DEATH OF WELL LOVED GIRL OCCURS AT UNION

Marjorie Crook Called to Last Long Rest After Short Illness From Typhoid Fever.

The community near Union was called upon the past week to mourn the death of one of the best beloved young girls of that vicinity, Marjorie Crook, daughter of Mr. and Mrs. Jesse Crook, residing just north of Union in Otoe county, being called to her last rest after a short illness due to typhoid fever.

The condition of the little girl has been critical for several days, she being taken nine days ago with the malady and death coming to her rest last Wednesday evening at 6 o'clock.

Marjorie Maude Crook was born December 24, 1913, at the home near Union and spent her lifetime in that community, her death coming at the age of eleven years, five months and three days. A child of the rarest attainments, she was very much loved by those who knew her and in her going the circle of young friends will miss her very much and to the family circle the loss is one that will be hard to replace. She leaves to mourn her death her father and mother and five brothers, Kenneth, Clay, Amos, Paul and Charles Crook, all residing at the home.

The funeral services were held from the First Baptist church at Union on Saturday, May 30, conducted by the Rev. W. A. Taylor of Union. The interment was at the Camp Creek cemetery ten miles southeast of Nebraska City.

AUTOS HAVE A SMASHUP NEAR UNION SUNDAY

Clay Townsend of Near Union, and Dr. Souders of Nebraska City Have Cars Damaged.

Sunday afternoon a very serious auto accident occurred near the state farm a mile east of the town of Union when a Ford touring car driven by Clay Townsend, aged 24, a farm hand for Roy Mapes of Otoe county, crashed head on into a Sedan piloted by Dr. G. E. Souders of Nebraska City.

The Ford car was a complete wreck, three wheels being torn off the car and when Townsend was extricated from the wreckage of the car he was found lying astride the rear axle of the car with the wrecked sedan piled around him. He sustained a number of serious cuts and bruises and was unconscious for twenty-four hours and his condition is still quite serious, although he is expected to recover from the effect of the accident.

Townsend was driving a car he had recently purchased. He was heading down hill when the front wheels of his machine struck an obstruction and before he could right it he had crashed into the Souders' vehicle. Both cars were damaged considerably. In the Souders car were J. E. McConnell, Muskogee, Okla., Dr. Souders and his three children, Imogene, Allen and George. They escaped serious injury only because the vehicle in which they were riding, withstood the blow without crumpling. The front axle of the sedan and body were bent and ruptured. The Townsend car was reduced to kindling wood and twisted iron.

COURTS SAFE-GUARD OF THE CONSTITUTION

C. B. ELLIS, OF WYMORE, PAYS TRIBUTE TO AMERICA'S PLAN OF GOVERNMENT.

SUPREME COURT PROTECTS Its Part in Government Prevents Popular Prejudice Injuring Rights of the Minority

From Monday's Daily—

The memorial services on Saturday afternoon were attended by a very pleasing number of the men and women of the community who gathered at the Parme theatre to pay their tributes of love and memory to the departed heroes of the wars of the nation, and to renew their faith in the ideals of the government for which these men had fought and died.

There was a lack of display, the simplicity adding to the impressiveness of the community's tribute to their honored dead.

As the time of meeting came, the audience arose and led by Miss Helen Wescott, sang "America," that beautiful song of patriotic love of country that inspires the soul with its sentiment.

The invocation was offered by the Rev. Father George D. Pierce, rector of St. Luke's Episcopal church and the chaplain of the American Legion post of this city.

With youthful grace and ringing voice, Robert Ramsey Livingston, a member of the Boy Scouts of this city, gave the salute to the flag, their honor to the national emblem.

City Attorney J. A. Capwell, himself a veteran of the world war, gave that beautiful epic of the English language, Abraham Lincoln's address at the battlefield of Gettysburg, that has served for more than sixty years as a gem of patriotic tribute to the valor of American arms and the idealism of the nation's life.

The roll call of the fallen heroes was given by the veterans of three wars, W. R. Holly, world war; C. A. Rawls, Spanish-American, and Thomas Wiles, civil war. Mr. Wiles gave instead of the long, long list of the old soldiers gone, the names of a bare dozen of the veterans who are left in this community. But four of the old veterans who had once worn the blue were gathered on the stage, others being prevented by failing health from being present.

Earl Troop, of near Nehawka, was present and gave a very pleasing rendition of "Who Gave You the Name of Old Glory," a very appropriate and much enjoyed selection.

With charm and grace Miss Helen Wescott gave in song the touching poem of John M. Thurston, "The Little Bronze Button," a special tribute to the civil war veterans.

The speaker of the afternoon, C. B. Ellis, of Wymore, was introduced by W. R. Holly, local Legion commander. Mr. Ellis in his remarks gave a very able discussion of the meaning of Memorial day to the real patriot, its recollections of the sacrifices of the men of the nation in the past for the preservation of the nation, and the urge of the present generation to carry on the work that the government might continue to serve the mission that it was intended in the beginning should be the duty and responsibility of the United States.

Mr. Ellis touched briefly on the feelings that had animated the men of the colonies at the time of the revolution, their realization that life without liberty was not worth the struggle, that death with honor was preferable to the shackles of a subject people. He also touched on the work of the constitutional convention, the divine guidance that had permitted the forming of the wonderful document that had since been the beacon light of all the world as the first written constitution of a free people, that set out and protected the right of the citizen under the constitution.

The speaker pointed out that the supreme court of the United States served as the guardian of the constitution and the rights of the people. To show his point the speaker stated that in England parliament could enact a law and if this took away the liberty of the people, there was no appeal. If in the United States congress passed a law that transgressed the constitutional rights of the people, they could carry the case to the supreme court where a decision would set forth their rights and could declare the law void if that it transgressed the constitutional rights of the people.

He also paid a very beautiful tribute to the veterans of the civil war for having carried to a victorious conclusion the struggle against disunion and slavery. The services of the men of the world war and the Spanish-American war were also paid a glowing tribute. In passing, Mr. Ellis said it would not be just to leave unsaid a word of tribute to Woodrow Wilson, who had sacrificed his life in the great world struggle and while defeated in his hope of a world peace that would be lasting, he had gone to the glory of a hero's death.

Mr. Ellis in his conclusion pleaded for a continuance of a united nation free from bias or cliques, that attempted the control of government, the common bonds of service and patriotism that knew no race or creed. This land was great because all of the world had entered into its making, the dwellers of other lands com-

ing here and had shed their blood freely for the nation of their adoption. Protestant, Jew and Catholic had served the United States freely and unselfishly and their example of a people united should be the guidance for the future.

JUNIOR SLUGGERS WIN

From Monday's Daily—

Yesterday afternoon the Junior Sluggers, an organization of the younger lads residing in the west part of the city, journeyed out to Cedar Creek where they took on the second team of that place and handed them a defeat by the score of 5 to 3. The game was hotly fought and when the ninth inning opened the score stood 3 to 3. "Mickey" Slatinsky, Sluggers catcher, singled and was advanced to third base on the two-bagger of David Wooster. Both runners scored when Jack Thibault tripled to the tall timber which gave the Plattsmouth boys the victory. For the Junior Sluggers, Louie Wooster was the hurler and with "Mickey" back of the bat, both performed in fine shape.

LOCALS DIVIDE THE HOLIDAY BASEBALL BILL

Lose Saturday at Weeping Water 5 to 4, and Defeat Green's Colored Team 7 to 0.

From Monday's Daily—

The local baseball team divided their Saturday and Sunday games, dropping the contest with Weeping Water by the score of 5 to 4, and winning the rather hectic contest yesterday here by the score of 7 to 0.

The Saturday game was staged between the team that was representing Manley and the ball tossers from this city and was well played by both sides. The contest was a game of a rather lurid variety, the victors at the game report and in which the strangers had no chance to get anywhere in the contest. The battery work for Plattsmouth was by McCarty, Swanson and Klause, while Hopkins and O'Brien did the receiving for the Manley team. McCarty featured the Plattsmouth hitting, as he was able to snag two off of Hopkins in three times at bat. O'Brien and J. Sheehan were the chief stick arriers of the manly county team.

Yesterday afternoon's contest was somewhat of a disappointment to the local team in the fact that the failure of all of the players of the colored team failed to arrive here on time, and made necessary the playing of a combination contest to give the fans some kind of a game, their coming out to boost the sport.

The Green's Colored Giants had been represented as one of the best of the colored teams in the twin cities of Omaha and Council Bluffs, and did have in their line up a number of real players, including Fred Reeves, well known to many here as having played on the Glenwood team for a long period of years. Green was disappointed by the fact that the entire team did not reach here in time for the opening of the contest and accordingly a number of the fans who accompanied the team were introduced into the game.

In the matinee performance six innings were played and the score at the close stood 13 to 3. Herb Klause and Joe McCarty securing some excellent batting practice and both hung up home runs. The fielding of Harold at second and Sprecher in the center garden featured both the two half games.

As the sixth inning of the matinee performance was closed the remainder of the dusky hued ball players, beached first base. Martin, who was in the box for Plattsmouth was in good form in both games and in the last contest did not allow a hit. Jackson for the visitors was touched up for four hits and a number of costly errors at first base served to add to the causes of the downfall of the sons of Ham.

A SPLENDID ORGANIZATION

From Monday's Daily—

Some very fine comment was heard Saturday on the appearance and music of the Legion drum and bugle corps, in their new white uniforms for summertime wear, as they paraded the street on their return from the cemetery.

The boys have undertaken the outfitting of their organization wholly on their own hook and without the assistance of aid from the Legion itself or any solicited donations.

To meet the expense already incurred and the contemplated increase in the number of both drums and bugles, the corps has arranged for the week of June 15-20, inclusive, of the Greater Isler shows, a carnival organization with a dozen attractions and five riding devices. The shows will be held on the Washington avenue park and unlike past organizations appearing here there will be no admission charge to the grounds.

The contract also explicitly provides that no lewd shows or performances shall be tolerated and any of the attractions against which complaint is made on this ground may be forthwith closed. The Isler Shows some well recommended and should furnish clean, worth while entertainment for our people. They come here from Red Oak, where they will appear next week, being in St. Joseph, Missouri, this week.
