EARL A. STANFIELD PROBABLY FATALLY INJURED IN BLAZE

Suffers Serious Injuries When Burning Keg of Stock Dip Explodes At Home At Arapahoe.

From Saturday's Daily—Earl A. Stanfield, for a number of years a resident of Plattsmouth, was seriously, if not fatally burned yesterday morning at his home in Arapahoe, Nebraska, when a keg of stock dip that he was warming, exploded and covered the unfortunate man with the flaming liquid.

The fire occurred Friday morning about 9 o'clock and at the time Mr. Stanfield was engaged in warming up a keg of stock dip, for which he was salesman, getting the liquid in shape so that it would flow easily as he was to deliver the keg to a purchaser out in the country.

Just as a truck driver who was to assist Mr. Stanfield, arrived at the house and started into the kitchen of the home the keg caught afire and the man started to run to the truck for a Pyrene extinguisher that was there in hopes of checking the fire. While he was gone the keg exploded, the burning liquid being thrown all over Mr. Stanfield and the room and in an instant the unfortunate man was ablaze and Earl started to run from the house, his clothing all ablaze and he ran some distance before he was overtaken by the truck driver with his fire extinguisher and which soon put the blaze out, but not until Earl was burned very badly and suffering most intensely.

Mrs. Stanfield was very badly burned about the face and arm as she attempted to aid her husband, but her condition is not thought to be serious.

The house was practically gutted by the fire and the furniture ruined in the attempts to save the building and the ravages of the blaze.

The latest reports yesterday afternoon from Arapahoe stated that the chances for the recovery of Mr. Stanfield are very slight and the attending physicians hold out little hope of saving his life.

The news comes as a great shock to the old friends here and both Mr. and Mrs. Stanfield will have the sincere sympathy of their friends here in the misfortune that has come to them.

GOES TO SIDNEY, IOWA

From Saturday's Daily—This morning Officer Clyde Jackson departed for Nebraska City where he joined Sheriff Carl Ryder of Otoe county, and the two gentlemen drove over to Sidney, Iowa, where there has been unearthed several clues that may apply to the solving of the mysterious and tragic death of Carl Albright, which occurred on the federal highway north of this city on December 22nd. The officers are hoping to find some definite trace of the parties who are supposed to have been here with Albright on the afternoon of the day that he met his untimely death by being burned to death on the highway together with his Ford coupe. There has been some very good clues unearthed and from these the officers hope to get some real results.

CELEBRATE ANNIVERSARY

From Saturday's Daily—The fourth wedding anniversary of Mr. and Mrs. Elvin Craig which occurred on Thursday, February 12th, was most fittingly observed by a gathering of the relatives, friends and neighbors at the home of this estimable young couple.

The evening was spent in playing games of all kinds at which a great deal of pleasure was derived and interest shown by the members of the assembled party. One of the enjoyable features of the evening was the fine luncheon served by the hostess and following this feature of the evening Mr. and Mrs. Craig were presented with a very beautiful bouquet of tulips that came as a gift from the friends. It was a late hour when the members of the party wended their way homeward wishing Mr. and Mrs. Craig many more years of wedded bliss.

FOUR STRAIGHT WINS FOR BLUE AND WHITE FIVE

University Place Basketball Team Bit Dust Before Plattsmouth's Smashing Offensive.

From Saturday's Daily—Four straight wins and the last two from recognized Class A categories is the record of the Blue and White basketball five for this month, the fourth one coming last night when University Place fell before Coach Rother's proteges by the score of 21 to 18. The young Methodists displayed the fastest brand of opposition for the locals seen here this year and forced Plattsmouth to show the best they had—which they did.

Although the whole Plattsmouth team played excellent basketball, showing a coordination of effort heretofore lacking, much credit is due Damian Flynn, who has stepped into the place left by Joe Krejci at center. Last night he caged four field goals and showed the greatest improvement in form of any player on the team. Buttery, Hatt, Hartford and Rebel also performed in faultless style.

Plattsmouth got the jump on the Lincoln suburbanites before the game was a minute old and was never headed, Buttery caging two baskets in quick succession to put his team in the lead.

The half ended 9 to 7 for Plattsmouth.

In the third period the Blue and White drew clear away from their opponents as Flynn and Rebel started locating the hoop, and the third quarter ended 19 to 9 in Plattsmouth's favor.

University Place came back strong in the last eight minutes and threatened to even up the count, but were prevented by Plattsmouth's close guarding and were forced to take the short end of the score.

Surely, with the team now representing them, the students of Plattsmouth High school should get out and support it to the limit, but the remaining home games on the schedule which are only two, the Nebraska School for the Deaf next Wednesday and Cathedral High of Lincoln, Thursday, February 26th.

STONE HOLDING UP WELL

The strip of road leading into town from the east that was covered with crusher run stone last fall is making many friends for stone as a material for building roads. It is possible that stone will be favorably considered by the county as well as the city when the contract is let for building roads leading into town this spring. Louisville is situated that either stone or gravel may be used as both are produced here. At any rate we may be sure of good roads which will be welcomed by all.—Louisville Courier.

PLEASANT AFTER NOON IS ENJOYED YESTERDAY

Mrs. William Baird and Mrs. A. S. Ghrist Hostesses to Large Party of Friends at Recital.

From Saturday's Daily—One of the most delightful social gatherings of the season was the reception held yesterday afternoon by Mrs. William Baird and Mrs. A. S. Ghrist, at the M. W. A. hall in honor of Mrs. J. Dean Ringer and Mrs. F. A. Broadwell of Omaha.

For the occasion the interior of the spacious hall had been transformed into a bower of beauty and charm, all of the settings of the home being in evidence and the decorative features artistic in the extreme. The windows were curtained in white with overdrapes of pink and pink sashmeters while at each window there were a profusion of the pink rosebuds. The color effect of pink was also found in the drapings of the lights in the room, streamers of this hue being employed very extensively in this and also carried out in the baskets of flowers placed throughout the room. The charm of the scene was enhanced by the large rugs placed over the hall and large stands of the beautiful ferns also were used in the decorative plan of the afternoon.

The serving table with its snowy linen and flowers also added a very effective touch to the scene. In the arrangement of the hall the hostesses were assisted by Mr. Taylor of Omaha of the Buick Co., who is a decorator of many years standing and whose work certainly gave a very attractive atmosphere to the pleasant occasion.

During the afternoon Mrs. Ringer was heard in a number of very artistically given piano numbers that delighted the ladies and gave a demonstration of the wonderful talent that Mrs. Ringer has in this line of musical study.

Mrs. Broadwell gave during the afternoon a wonderful dramatic reading of the beautiful poem of Lord

IS YOUR WORK HARD?

Many Plattsmouth Folks Have Found How to Make Work Easier.

What is so hard as a day's work with an aching back? Or sharp stabs of pain at every sudden twist or turn? There is no peace from that dull ache.

No rest from the soreness, lameness and weakness.

Many folks have found relief through Doan's Pills. They are a stimulant diuretic to the kidneys. Plattsmouth people recommend Doan's.

W. Landis, farmer, Lincoln Ave., Plattsmouth, says: "Heavy work strained my kidneys and they acted irregularly. The kidney secretions were scanty in passage, scalded and were highly colored, too. A dull ache settled across my back and when I stooped to lift anything, I could hardly straighten. I felt weak and tired out. After using Doan's Pills from the Mauzy Drug store the trouble was corrected."

Mr. Landis is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Landis had—the remedy backed by home testimony. 60 cents at all dealers.
