POSTPONE CANTATA

The cantata, "Summertime," which was to have been offered Sunday evening at the Eight Mile Grove church by the children of the Christ Lutheran Sunday school, has been postponed until Thursday evening at 8 o'clock. The special offering will be devoted to the purchase of a piano for the Sunday school.

SOLD HIS GOATS TO MAN RESIDING NEAR NEHAWKA

Louisville people who have been interested in seeing the two little white goats at the Platte river toll house will be interested to know that their owner, Jack Ross, has sold them to a man in the vicinity of Nehawka. And thereby hangs a tale. This man lost a purse containing a considerable sum of money, which was found by Master Jack, who, being an honest little lad, was desirous of returning the money to the owner and immediately his

father got in touch with him and reported the find. Jack received a liberal cash reward and their meeting ended with his selling his goats to the man, who wished to give them as a present to a little friend down in that part of the county.

HELD FAST IN A TUNNEL

Sacramento, Cal., June 12.—Unable to establish communication with Robert Hill, entombed in the Baltic tunnel at the Alta combination mine northwest of Grass Valley, rescue workers tonight were beginning their second twenty-four hour shift in the race with death, to free him from his living tomb. Mine officials, while unable to detect sounds of life in the tunnel, believe Hill was not caught beneath the sliding rock and dirt and that he will be found alive. The tunnel is 2,300 feet long. The cave-in is at a point 500 feet in.

Grass Valley, Cal., June 12.—The sound of tapping communicated along the metal rails on which the ore cars

run, at 7 o'clock tonight, indicated that Robert Hill, imprisoned by a cave-in thirty hours previously, was still alive. Work by the rescue crews was slow as timbering had to be placed as fast as the sliding rock was removed.

Stanton, Neb., June 12.—Dr. O. C. Hopper, J. E. Nye and John Hollstein, representing the stockholders of Stanton county in the Sprague Tire & Rubber Co. of Omaha, have been appointed as a committee to begin proceedings in defense of their rights, it having been learned here that the Sprague plant had been sold under foreclosure and the sale has been confirmed by the district court of Douglas county on May 27, without the knowledge of over sixty stockholders in Stanton county.

WESLEYAN QUARTET HEARD IN VERY HIGH CLASS PROGRAM

Vocal and Instrumental Numbers and Readings Given by the Members Prove Very Attractive.

From Saturday's Daily—Last evening the music lovers of the city enjoyed a very pleasant treat in the visit here of the Wesleyan male quartet and reader, who were heard in a well selected program at the auditorium of the First Methodist church.

There was a very large number in attendance that comfortably filled the auditorium and aided in making the event a most successful one in every way. The members of the quartet made no charge for their appearance and a free will silver offering assisted in caring for the expense of the trip which brought to the public the splendid work of the musical department of this well known Methodist university.

The program selected was one of the very highest standard and offered the opportunity of each individual member of the quartet being heard in solo offerings as well as in their quartet numbers and which gave ample entertainment to the audience as each of the members had a finely trained voice that gave the program a really exceptional setting.

The quartet was composed of Glenn Griffin, Roy Fager, Harry Vedler and Homer Hubbard, each of the young men being a real artist in his work. Boyd Crane, reader, who was with the company gave a number of most pleasing selections that reflected the greatest ability on the dramatic talent of the young man.

Mr. Fager had his first introduction to the Plattsmouth people and the pleasure of the parties were mutual and the patrons of the school feel very fortunate in having secured Mr. Fager for the head of the musical department of the school for the ensuing year.

This morning the members of the quartet visited the Nebraska Methodist Home and gave a short program for the benefit of the members of the Home and the employees of that institution.

ENJOY PLEASANT MEETING

Members of the Merry Workers Extension club of Eight Mile Grove learned how to make fireless cooking utensils, racks, movable carts, wood boxes, iron tables, service wagons window cooling boxes and kitchen stools at their regular meeting held at the home of Mrs. Grant Hackenberg on Tuesday afternoon, June 9.

All this equipment can easily be made at home with very little cost. One or a little thought and work will change a discarded piece of furniture into some step saving equipment for the busy housewife.

Twenty ladies attended this meeting. The next meeting will be held at the home of Mrs. Fred Hanni, one June 30.

NEW BASEBALL SUITS HERE

From Thursday's Daily—The new uniforms that are to adorn the members of the Plattsmouth baseball team were received here yesterday and will be used by the team at their next scheduled game here on Sunday, June 21st, when they meet the Delta Barbers of Omaha. What is expected to be one of the best games of the season.

The uniforms are very handsome, white flannel with the letter "P" on the left breast, the letter and enclosing circle being in black. Black caps and black stockings complete the uniform and which is very neat and nifty and certainly will make the ball team look like a million dollars when they come onto the baseball field. The suits were secured through the Bates sporting goods store and are very pleasing to the members. The funds for the purchase of the suits was donated by the business men, members of the M. D. A. and the citizens in general.

ALL OUT OF SORTS?

So Was This Plattsmouth Woman, Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Plattsmouth case is one of many.

RETURNS FROM TRIP EAST

From Saturday's Daily—This morning, Miss Alice Pollock returned home from a very pleasant trip with a number of her old school friends in Chicago and vicinity. Miss Pollock, who is a former student of Rockford college at Rockford, Illinois, enjoyed the commencement exercises at that institution and then took in a number of places of interest in that section of the country, being a guest of her former school associates at Chicago and Lake Geneva, Wisconsin, as well as at Evanston. The occasion was one of the greatest pleasure and gave Miss Pollock the opportunity of meeting a number of her old friends and renewing school day friendships.

VERY PRETTY HOME WEDDING TAKES PLACE

Miss Creda Baker and Mr. Ore Johnson Married at Weeping Water This Week—To Live There

The country home of Mr. and Mrs. Byron Baker was the scene of a lovely wedding Wednesday evening, when one of their twin daughters, Miss Creda, was united in marriage to Mr. Ore Johnson.

As the strains of Lohengrin's wedding march were played by Miss Olive Baker, the bride and groom took their places in the colonnade of the living room, attractively decorated with pink roses and green. The ceremony was impressively solemnized by Rev. Rose of the Methodist church.

The bride was charming in a blonde blue gown of satin back crepe, beautifully trimmed in cocoa coloring crepe with cut beads in harmonizing colors. She carried a shower bouquet of Ophelia roses.

The groom was handsome in a suit of gray. After congratulations, the guests were invited to the dining room by Miss Elvira Baker, where they were served ice cream, angel food cake, fruit cake, coffee and mint. A very pleasing color scheme of pink and white was carried throughout. The bride took her place before a gorgeous wedding cake, which she was asked to cut.

The bride was born and grew to young womanhood in Weeping Water. She graduated from the Weeping Water high school and taught a successful term of school the past year. She is a young lady of a pleasing disposition and her many friends wish her much happiness in years to come.

The groom is the second son of Mr. Chris Johnson and a young man of sterling character. He grew to manhood in this community and attended our high school for two years. He has proven himself a deserving young man, and his circle of friends wish him success.

The young couple will make their home on the Ray Smith farm south of town.—Weeping Water Republican.

Parking Cars—A. R. Johnson.

The general committee will communicate with the city council to secure permission to rope off certain parts of the streets, erect stands and platform, allow concessions and also providing necessary police protection to handle the traffic that will be here on that day.

So far as possible the main attractions will be held in the main section of the city although the picnic dinner, noonday band concert and speaking will be held at Gar-

field park and the fireworks display will probably be held in the baseball park, the same as last year.

The use of crepe paper in decorating is a cheap and efficient way of securing the most pleasing effects and your wants in this line can be supplied from the large Dennison stock at the Bates Book and Gift Shop.
