

Nehawka Department!

Prepared in the interests of the People of Nehawka and Surrounding Vicinity Especially for the Journal Readers.

C. M. Christwiser was a visitor at Plattsmouth last Saturday where he was looking after some business.

C. D. St. John was looking after some business matters in Union last Monday, taking with him a truck load of mill stuffs, for the merchants there.

Warren Munn has been assisting T. E. Fulton, who is busy up to his eyes, sharpening plows and getting the farmers ready for the spring and summer campaign.

Miller and Gruber, the contracting firm, and makers of the concrete vaults, have over hauled and rebuilt their truck and have it in excellent condition for the summer's work.

Henry and Carl Wessell were looking after some business matters in Omaha last Monday afternoon, they driving over to the big city in their car to attend to some business at the stock yards.

R. Chapman Sr., and wife of Omaha have been visiting in Nehawka the guests at the home of their son and his wife, Mr. and Mrs. R. B. Chapman, where they are enjoying a very pleasant visit.

Forest R. Cunningham has moved from Rock Bluffs, where he has been for the past two years sawing lumber, having about exhausted the timber there so he has come to Nehawka where he has a home.

James M. Palmer and wife entertained at their home last Sunday Troy Krats and wife of Nehawka and Mr. and Mrs. C. D. Quinton and family of Plattsmouth when all enjoyed the day most pleasantly.

Thomas Mason, the rural carrier, was a visitor with friends in Lincoln last Sunday, making the trip there in his car. There must be some attraction which caused "Tommy" to make the trip so often.

D. C. West and wife and daughter, Mrs. Walter Wunderlich, and two

grandchildren were visiting Louisville, Weeping Water and other portions of the county where they visited the banks of the county.

R. Kettlehut was in town last Monday and in conversation with the representative of this paper said that the wheat was looking very bad about his neighborhood, and that both himself and C. M. Christwiser had plowed up the wheat and put the ground to oats.

J. G. Wunderlich and wife were in Omaha last Sunday and on their return stopped at Plattsmouth where they enjoyed a supper at the home of their daughter, Mrs. C. A. Rosenkrans, then came home later and during the day enjoyed their drive very much.

C. M. Christwiser was a visitor in Omaha last Monday and on his return brought an oil serving station which is being installed just at the entrance of Plattsmouth. This will be owned and delivered by Mr. and Mrs. Arthur Copenhagen.

Lugsch, the taffer and cleaner of Plattsmouth had a representative in the person of W. E. Goings, in Nehawka and is making the entire county twice per week, soliciting cleaning and delivering same, making two trips per week, and this should be giving pretty good service.

Last Saturday evening John Stewart Rough and wife, who have been away for nearly two weeks, returned home after having enjoyed a most pleasant trip into Iowa and a portion of this state. They were visiting with the children and Mr. Rough tells that the wheat in Iowa is in a very bad condition, and with but scant hope of even having a very limited crop.

Women Bowlers.

St. Louis, April 14.—Are women better bowlers than men? Miss Clementine Mosler, secretary of one of the women's Missouri Pacific bowling teams at St. Louis, has issued a challenge to teams composed of men employees of the Missouri Pacific at Sedalia, Kansas City, Falls City and Atchison, for a match game to be held in the near future at Kansas City or St. Louis, "losers to pay for the game."

Hold Rebekah Convention Today.

Today, Thursday, the district convention of the Rebekah Assembly of Nehawka, Nebraska City, Talmage, Weeping Water and Avoca, are held at the convention at Nehawka and at which time they are having an excellent meeting. The lodge and Nehawka are entertaining the visiting lodges in excellent shape as Nehawka ladies and citizens always do. A worthwhile program is being put over. We will give a full account of the meeting in the coming week's paper.

Nehawka Mill Burns.

The dreaded destroyer, fire, has visited Nehawka and caused great loss twice within a very short elapse of time. The first being the beautiful home of Mr. and Mrs. Mann Tucker, which was a severe loss, and which was hard to bear by the owners, then just about a week later came the burning of the mill, which was also a severe burden on Mr. St. John, the owner, and with no insurance. The risk on this building was high, and it required much in premium to carry insurance. There was a possibility as long as the mill was intact that it might be a factor in the material prosperity of the city, but as it is gone it will not be restored. The blow comes hard on Mr. St. John and is also a blow to the village as well.

Masons Turn Out.

The Masonic Lodge of Nehawka, which has many members living at Union and in the country, turned out in numbers last Sunday for the Easter services which were held at the Methodist church, and the discourse, which was delivered by the Rev. VanDyke, who comes from Lincoln.

A Fine Entertainment.

The Nehawka schools put up a good entertainment in their "Cheer Up, Chad," which the Senior class put on the boards last Saturday and it was so popular that there was not room in the auditorium for those who desired to see the play and it was again presented on Monday night of this week when again a large number of people were there to enjoy the play.

PLATTSMOUTH MAN WEDDED AT HASTINGS

Robert Richards of This City and Miss Laurine Kearney of Hastings Are Joined in Marriage.

From Wednesday's Daily— This morning at 8:30 at the St. Cecilia's Roman Catholic church at Hastings occurred the marriage of Miss Laurine Kearney, of that city, and Mr. Robert Richards of Plattsmouth. The impressive nuptial mass of the church was celebrated by Father O'Brien, rector of the church, and the ceremony was witnessed by a large number of the friends of the young people as well as the relatives of the contracting parties.

The young people will enjoy a short honeymoon on their return to Plattsmouth where they expect to make their home in the future and will be at home to their friends here after May 1st.

The bride is a daughter of Mr. and Mrs. Thomas Kearney of Hastings, and is one of the popular members of the younger social set of that city and a lady of the greatest charm of personality, who possesses a host of friends in her home community that part with her with the greatest of regret.

The groom is a son of Mr. and Mrs. Alexander Richards of Concordia, Kansas, and has for the past two years been a resident of Plattsmouth, being at this time in the employ of the Burlington in the local shops. Mr. Richards is a young man of the highest character and is esteemed by his large circle of friends here who are joining in wishing the greatest of happiness and success to Mr. and Mrs. Richards in the years that are before them as they journey down the highway of life as one.

WILL SPEAK HERE ON SUNDAY, APRIL 19TH

Mrs. Ida B. Wise Smith, director of the Department of Christian Citizenship of the National Woman's Christian Temperance Union and widely known as the only materialist in the world, will address a meeting to be held in Plattsmouth on Sunday, April 19th, at the Christian church at 7:45.

Citizenship and its relation to temperance is the special problem that Mrs. Smith is handling nationally in the 10,000 communities where there are local W. C. T. U. organizations. Through these local unions, Mrs. Smith is arousing a strong public sentiment for better law enforcement and allegiance to the Constitution.

Mrs. Smith is president of the Iowa State W. C. T. U. and is a leading club woman as well as an ordained minister of the Church of Christ.

She was recently honored by being acclaimed one of the ten most distinguished women in Iowa. This honor was conferred by the Governor's special commission because of her contribution to social service and moral protective legislation. She was also appointed by the governor of Iowa as one of the speakers to Institutes and citizenship conferences.

In answer to a question as to what the W. C. T. U. is doing to further better law enforcement, Mrs. Smith said, "We are going to stick to our program which has been successful around the world for fifty years. It is to agitate, educate, organize. That was a vital factor in writing prohibition into the Constitution. It will be as vitally useful in keeping it there."

The Houston Chronicle says of Mrs. Smith: "She speaks in a calm, clear voice without any theatrical pose or stridency of gesture or language."

"There is nothing spiteful or unkind in her attitude toward the opponents of prohibition. Her arguments are based on reason. She lays the facts on the table and lets the audience decide for itself whether it will express itself through the ballot and in daily life in favor of law enforcement or whether by a 'good indifference' it will permit the forces of evil to triumph in the breaking down of respect for law, allegiance to the government and the eradication of the liquor traffic according to the expressed will of the people of the United States."

"Mrs. Smith asked, 'Do you know of any other organization fifty years old which has never had to change its policies? Do you know any organization formed half a century ago which so definitely aligned its program to world needs that its first object still stands?'"

"Mrs. Smith's experience as a teacher and her knowledge of her subject make her one of the most active members of the lectureship board."

MARVIN ENTER-TAINERS PLEASE ELKS MEMBERS

Musical Entertainment and Vaudeville Given By Johnny Marvin and Edna May.

From Tuesday's Daily— Last evening the members of the Elks club and their families had a real high class vaudeville entertainment offered them at the club house on North Sixth street when Johnny Marvin of "Go Long Mule" fame, and Edna May, charming and attractive Broadway star, appeared as the headliners of the evening's program.

These two talented musicians afforded an hour's program of the greatest enjoyment to the audience in the rendition of popular songs, clever skits and as a whole the entertainment was one of the best that has been seen in the city in a long time.

Affording a pleasing feature of the evening was the recording of a selection of two of the little ladies present, which was conducted by Mr. Marvin and a few moments later the young artists had the pleasure of hearing their selections given on the Victrola.

Following the musical entertainment the New York Melody Men, who were here as a part of the Marvin attraction, played for the benefit of the lovers of the dance and until after the midnight hour the floor was filled with the joyful groups of young and older people alike who are delighted to the fullest extent the popular and tuneful numbers that were given by this high class dance orchestra. In the personnel of the orchestra were H. W. English, Russ Senter, Pat Atkins, Buss Myers, Ed Stenner, Butch Johnson and George Gray.

The dancing public were much pleased with the announcement that the orchestra would appear here again on Saturday evening, April 18th at the Eagles hall at a public dance.

HOW THE BONDS FAIRED

The canvass of the vote made by the city council last evening gave the first complete and accurate result of the vote on the members of the board of education and the gravelling bonds proposition.

There was no opposition to the first and second candidates and both of the candidates had a clear field and the following is the vote given on the candidates:

Wards	E. A. Wurl	F. L. Cummins
1st	207	184
2nd	217	218
3rd	204	192
4th	117	117
5th	77	75
Total	822	781

On the gravelling bond proposition the first and second candidates had a majority of the vote and which with the small favorable majority in the second ward gave the bonds a total majority of 32 in the city but which was insufficient to carry them over. The vote in the various wards on this proposition was as follows:

Wards	For	Against
1st	148	70
2nd	114	108
3rd	99	109
4th	45	68
5th	31	51
Total	438	406

RECEIVES SAD NEWS

From Tuesday's Daily— This morning Mrs. William Baird departed for Lincoln in response to a message announcing the death in that city early this morning of Clayton Barber, a nephew, the death of the young man occurring very suddenly at the home of his parents, Mr. and Mrs. J. C. Barber, who had moved to Lincoln about a year ago.

Mr. Barber was only twenty-one years of age and has for several years past been suffering from an affliction that has greatly hampered his school work and making him practically helpless at times, but in spite of this he has carried on his work and has acquired a notable reputation as an author and literary worker that was recognized throughout the state. The family will have the sincere sympathy of the many friends in this city over their bereavement that has come to them so suddenly.

ENTERTAIN AT DINNER

From Monday's Daily— On Easter day, Mr. and Mrs. T. H. Pollock entertained at dinner at the beautiful country home of Mr. and Mrs. Oscar Gopen, south of this city where the party enjoyed one of the fine dinners prepared by Mrs. Gopen which was one of the feasts that can be found only in a Cass county farm home. The table decorations were of the Easter season and very attractive and added to the pleasantness of the event. Those comprising the party were: Rev. and Mrs. H. G. McClusky and daughter, Miss Catherine; Miss Ethel Hughes of St. Joseph, Missouri; Mr. and Mrs. G. E. DeWolf, Mr. and Mrs. C. A. Rawls, James K. Pollock and Miss Alice Pollock.

FORMER PLATTSMOUTH GIRL TAKES LEADING ROLE IN PLAY

Miss Blanche Braun, daughter of Mr. and Mrs. A. F. Braun, former residents of this city, is appearing in the leading role in the play to be presented by the dramatic club of the South high school at Omaha. The Morning World-Herald today has a very striking likeness of this former popular Plattsmouth girl and her old school friends here will be pleased to learn of the recognition of her talents in the Omaha school. While living here, Miss Braun appeared in a number of local home talent productions in which she displayed unusual ability.

EASTER AT THE PRESBYTERIAN CHURCH

Beautiful Services Mark Resurrection Day at This Church and Many Attend Services.

From Monday's Daily— The ideally beautiful day given us for Easter was a large factor in making the Easter services at the Presbyterian church among the best in the history of the church. The Endeavorers were in attendance in large numbers at the Sunrise prayer service at the church, which was a very impressive service, led by Miss Estelle Baird, Frank Clotary sang, "I Know that My Redeemer Liveth."

The Sabbath school had a record attendance to listen to the program arranged by members of the Beginners and Junior departments. The little folks vividly pantomimed the opening of the spring flowers in actions set to song.

The morning service at church showed nearly every seat filled with an audience reverent and worshipful. The abundance of Easter flowers that banked the altar, gave their charm for such reverence. Several members were added to the church by letter, baptism and confession. The choir gave special numbers and the congregation were especially favored by a solo on the Easter theme by Mrs. Edna Pettys, of Omaha, formerly Edna Marshall Eaton, who sang a solo of her own composition, both words and music, making the trip from the metropolis especially for this service.

Nearly every one in the audience partook of the Communion which followed a short sermon by the pastor on "The Last Great Change."

The evening service consisted of a cantata entitled "Victory," given by the choir, and which was pronounced an excellent service, especially favored by a solo on the Easter theme by Mrs. Edna Pettys, of Omaha, formerly Edna Marshall Eaton, who sang a solo of her own composition, both words and music, making the trip from the metropolis especially for this service.

Much credit is due Mrs. Black for so ably drilling the choir, as especially Mrs. Gooch at the organ, Mrs. Caldwell on the violin and the individual members.

A "PERFECT 36"

From Monday's Daily— This expression has often been used in describing the goal of some feminine heart, but in this case it has nothing to do with the ladies. To the contrary, it involves one of our best known and popular citizens, Clayton A. Rosencrans. In fact, Mr. Rosencrans not only attained a perfect 36, but two of them on the same day at the golf course. As has been predicted in this valuable family comfort, Clay is a strong contender for the 1925 golf championship, and to show his stuff to the doubters who are members of the club he motored out yesterday and hung up two scores of 36 each, one of the best showings that has been made this season. The splendid score made by "Rosy" has caused considerable heart-burning on the part of others who have not yet reached this score and when he motored to Omaha this morning some of his friends (?) insinuated that he was arranging to have his score broadcast from Station WOAW, but we think this statement is based on jealousy and envy rather than the truth.

MANY ATTEND CONCERT

From Monday's Daily— The concert given by John McCormick, at the auditorium in Omaha, this evening is one of the leading musical events of the year in the state metropolis and a very large number of the Plattsmouth people are planning on motoring up this evening to hear the great American tenor and who is, without doubt, the most popular artist on the concert stage today. There has been reservation made for over forty from this city already and a great many others are planning on securing their tickets when reaching there tonight. The recent radio concerts given by Mr. McCormick has increased his popularity with the American people, as his concerts were listened in on by millions of the people and in the cities that he is now visiting there are capacity houses to see him in person and enjoy the beauty of his wonderful voice.
