

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

No. 7

Question: What indicates best what people think of their motor cars?

Answer: Whether they buy another of the same make when they come to buy a new one. More than 75% of the Buicks built each year are purchased by former Buick owners.

G. E. WESCOTT'S SONS "ON THE CORNER"

WOMAN'S AUXILIARY MEETS AT THE J. S. LIVINGSTON HOME

Episcopal Ladies Have Very Pleasant Time and Enjoy Very Strong Program.

From Saturday's Daily.—Yesterday afternoon the woman's auxiliary of the St. Luke's church met at the home of Mrs. J. S. Livingston in the Coronado apartments and the occasion was one that brought out a very large number of the members of this important society of the church, representing the missionary work of the church.

The program of the afternoon was in charge of Mrs. George E. DeWolf, who gave a most interesting paper on "China," the subject of the present year's course of study of the ladies. Mrs. DeWolf took up at some length the discussion of the habits and customs of the people of the less civilized sections of the world, and their belief in the wicked spirits infesting the body of man and to which they devote many of their religious ceremonies to banish the plagues.

The only feature of the afternoon that brought regret was the fact that the society is soon to lose one of its active and hard working members, Mrs. Frank Dunbar, who is soon to leave for California. The general regret of the ladies was expressed by Frank L. Cummins, president of the auxiliary, at the near approach of the time when the ladies would have to lose their co-worker.

Mrs. Dunbar very feely responded to the expressions of her associates and told of the many pleasant associations that had marked the past years in the work of the church organizations.

In the entertaining of the afternoon, Mrs. Livingston was assisted by Miss Dora Fricke and the ladies prepared a very dainty and delicious luncheon that added very much to the completion of the occasion.

PARK BOARD REORGANIZES

From Saturday's Daily.—The Park Board has reorganized for the year beginning May 1st, by the selection of Mrs. John Gorder as president and Elmer Webb continuing as secretary. Mrs. E. Wescott, the other member of the board, was president during the past year.

A good bit of shrubbery has been set out by the board and present plans call for a row of Japanese barberry around the outer edge of the upper Main street parking and a cobblesone walk across the parking at the center of the block. It is hoped that this convenience will aid in keeping pedestrians off the grass, which has had to be reseeded in many spots due to being tramped out.

Upon the completion of the paving on Webster boulevard the board plans to have set along each side of the drive, rows of Moline elms, the new ornamental shade tree and this with other upkeep expenses for the different parks will consume the greater part of funds available from the 3-10 mill levy made for park purposes the past few years.

The board has retained the services of William Thorburn, the efficient caretaker during the period from now to September 1st. The apportionment of park upkeep among the members of the board is the same as last year, namely: Mrs. Wescott—Riverview park and Chicago avenue parkings; Mrs. Gorder—Tourist park and Washington avenue parkings; Mr. Webb—Garfield park, Wintersteen park and baseball grounds.

DEATH OF C. S. ALDRICH

The death of C. S. Aldrich, well known banker and attorney of Elmwood, occurred on Sunday morning, while Mr. Aldrich was in attendance at the services at the First Methodist church. The death came very suddenly after several years of illness due to diabetes. A further sketch of Mr. Aldrich will be given. The wife of Mr. Aldrich is Bess Streeter Aldrich, the well known authoress.

MOTHER'S DAY SUNDAY, MAY 10

The day set apart annually to honor and revere our mothers, is near at hand. Sunday, May 10th is that day.

Your mother, if she is living, is worthy of every affection and remembrance you can bestow upon her and we would like to call your attention to the fact that this year you will find a very fine line of Mother's Day goods at the Bates Book and Gift Shop, such as beautiful mottoes in frames, handsome greeting cards from 10c to \$1. Fancy stationery, especially designed for Mother's Day packages. Many gifts of all kinds—handbags, beads, toilet articles, etc.

You will make a mistake if you fail to see this line early. BATES BOOK AND GIFT SHOP.

ENTERTAIN FOR FRIEND

From Friday's Daily.—Last evening the Misses Mia and Barbara Gering entertained very delightfully at their home on North 6th street at a 6 o'clock dinner for Mrs. Frank H. Dunbar, who is soon to leave for California to make her home in the future. The charm of the attractive Gering home was enhanced by the spring flowers that made a fine setting for the occasion.

Most every school demand in the way of stationery, pencils and ink may be had at the Bates Book and Gift Shop. The very best grade of history paper for 7 1/2 per ream.

"SILVER DOLLAR" CAMPAIGN IS HALTED NOW

Washington, May 1.—The treasury has failed in its attempt to put 40,000,000 more silver dollars into circulation. It was announced today. The silver dollar campaign, which was started last summer, in order to save the government about \$1,000,000 a year in engraving costs, has been definitely abandoned.

Assistant Secretary of the Treasury Dewey, who has charge of the manufacture of currency favored metal money because it lasts almost indefinitely, while paper money constantly wears out and has to be replaced.

BIG MORTGAGE IS RECORDED

Wabash Railroad Gives Mortgage to New York Bonding House Requiring \$40.60 Fee.

On Monday, County Recorder Miss Hattie Brown received for recording an instrument of some bulk, the largest since she assumed the office. The instrument was a mortgage given by the Wabash Railway Co. to the Equitable Trust company of New York and Edward B. Pryor, and covers all of the Wabash Railway lines and branches from Toledo, O., westward to its terminus. The instrument covers 133 pages of typed matter on sheets 8x10 1/2 inches and the fee for recording was \$40.60. It must be indexed in three books. There are nine properties designated covered by mortgages. These range from \$200,000 to \$33,891,000 and the grand total is \$68,443,526. Most of this sum is in re-funding. A part is to pay for improvements, extensions, and equipment. It will be necessary for Miss Brown to type the entire book.

On February 23, 1922, during the incumbency of Harry Widows, the C. B. & Q. Railroad company filed a mortgage in favor of the First National bank of New York for the sum of \$75,120,000. The fee in that case was \$63.50. This instrument was not typed but bound and entered as a book of record.—Glenwood Tribune.

OLD FIDDLERS' CONTEST

The American Legion at Nehawka who are for sure a live bunch when it comes to doing things, have concluded a unique entertainment in the shape of a Fiddlers' contest, which also embraced other favorite musical instruments, such as mandolin, accordion and the mouthharp. There were a large number of the citizens and Nehawka and the surrounding country out to enjoy this entertainment.

Many noted fiddlers and players on other instruments contributed their skill to the good of the entertainment, among whom was Uncle N. Balfour, who has a reputation over this and other portions of the country extending into other states.

The following comprise the list of players, as well as the prize winners in each event: Fiddle—Chester Waldo, Nehawka, first; H. H. Stoll, Nehawka, second; P. A. Hansen, Nehawka, third; W. S. Steel, Nehawka, fourth; Fred Dow, Nehawka; August Becker and J. H. Miller, Wyoming; J. P. Wilson, Union; P. V. Smith, Bloomfield; William Balfour, Nehawka; Max Churchill, Murray.

Mandolin—George Poulos, Nerawka, first; Paul Schlichtemeier, Nehawka, second. Accordion—Edwin Johnson, Nehawka, first; E. Dan Anderson, Nehawka, second; H. H. Stoll, Nehawka.

Mouth Harp—Henry Sturm, F. C. Schoemaker and Fred Dow, Nehawka, all received first prize.

SENATOR NORRIS SCORES GOVERNMENT REPORTS

Washington, May 1.—Government reports on financial and economic subjects are being "doctored" and misleading statements are being disseminated, Senator Norris of Nebraska said today upon his return from a visit home. Norris said he based his conclusions upon information obtained from bankers and business men of Nebraska, who have been making a critical study of government reports being issued by the federal reserve system in which a rosy view is taken of the financial and economic outlook.

While there has been some improvement in agriculture, Norris said, it does not "justify the glowing reports" being made by the government agencies on the subject. He added: "There is always a free circulation of money, and wages will remain high as long as loans are freely made. But there will come a time when the loans must be paid and then we are liable to face a panic."

RESIGNATION OF SOLICITOR GENERAL BECK ANNOUNCED

Washington, April 30.—The resignation of Solicitor General Beck, to take effect upon the appointment of a successor, was announced formally today at the White House.

In his letter of resignation, Beck told the president he would like to remain until the present term of the supreme court ends in June, but added that "after the hard work of the last four years I want to get a good rest before resuming the practice of my profession."

When he was appointed solicitor general in 1921, Beck was engaged in private law practice in New York. Previously he had served as United States attorney for the eastern district of Pennsylvania and an assistant attorney general between 1900 and 1903.

CHANGE IN POLICE FORCE WILL TAKE PLACE ON SUNDAY

William Hinrichsen Will Retire From the Force After a Service of Four Years for the City.

The change in the police force of the city that marks the transfer of the chief of police from William Hinrichsen to A. R. Johnson, the newly appointed chief, will take place Sunday according to the latest plans of Mr. Johnson, and who will serve in the capacity for the present term of office.

Mr. Hinrichsen has been a member of the police force for several years, being appointed a member of the force by former Mayor Johnson serving as night police and for the last two years as chief, one year of this service being under Mr. Johnson and one year under Mayor Suttler.

This office is one of the greatest responsibility and the position is not one that tends to increase the popularity of the occupant of the office, as the discharge of the duties of a police officer is one that brings with it much trouble and annoyance as the officer is sometimes called upon to perform many very distasteful matters in handling the office and especially in making arrests sometimes that breaks many warm friendships that perhaps the officer may have enjoyed for years.

Mr. Hinrichsen has served a period of years in the police department and has in that time met with the usual amount of kicks and protests, but has given very faithful service in the interest of the city and will be now able to enjoy the peace and quietude of the civilian life and not be worried over the enforcement of the law.

T. B. TESTING BEGINS MONDAY

The testing of cattle in this precinct for tuberculosis will commence Monday, May 4th. At this time several precincts have already been tested and the work will be continued until the entire county has been gone over. During the week those doing the testing have been working in Mt. Pleasant precinct.

When the herd of B. Wolph, southwest of town, was tested a short time ago, about 25 per cent of his animals were found to be affected with this disease. Last week a car of the diseased cattle were shipped to Omaha and all were condemned as far as being used for packing was concerned. We understand there 29 head in the consignment.

It was quite a surprise to the owner when this large number was found to be infected in his herd and he shipped them to market as soon as possible. It was also a severe blow as the loss amounted to a large sum, but he was glad the fact was discovered so that he may combat it in the future.—Nehawka Enterprise.

GET RID OF THAT BACKACHE!

Plattsmouth People Point the Way.

The constant aching of a bad back. The weariness, the tired feeling. Headaches, dizziness, nervousness. Distressing urinary disorders—Are often signs of falling kidneys. Get rid of these troubles!

Use Doan's Pills—a stimulant diuretic to the kidneys.

Hosts of people recommend Doan's. This is a Plattsmouth case. You can verify it. Mrs. Maggie Kaufman, 624 S. 6th street, says: "I felt weak and depressed and my housework was a burden. Every move I made sent sharp pains across my back and my back was so sore I could hardly rest at night. I became dizzy and had headaches, too. My kidneys were weak and acted irregularly. I used one box of Doan's Pills and they cured the trouble. It is very seldom I need anything to stimulate my kidneys."

Mrs. Kaufman is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Kaufman had—the remedy backed by home testimony. 60 cents at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

JUNIORS TENDER FAREWELL TO SENIORS

ANNUAL BANQUET HELD LAST EVENING AT M. W. A. HALL MOST PLEASANT AFFAIR

VERY BEAUTIFUL SETTINGS

Decorations Arranged Artistically and Splendid Program is Enjoyed by the Two Classes.

From Saturday's Daily.—

The first event that marks the close of the happy school days for the seniors of the high school was held last evening at the Modern Woodmen hall in the banquet tendered by the junior class to the seniors who are in the next few weeks to pass out of the city schools.

Each passing year the juniors arrange these pleasant gatherings in honor of their associates and each brings with it the enjoyment of social features and the regret that comes from the separation of the four years association in the high school.

The junior class of 1925 can feel well pleased with the wonderful manner in which they carried out their part of the arrangements, as there was nothing left out of the banquet that could possibly add to the enjoyment of the members of the two classes.

The hall was arranged in a very beautiful manner and was one of the attractive settings furnished for any of the Junior-Senior banquets. The walls and windows of the hall were covered with shades of lavender, strips of the black crepe paper outlining the walls into panels. The lights of the hall were also shaded with the lavender and cherry, the seniors colors while at the windows bows of cherry colored crepe paper added to the color scheme.

The tables were arranged in the streamers of lavender and cherry while the black candles were used in the decorations most effectively and presented a very rich and artistic appearance.

The ceiling of the hall was entirely hidden by the green foliage and the white blossoms of the early spring-time season whose perfume also added to the charm of the scene. The ladies of the Presbyterian church had in charge the serving and with their customary skill and grace served a very dainty repast that furnished a happy start of the evening. The menu was as follows:

- Raspberry Sherbert Chicken Supreme in Patties Potatoes Parisienne Buttered French Peas in Ramekins Beef Rosettes Hot Rolls Preserves Pineapple and Pimento Cheese Salad Brick Ice Cream French Pastries Salted Nuts Coffee

While the ladies were serving the banquet and the members of the two classes participating in the enjoyable occasion the Muzzy orchestra of Omaha, gave a very delightful musical program that added to the enjoyment of all of the members of the party.

The toast list was presided over by Carl Kiehl, president of the junior class in his customary pleasing manner and who introduced the various speakers of the evening with well chosen and appropriate remarks.

The response for the freshmen class who are now becoming sophomores was given by Edgar Wescott and who gave the impressions of the lowerclassmen of their associates and particularly the seniors of 1925.

For the sophomores who are the juniors of 1926 and who will have the next banquet to arrange George Swatek was heard in a short and very clever address of greeting to the other classes of the school.

In extending the greetings of the juniors to their friends of the senior class and in the farewell to them, Miss Violette Begley was most pleasing.

The response or "signing off" for the seniors was given by Damian Flynn, the president of the seniors and was very cleverly given by the able young man who has headed his class in its high school work.

The faculty of the school was heard from by Miss Irene Paril, who touched on many points of interest in the school life of the past few years when the boys and girls of the seniors have been passing through school.

The congratulations of the board of education was offered by Searl S. Davis of the board of education in his usual pleasing manner and in which he took several friendly and humorous jokes at the expense of the members of the senior class.

DON'T FORGET YOUR MOTHER

She who watched over you and cared for you in the tender, helpless years of your life, if she be alive today, is deserving of every affection and remembrance you can bestow upon her.

We would like to call your attention to the fact that this year you will find a very fine line of Mother's Day goods at the Bates Book and Gift Shop, such as beautiful mottoes in frames, handsome greeting cards from 10 cents to \$1, fancy stationery especially designed for Mother's Day packages. Many other gifts of all kinds—handbags, beads, toilet articles, etc. You will make a mistake if you fail to see this line early. BATES BOOK AND GIFT SHOP.

"Say It With Flowers!" Mothers Day—Sunday, May 10th We have a splendid line of Carnations, Roses, Snapdragons, Sweet Peas and Calandula. HENRY JASPER, Florest Greenhouse Phone 34 On Display the 9th at Mumm's Bakery.

LEGION NEWS!

A column appearing in the Daily Journal on Saturdays Decoration day four weeks off.

We are practically assured of the services of Dr. Earl Bellinger, Council Bluffs, as speaker, but will be advised definitely the first of the week.

Dr. Bellinger is highly recommended by General Mat Tinley, who, by the way has agreed to come to Plattsmouth in 1926 as the speaker. General Tinley has had a date at West Liberty, Iowa, for more than a year, and could not come this year on that account.

The Legion will hold its own ritualistic memorial services at the Legion plot in the cemetery during the forenoon, including the customary volley of shots by the firing squad.

May 21st is the big convention date at Falls City and from present indications a large number of the local membership will go. The main program doesn't start until after noon, so there will be ample time to reach there, leaving here around 9 o'clock in the morning. Coming back—well, that's another story.

Next Wednesday is the regular monthly meeting for May and a full attendance of the members is desired. Attendance at the weekly meetings has fallen down to a mere handful of the finance committee, so let's pep 'er up next Wednesday and all turn out. The regular monthly meetings will be held at the M. W. A. hall again, those on other Wednesdays being held at the undercroft of St. Luke's church.

Fred Lugsch, entertainment committee chairman is on the lookout for some money-making enterprise for the spring season and would not bar a good, clean carnival, but it must be a good one.

The interest of the public in our proposed new building is not lacking, and every day inquiries are directed to the post officials on the progress that is being made. The securing of the Knights Templar concave for Plattsmouth is all the more reason why the Legion should redouble its efforts to put this building across this year.

A contribution of \$25 made some weeks ago by the Catholic Daughters, one of the comparatively small organizations of the city, forms the nucleus of our building fund at the present time. All subscriptions will be accepted with the understanding the money will be used in erecting a community building, or the money returned to the donors. The Legion wants nothing for itself, and is bearing the expense of preliminary printing, etc., in connection with the drive, as well as the architect's fees, out of its own treasury.

Will Plattsmouth bid for the next district convention? This and other important matters will be determined at the monthly meeting next Wednesday night. Remember, this meeting will be held at the M. W. A. hall. Come out and voice your ideas.

WEEPING WATER TO HAVE COMMERCIAL CLUB

Fine Meeting Held There Yesterday to Perfect Organization of New Civic Body.

From Thursday's Daily.—With the coming of the paved streets and other features of a real up to date little city, the residents of Weeping Water are to have a community center body in the form of a commercial club.

The first meeting was held yesterday noon at the Resthaven hotel, which has just recently been reopened and which serves a long felt want in that community. The meeting was attended by some fifty of the business men and leading citizens and a real live organization may be looked forward to in the future for the neighboring city.

Another meeting will be held in the next few days to select officers and arrange for the permanent organization of the club to keep Weeping Water and its activities before the public eye.

CELEBRATES BIRTHDAY

The home of Mr. and Mrs. Hans Heinrich was a merry scene yesterday afternoon when Mrs. Laura Frankforter was entertained at a radio party in honor of her 87th birthday anniversary. The surprise was planned by Mrs. Frankforter's daughter, Mrs. H. H. Leacock, and her granddaughters, Mrs. Hans Heinrich and Mrs. Henry Leacock, Jr., assisted by Mrs. Ed Sherrow.

A radio program was enjoyed from the Henry Field station at Shenandoah, several numbers being dedicated to Mrs. Frankforter. At a suitable hour delicious refreshments were served by the hostesses. Grandmother received many useful and beautiful gifts.

Those present were Mrs. Maude Babbitt, Mrs. Gillespie and two children, Frances and Delores; Mrs. J. Seitz and daughter, Beulah; Mrs. Fred Stewart and daughter, Grace Violet; Mrs. J. Powell; Mrs. Hattie Perry; Mrs. E. Porter; Mrs. H. H. Leacock; Mrs. Ed Sherrow; Mrs. J. Henry Leacock; Mrs. J. Hans Heinrich, and of course our guest of honor, Mrs. Laura Frankforter. —Contributed.
