He leaves besides the wife, five children to mourn his departure they being Ralph, John, Fred, Maude and Jessie. At this time we do not know the funeral arrangements.

Observed Mother's Day

Mother's day services at the Evangelical church were held last Sunlay, and were of a most impressive character. The Sunday school ren- preaching services at 7:80. dered a beautiful program, at the close of the Sunday school lesson, of beautiful gifts were presented Miss music and recitations. The one rendered by Mother Crawford (over 80 years old) was rendered in a very pleasing and impressive manner.

The preaching service following took of the delicious luncheon that this program was of a very solemn and touching character. The choir had special music and under the leadership of Miss Katherine Tool was beautiful and very pleasing.

> It was a great and blessed day and will long be remembered by those who were present.

Rev. A. Stauss is attending this week the annual conference at Kearhas prospered under his leadership during the last two years. The attendance in the Sunday services has forty per cent increase. The finances are in very satisfac-

hoping for the return of the pastor.

Village Board Meeting

The new village board meets here after in the high school building, on the first Thursday of each month. Neitzel was elected clerk and treasurer, with S. P. Leis as chairman. The public is invited to at-tend these meetings; their complaints or suggestions must be handed to the clerk in writing.

Will Preach Wednesday Rev. Howard Tool, of Billings Montana, who is visiting in Murdock this week, will preach at the Murof this week. Everybody invited to be there to hear him.

STATE BANKS ARE NOT LIKELY TO SUE

They Will Pay Same as National on Furniture Taxes, Due and Unpaid.

Representative Byrum of Franklin and Attorney Jesse Palmer of Omaha have decided after a conference with ney, Nebr. The work in the church Assistant Attorney General Ayres not to file an injunction suit against county treasurers to prevent them from collecting a tax against state more than doubled for the English banks on fixtures and furiture. The service. The Sunday school has a two attorneys represent the state bankers' association. They find the facts in regard to methods of taxing tory condition. All wishing and fixtures and furiture of banks to be different from what they supposed. It is said the matter has been ad-

justed and that county treasurers will be advised to accept payment for state bank taxes for 1923 and 1924 with allowance being made for fixtures and furniture as a part of the bank's capital stock instead of personal property assessed at full

Eighteen counties assessed fixtures and furniture of state banks separately as personal property. They will be assessed this years as a part of the capital stock. Under the assessments of 1923 and 1924 the fixtures and furniture will be considered a part of the capital stock and dock church on Wednesday evening when the banks pay the tax for those years they will pay on a basis of 25 per cent on fixtures instead of on 100 per cent valuation.

National banks are not permitted to be assessed on fixtures and furnities and both classes of banks will be assessed alike in all counties this quaintances are made, often ending year, on a basis of 70 per cent of the
