John Vantine and wife were visiting with friends in Union for a few hours last Monday evening.

Frank Boggs, who has been working at the insurance business in Omaha, has been home for a few days.

King Clarke of Omaha was a visitor in Union for the week end and enjoyed the visit with the folks very much.

John T. Becker shipped to the South Omaha market a truck load of cattle and also of hogs which he had on the market on Tuesday of this week.

The large plate glass which has been broken at the Hotel Clark was replaced by the Omaha Plate Glass company last Monday morning, thru Mr. L. R. Upton.

Charles Cogdill and G. W. Cheney shipped a load of very fine hogs to the Omaha market on last Monday, which were excellent as to condition and a very smooth herd of hogs.

Judge Lynn held court last Monday morning at the office of Attorney C. L. Graves, having a civil suit on a note held by a Union man against a man living near Nehawka.

Ellis LaRue and wife were guests at the home of Mr. and Mrs. A. W. Propst last Monday evening where all enjoyed the occasion very much, including the fine supper served by Mrs. Propst.

W. H. Porter has been hobbling around with the aid of a pair of crutches as since the accident in which he sustained a very severe cut on one of his feet, splitting one of the great toes. Will seems to be taking it very philosophically, but that does not spell anything. The is giving him much pain just the same.

Roy and Ray Becker shipped a very nice load of fat cattle to the live stock market at Kansas City on last Monday morning and which were accompanied by A. L. Becker, who went to see the cattle sold. As Mr. Becker is a good judge of stock and having been in the cattle business for some time past, he will see that they are sold right.

Rev. and Mrs. C. L. Elliott were in Plattsmouth last Monday where they went to make final proof on their application for citizenship. Mrs. Elliott was successful, while, on account of an error on one of the affidavits and the absence of one of his witnesses, Rev. Elliott was compelled to allow his final proof to go over until the May term of court.

Mr. and Mrs. L. G. Todd and Mr. and Mrs. Ellis LaRue were attending the Merchants' week in Omaha last week where they enjoyed the occasion very much and also received many ideas for the betterment of their business lines. While they were away, Mr. J. D. Cross and wife were looking after the store which insured its best attention to the best service of the public.

The Rev. W. A. Taylor, so the word comes from the hospital where he is receiving treatment and convalescing since his operation there, is reported as getting along nicely and it is hoped he will be able to be home again in the course of about two weeks, so advises the physicians having charge of his case. This will be good news to the many friends of this very popular man.

John Farris, John Hobscheidt, Phillip Keil, Yeager Smith and a number of other people from the vicinity of Murray were in attendance at the sale which was held by E. E. Leach on last Monday. Mr. Leach has been very careful in the selec-

tion of good stock and other goods for his sales and with an excellent auctioneer in Rex Young has a good sale when the advertised date comes around.

Rebecca Craig of Portland, Oregon, arrived in Union last week and visited for a time with her brother, Wm. Craig, of Union, they having not seen each other for the past 22 years. Miss Craig, after a visit of a few days, went to Lincoln to visit other relatives and will also go to Chicago where she has a son and will remain there until late this fall when she will stop here again for a short visit when on her way back to the coast again.

All Doing Better Now.
The family of Mr. and Mrs. John Armstrong, which has been so very sick for some time, and of which hope had almost vanished for the recovery of some of them are at this time all doing very nicely and so much so that the nurse which had been kept since they were so very bad, was allowed to depart the first of this week. The friends of this family are surely rejoicing over the favorable turn affairs and rejoice that the little ones are getting better.

Uncle Wm. Clarence Very Sick.
Uncle William Clarence, who is past his 88th birthday, and who has been quite ill for some time past, is reported as being very serious at this time and with little hope of his recovery. His two daughters were called home, one Mrs. B. B. Everett of near Nebraska City.

Some Fishermen, Sure Thing.
Barrister C. L. Graves, the professor and superintendent of the school, Marshall and Boyd, have been talking fishing for some time and watching the weather every day. All have concluded to go and catch the first fish. Accordingly they were to try to catch the first fish on Monday last Thursday. The barrister slipped away in the afternoon while the sun shone nicely and he was patient, he fished all afternoon and caught nothing. Professor Marshall, could not find any worms and the superintendent, Mr. Boyd, forgot about the fishing when the time came. Now the query is, who is the best fisherman?

Enjoy Birthday Reception.
Master Paul Davis, whose birthday anniversary fell on March eleventh, and his sister's whose falls on the tenth, shared their birthday celebration with their grandmother, Mrs. Mary E. Davis, and with a number of little friends, all enjoyed the occasion very much, with the birthday cakes and merry company. Grandmother Davis and the little folks had a most delightful afternoon.

Hears of Sister's Death in South.
The Rev. C. L. Elliott, pastor of the Methodist church in Union, received word of the passing of his sister, Mrs. R. C. Elliott, at her home at San Diego, Texas. Mrs. Elliott has been in poor health for some time and the end was not unexpected. Rev. Elliott and the family visited with the sister in the south last year and enjoyed the time there very much. Rev. Elliott has the sympathy of a large circle of friends here in his loss of the sister.

GAVE WRONG MEDICINE TO FAMOUS WAR HERO
Los Angeles, March 17.—Coroner Frank Nance announced here tonight, following an autopsy on the body of Saf Dreben, known in two hemispheres as a soldier of fortune, that the picturesque fighting man came to his death Sunday as a result of medicine erroneously administered at the office of Dr. Walter V. Brem. An inquest will be held tomorrow.

According to Nance, a nurse at the physician's office, became confused regarding the medicine which was to be administered to Dreben. Bottles of considerable similarity together in the cabinet, was accepted by the coroner's office as being the reason for the confusion.

Walter Street, who is manager for the S. & H. trading stamp company for the states of Washington, Oregon and Idaho, and who has been here for a few days visiting with his mother, Mrs. M. A. Street, departed yesterday afternoon for New York for a ten-days' conference at the company headquarters before returning to the Pacific coast.

MASONS HOLD VERY FINE SESSION LAST NITE

Impressive Work in Master Mason Degree Given—Fine Supper Served to Members.

From Tuesday's Daily—Last evening, Plattsmouth lodge No. 6, A. F. & A. M., held a very splendid session at their rooms in the Masonic temple that was very largely attended by the membership.

There was work in the Master Mason degree conferred on four candidates at the meeting and the work opened at 3 o'clock with the initiation ceremonies that were continued until late in the evening.

At 6 o'clock the members of the lodge enjoyed a very fine supper arranged by the committee in charge of this feature of the evening and which was enjoyed by all of the membership.

The Masonic quartet, composed of Harley and Clifford Cecil, John Frater and Frank A. Clout, also gave several numbers both at the supper and in the initiatory work.

The members of the lodge enjoyed an excellent address by Judge James T. Begley and responses from the newly made Masons during the course of the evening.

RESOLUTIONS ON THE DEATH OF ROBERT B. WINDHAM

Whereas, One of the inexorable laws of life has been invoked by the Supreme Judge of the Universe, and in the exercise of the Divine Will, judgment has been passed upon the life and deeds of a fellow member of our profession, and Robert B. Windham has passed out of time into eternity, and

Whereas, Looking out from the profound sorrow, which the departure of this noble man left swelling our hearts, we deem it proper and right that he should not go unheralded to the grave.

Therefore, be it resolved by the members of the bar of Cass and Otoe counties, in unity assembled, that this hour be set aside to pay proper respect and tribute to the memory of Robert B. Windham.

Your committee finds with perfect unanimity that the life of Robert B. Windham was an exemplary life; that it was an honor to have his name enrolled and preserved in the archives of this court, as one of our number; that his name stands out prominently in the history of our community and state for the past third of a century or more; that wherever that name is written it carries respect and high esteem; it stands for the highest possible attainments of ideal citizenship, for truth and right, honor and high endeavor. His life in our community has been an open book, whose pages have been inscribed under the pressure of some trials, desperate struggles, oppositions many, as well as in the light of sympathetic friendship, hearty co-operation and the cheer of loved ones; and in this book one must search in vain for blot or blur. He loved his friends and they loved him. Much of his life energy was devoted to lifting the moral standard of our community and state to a higher plane; he wrought intelligently, diligently and persistently for the home which he loved, for the community which he served, for the state and his country to which he was ever loyal, and for his God in whom he believed and whom he devoutly worshipped.

Be it further resolved, That in the life of Robert B. Windham we find much that is noble, much that is heroic and much that is highly worthy of emulation.

Be it further resolved, That these resolutions, by order of this court, be spread upon the records of the court for preservation; that a copy thereof be given to the public press, and a certified copy be furnished to the family of the deceased.

Respectfully submitted,
C. A. RAWLSE,
A. L. TIDD,
W. A. ROBERTSON.
