Slip a package in your pocket when you go home to-night.

Give the youngsters this wholesome, long-lasting sweet - for pleasure and benefit.

Use it yourself after smoking or when work drags. It's a great little fresher!

SUPERINTENDENT AT HUBBELL

From Thursday's Daily—
The many old school friends and associates of Floyd Stone, will be pleased to learn that he has just been re-elected as superintendent of the schools at Hubbell, Nebraska, where he has been for the past year engaged in school work. Mrs. Stone is also engaged in the Hubbell schools, and both have been very successful in their work and given the greatest satisfaction as shown by their election. Mr. Stone is a graduate of the Plattsmouth city schools, graduating in the class of 1916 and shortly after that entered the army in the world war and served for a two year period and on his return completed his school work at Wesleyan and has for the time since leaving the university been following the profession of teaching.

WILL ENDEAVOR TO EXTEND THE ROAD GRAVELING

Boosters Here Urging Connection of Murray Gravey Road With the K. of T. Project.

From Friday's Daily—
If the funds that are raised for the graveling of the K. of T. highway from this city to the Otoe county line are sufficient, it is hoped to be able to take up this summer the completing of the section of road from the federal highway into the town of Murray and make a hard surfaced road into that enterprising little city as well as the main highway. This is one of the desires of the good roads boosters here who are planning the launching of their project in the next few days. This work will, of course, depend on the funds available and the grading of the road being accepted by the state and federal road departments.

The sentiment for the hard surfacing of the K. of T. road is very strong and is the logical step in the plan of the creation of permanent roads as the check of the highways in the county showed that the D. L. D. at Greenwood was the heaviest traveled and the K. of T. stood second in the check and it is the natural sequence that this should be the next road to be made into a gravel highway as it is all ready for the work and the grading and drainage carried out under the requirement of the state and federal governments.

The work will also almost equally divide the amount of the graveled roads in each of the three commissioner districts as there are already nine miles in the third district and the new K. of T. project will give eight miles in the second district and ten miles in the first district and is a very fair and just equitable division of the road work and will practically complete these two important highways, leaving the way clear when other roads are brought up to the standard demanded, to be graveled and hard surfaced.

The value to the county of hard surfaced roads cannot be overestimated and where they have been tried they have brought the greatest of results.

ALLIANCE MAN HEADS HARDWARE ASSOCIATION

From Saturday's Daily—
J. S. Rhein of Alliance was elected president of the Nebraska Retail Hardware association Friday. C. C. Johnson of Omaha was selected as first vice president and is in line for the presidency next year. George Bischof of Nebraska City was elected second vice president.

New directors are: D. D. Boyd of Columbus, Gale Lawson, Hastings, and Edward Peterson of Minden. The board will re-elect George H. Dettz of Lincoln secretary-treasurer, it is said.

In resolutions adopted not only

hardware men, but retail merchants generally, were called upon to discourage "direct buying" from wholesalers for personal use or consumption. The resolution called upon merchants to patronize their fellow retail merchants in their home towns.

A. T. Hupp, secretary of the Omaha Retail Credit bureau, in the final address before the convention on "Credit," declared no town of one thousand population or more should be without its credit bureau.

FINANCE COMMITTEE TO HAVE CHARGE OF DRIVE

Financing of Community Building to be Undertaken with \$15,000 Goal as Objective.

From Thursday's Daily—
Ten active members of the Legion comprise a Finance committee appointed at the post meeting last night to have charge of the financing campaign for the new community auditorium, and there was set as the objective of this drive the sum of \$15,000—less than half of the architect's estimate of the cost of the building.

The building site, now owned by the Legion, and the financing campaign for the new community auditorium, and there was set as the objective of this drive the sum of \$15,000—less than half of the architect's estimate of the cost of the building.

The building site, now owned by the Legion, and the financing campaign for the new community auditorium, and there was set as the objective of this drive the sum of \$15,000—less than half of the architect's estimate of the cost of the building.

The Finance committee, headed by Henry G. Soennichsen as chairman, and Ed Fricke as vice chairman, has been empowered to call to their aid and counsel non-Legion members, who will give them the insight of their experience in past endeavors of this sort and some of the leading business men and friends of the Legion in this city will be called to serve in such advisory capacity on the committee.

Legion members of this committee are M. D. Brown, Father George Pierce, John Hadraba, Emil J. Hill, Robert Reed, A. H. Duxbury, Otto Lutz and Tom Walling, Jr., thus giving general representation among the business, shop and other interests of the Legion, and augmented with those non-Legion members called to serve in an advisory capacity, should result in a combination of great effectiveness.

The committee has been left free to devise its own plans for putting the drive over and will get busy at once.

The architect's drawing of the completed building will be here Friday, and will be displayed in the window of the Nebraska Gas and Electric company. A cut will also be made and published in the Journal at a little later date.

When the drive is under way, the names of all contributors will be published in this paper and the enthusiasm recorded as the mercury in the Big thermometer at the Bates Book store corner begins to rise toward the goal will add interest to the campaign.

Last night's meeting was a most enthusiastic one and in addition to the community building project, which of course received the greatest attention, the matter of organizing "40 and 8" clubs was discussed as "40 Hommes, 8 Cheveau," was discussed and an application for a charter will be secured at an early date. The "40 and 8" is the playground of the Legion and to be eligible for membership in it, a man must not only be a Legionaire, but he must have done at least one good turn for his home post.

WINTERSTEEN HILL PARENT-TEACHERS MEET

From Saturday's Daily—
The Wintersteen district Parent-Teacher's association held their regular business meeting at the Wintersteen school building, Feb. 6, at 7:30. There was a good crowd and Superintendent C. E. DeWolf spoke to the meeting. His address was warmly enjoyed by all and we are very grateful to Superintendent DeWolf and he will speak again for us in the near future. The bills for the box social were voted upon and ordered to be paid by the treasurer, Mrs. Baldwin. Our next meeting will be on Feb. 17, as this is the birthday of the national organization and we expect to have a social good time after the program. A committee was appointed to see about getting trees to be planted on our school grounds.

At the close of the meeting a beautiful Bible was presented to the Wintersteen school and the Parent-Teachers association by the "Knights of the Ku Klux Klan," of Wintersteen Hill. This will enable us to teach more of the Bible in our school and Parent-Teachers association.

NEW SON ARRIVES

From Saturday's Daily—
Mr. and Mrs. Frank Ptacek are rejoicing over the arrival at their home of a fine little son and heir who, with the mother, is doing very nicely. The happy father of the little son arrived here yesterday from Sedalia, Missouri, where he is now employed by Missouri Pacific and will enjoy a few days visit here with the family. The occasion has brought a great deal of joy to the little sister and the other relatives of the little man.

PASSING OF MRS. THOS. F. JAMESON

Long Time Resident of Cass County Dies at Lincoln—Laid to Rest at Weeping Water.

Mary Louise Hobson Jameson was born April 15, 1864, at Mount Pleasant, Cass county, Nebraska.

She was the daughter of Wm. H. and Temperance Goodman Hobson, her father having emigrated from North Carolina and her mother from Indiana.

Mrs. Jameson's entire life was spent within the state of Nebraska. She attended school at Mount Pleasant and lived at home until she was married.

Among her early school teachers were Judge Ramsey of Cass county, and Otto Murtz, now of Lincoln.

On the 15th day of May, 1884, she was married to Thomas Fremont Jameson, who had five years before emigrated from Trumbull county, O.

Their first home was established at Weeping Water, and here they lived until about 8 years ago when they moved to Lincoln, where their home is still located. To this union eight children were born—five sons and three daughters. Four of the sons died in infancy; Master Vern died at 11 years of age. The three daughters survive—Mrs. Margaret L. Brendel lives at Murray, Neb., Mrs. Mary Ganelle Bates at Rising City, and Miss Grace Geneva Jameson at home.

Mrs. Jameson united with the Methodist Episcopal church when 19 years of age, and has been a member ever since.

Her faithfulness to Kingdom interests was the outstanding feature of her life. Long is the list of young women who rise up to call her blessed. Her friends were limited only by those who came to know her.

She was for many years a member of the Order of the Eastern Star.

At the time of her death she was 60 years, 9 months and 14 days of age.

She leaves to mourn her loss, her husband, three daughters, two grandchildren, and two brothers—A. B. and William Hobson, both of Weeping Water, and friends everywhere she has lived.

Mrs. Jameson's health began to fail five years ago. She suffered a slight stroke of paralysis, and from this time on had been gradually failing until her decease, which occurred Thursday, January 29th.

In all her long illness and at times of great suffering, she was patient and cheerful, always looking on the bright side of things, which was a strengthening encouragement to those who administered so faithfully during her long illness.

Many of the friends came from Lincoln and other places to attend the funeral services which were held in the M. E. church in Weeping Water. Rev. M. W. Rose of Stromberg conducted the services. He was assisted by Rev. C. I. Rose of Weeping Water.

Those who sang were, Mr. Hoback, Ethel Ratnour, Herbert Ambler, of Weeping Water and Mable Sloan of Lincoln.

The pallbearers were Clyde Corbett of Lincoln, Robert Jameson, William Jameson, Bert Jameson, Ernest Young and Ernest Jameson of Weeping Water.—Weeping Water Republican.

WAR COMES

From Thursday's Daily—
While war has been threatening on the near east front for the past week, the government at Angora has been shaking its fist at the government at Athens, it was not thought that this peaceful land of the United States was to be rudely drenched in blood and war, yesterday afternoon when war reared its ugly head and the fist—not of the mailed variety, however,—appeared, it was startling to the residents of the business section of the city.

Our "War" was short lived as a Mexican revolution and hardly had the notes of warfare rang out that the calm of peace followed.

The warfare occurred at one of the places of business in the city and the participants were the proprietor of the aforesaid place of business and a gentleman who was selling and for another business house of the community. The warfare was purely commercial as many claim was the inciting motive for the world war and the dispute over the justness of the claims involved led to words and, then, on the pity, blows that brought blood and warfare.

As the first blows were struck one of the spectators who was present fled and in his haste almost tore out the doorway of the place retreating, while the others remained and drew near as blow followed blow, first a Benny Leonard had laid aside his crown while yet there was time. The fight was progressing merrily until one of the participants fell against a chair and was rendered groggy and then the battle was stopped by one of the friends who was present and the participants separated to listen to the more calm and thoughtful wisdom of those who had gathered. Fortunately no razors were used.

MAKES IMPROVEMENTS

From Saturday's Daily—
Dr. P. T. Heineman, the dentist in the Hotel Main building, is just having installed a fine new violet ray machine that he will use in his work in the office in treating dental cases and in his practice will find the machine a great aid. The violet ray has become a great asset to the members of the medical and dental professions and the new equipment that has been placed in the office of Dr. Heineman will be a much appreciated aid to his work.

BOY SCOUT WEEK TO BE HELD HERE

Will Open Sunday With Union Services at the M. E. Church and Activities All the Week.

From Thursday's Daily—
National Boy Scout week will be observed the coming week all over the nation and the Boy Scouts of Plattsmouth will also take part in the elaborate ceremonies that will mark the tribute to this very worthy organization of the youth of the land.

Locally the week will be opened by a religious service on Sunday evening at 7:30 at the Methodist church in which the other churches of the city will join. The sermon at the meeting will be given by the Rev. Walter R. Robb, of the Christian church, and a men's chorus will furnish the music for the occasion.

On Monday the Scouts will hold their regular meeting and this will be followed on Tuesday evening by a social hour for the boys, both of these events being held at the high school gym.

Wednesday the Scouts will observe home night and which will enable them to enjoy the home firesides and the companionship of the parents.

On Thursday evening there will be a Father's and Sons banquet held at the parlors of the First Presbyterian church that will be one of the big events of the Scout year and will be a very enjoyable occasion for the boys as well as their fathers. Superintendent Beveridge of the Omaha city schools will be the speaker of the event.

The Scouts will devote Friday to recruiting for their various troops and the week will close with a Saturday hike when the Scouts with their leaders C. H. Peden and J. A. Capwell will enjoy a hike and outing for the day.

MRS. FITZ IMPROVING

From Saturday's Daily—
The reports from the Immanuel hospital in Omaha state that Mrs. G. G. Fitz, who was taken to the hospital Thursday morning, is now progressing very nicely following her operation and it is hoped that in the next few days she may begin to show improvement and soon be on the highway to recovery from her long period of suffering and illness.

Utility
Every Day in the Month
Twelve Months in the Year

More motorists every day come to the conclusion that for year 'round utility there is no more practical or convenient car than a Ford.

The Fordor Sedan is roomy, comfortable, and attractive in appearance—inside and out.

In city traffic it handles and parks so easily that thousands drive it who could readily afford costlier cars.

On country roads it comes through where heavier cars frequently cannot. Such qualities as these have brought the Ford its well-deserved reputation as the "Universal Car."
