WEDDING BELLS RING IN ALVO NEIGHBORHOOD

Two Marriages Bring New Faces to Dwell in Attractive Little City of Western Cass. Co.

From Thursday's Daily— In the past few days the Alvo locality has been invaded by Cupid and several of the well known residents of that community have deserted the lines of single blessedness and are now engaged in starting in on their lives in their new homes.

Saturday a party of four of the well known young people of the vicinity of Alvo motored down to Marysville, Kansas, where they were married Saturday afternoon at the Methodist parsonage at that place. The first couple was Ellis Mickle and Miss Hazel Hardnock, well known and popular residents of the western portion of the county, the bride being a daughter of Mr. and Mrs. Sam Hardnock and the groom a son of Mr. and Mrs. William Mickle. Accompanying them to Marysville were Carl Rosenow and Miss Pauline Snaveley. Mr. and Mrs. Mickle will reside on a farm near Alvo.

James Friend, one of the old time residents of Alvo, is the last of the trio of gentlemen of that city to become a Benedict, as he and his bride, formerly Mrs. Jane Day, of Winfield, Kansas, have just returned home to start in housekeeping. They were married at Winfield ten days ago and have been enjoying a short honeymoon before locating at their permanent home.

The many friends over the western portion of the county are joining in wishing these newlyweds all the happiness that they so well deserve and trust that the future years deal very kindly with them.

August has some two hundred acres which he is putting to corn, having had to plow up some of his wheat because the stand was very uneven due to the dry weather. He is putting in all the corn himself but expects to have the assistance of the boys in tending it after the close of the school year.

Obituary, John Jacob Clites

John Jacob Clites was born in South Hampton Mills, Pa., on July 25, 1855. His childhood days were spent in Illinois and later he moved to Iowa with his parents in 1871.

In the year 1880 on June 1st, he was married to Miss Anna Campbell, of Emerson, Iowa. To this union were born five children, three boys and two girls, Lancelott, Ivan, Oral, Maud and Pearl, all of whom survive his passing, with the exception of Oral, who died in infancy. All of those living were present except Pearl, who resides in Montana.

Mr. Clites was baptized and united with the Reorganized church of Latter Day Saints in 1884.

With his family he moved to Alvo on March 1st, 1900, and has been a constant resident of this community ever since, with the exception of a year spent at Roy, Montana.

During his final illness, he was ever patient and faithful and told his family when the Lord was ready, he would go, whichever way he wanted. Death came so peacefully his passing was scarcely noticeable, on Saturday evening, April 25th at 10:35, he being aged 69 years and 9 months.

The removal of Mr. Clites takes from our midst a kind, loving husband and father, leaving a host of friends in the community who will always remember him as "Daddy Clites," a name by which he was very proud to be called.

The funeral services were held at the home, conducted by Rev. C. A. Norlin and burial was in the Alvo cemetery.

MOSCOW IN RIOT OF RED

Moscow, May 1.—All the ordinary activities of Russia stood still today while endless legions of workers, soldiers, communists and boy and girl scouts, forming mile-long battalions and carrying inflammatory banners, celebrated May Day in true bolshevik fashion. Government offices, stores and factories were closed, the workers being given a three-day holiday. Moscow was a riot of red, and every public building flaunted flaming lithographs of Karl Marx, Lenin and other bolshevik leaders. Specially constructed loud speakers of enormous size, an innovation in Russia, carried the voices of the communist orators to all parts of the city. Red army recruits took the oath of allegiance in front of Lenin's tomb to support the revolution.

Great plans are under way at the University of Nebraska for the Fourth Annual Cornhusker Round-Up May 28, 29 and 30, three days of festivities on the university campus in Lincoln. Each hour of each day is to be filled with reunions, parties, ceremonies on the campus, athletic events and "get-togethers" of every sort.

The entire student body will be on hand and with hundreds of alumni to join in the gayety the Round-Up promises to be the finest ever. William Norton of Polk will deliver the oration of the day and of course the identity of the May Queen and her attendants will be kept secret until the procession appears on Ivy Day morning.

Friday's program will include the alumni and alumnae meetings, two ball games, the college lunches, and in the afternoon the annual "Compet." R. O. T. C. competitive drill, circuit designed for Mothers' Day will appear in a mystery play at the Orpheum Theater. On Saturday there will be class breakfasts, a memorial service in keeping with the spirit of the day, the big alumni luncheon at noon and a dance drama and student circus will be held in the afternoon.

Both Friday and Saturday evenings will be set aside for the organization banquets—dozens of them. Saturday night the old army will be the scene of one grand alumni "mixer."

Sunday will be the gala day with Rev. Hart Jenks of Omaha as the speaker. Graduation exercises will take place June 6 and the commencement speaker will be Dr. Geo. E. Maclean, former chancellor of the University of Nebraska.

This year has been chosen as the general headquarters for the Round-Up and most of the interesting events scheduled on the week's calendar will be held there.

TINNERS TRIM UP MILL MEN LAST NIGHT

Burlington Shop Men Battle On Baseball Field and Honors Go to the Tinners.

From Saturday's Daily— Another of the series of games between teams selected from the different departments of the Burlington shops, was staged last evening after working hours at the local baseball park. The result of the battle was that the tinners were the victors over the employees of the planning mill by the score of 11 to 4.

The mill team had been much elated over its victory last week from the backsmith shop and figured the tinners would be easy victims for their skill but the handlers of the sheet metal sprung a real surprise and copped an easy win of the game.

For the tinners, Louie Wooster was in the box and the youthful ball tosser proved a real problem for the mill workers as he held good control and the catching of Ed Gradiville served materially to strengthen the team and hold them steady in the critical stages of the game. Gaylord of the mill team was able, however, to nick Wooster for the lowest hit of the game, a triple to center field.

For the mill, Sharp, who had made an excellent showing in the previous game, was nicked for a number of hard hits and the fielding of his teammates was not up to its usual high standard, permitting much scoring on the part of the tinners, who grew weary at times of the race around the sacks for runs.

The two teams are both looking for new prey to take on and the tinners will probably clash in the next few weeks with both the machinists and the freight car department, both of which are contending for the shop league flag.

The lineups of the two teams were as follows: Mill—Sharp, pitcher; Fulton, catch; Richards, 1st base; Brown, 2nd base; Fyfe, 3rd base; Drago, shortstop; Gaylord, center; Babbitt, right, and Spitznogle, left.

Tinners—Wooster, pitcher; Gradiville, catch; Rehal, 1st base; Shea, 2nd base; Warga, 3rd base; Schless, short; Nelson, right; Copenhagen, center; Hagerman, left.
