER AIRPLANE FALLS

London Craft Takes Fire as It Rises and Lurches to the Ground-Victims Killed by Flame

Croydon, Eng., ec. 24 .- Eight persons were killed at the Croydon aero-Reno, Nev., Dec. 25.—The temper- drome here today. A London-Paris ature reached 46 degrees below zero passenger airplane burst into flames

The machine caught fire and fell shortly after starting for Paris. Among those killed in the crash was Dr. Barbosa Lima, Brazil, who

The airplane which was seen to caring for the wife. Mrs. Cook is state fire warden. Some people call station and yards and coated the burst into flames as it soared above better now and will expect to visit the catastrophe which occurred in tracks with thin ice. The Truckee the aerodrome, came down at Haling

> Rescuers rushed to the scene in automobiles and afoot.

The plane's passengers were burnd to death however, before the first rescuers reached the wreckage. Eye-witnesses said the pilot had ust begun his ascent when the machine fell sideways.

A high wind made futile the pilot' efforts to right the plane. A trail of smoke followed the fallng plane and suddenly a sixty-foot

ourst of flame shot out. When the flaming plane struck the ground its nose was buried deep in the frozen earth. Everything that could burn was destroyed. One of those killed was Cedric

Trudgett, a representative of the Chilean Review. Croyden officials said no American itizens were aboard the death plane. Examination of the charred wreckige indicated the passengers were thrown violently to the fore part of

the airplane by its sudden fall, susburned to death. It is believed all may have been unconscious when the gasoline tank burst.
