

"MONEY COUNDN'T BUY GOOD KARNAK DID ME"

"This Medicine Is Certainly A World-Beater," Declares Omaha Man.

Many people here are daily purchasing Karnak and telling of its remarkable health-building powers. Among the many strong endorsements of the sensational new medicine that will be of interest to the readers of this paper is that of Thos. J. Stewart, 117 S. 14th St., Omaha, Neb., which is told in the following words:

"For three years I suffered from nervous indigestion, constipation, nervousness and a weak condition. I couldn't half rest nights, and mornings I would get up with a coated tongue and feeling all out of sorts in every way. When Karnak came to Omaha I started taking it, and from the way it has fixed me up it must have been made especially for my case. It just knocked the indigestion sky high, and toned up my whole system from head to foot. I don't have a trouble of any kind, and just feel full of 'go' all the time. Karnak is certainly a world beater." Karnak is sold in Plattsmouth exclusively by F. G. Fricke & Co., and by the leading druggist in every town.

FARM BUREAU NOTES

Copy for this Department furnished by County Agent

To Remove Grass Stains

With summer and picnics come grass stains on the clothing. Such stains on cotton or wash goods may usually be removed with ease. Wash in soap and water and immediately apply a mixture of one tablespoon each of household ammonia and water. For colored materials that are apt to be faded by the above treatment, spread molasses or a paste consisting of soap and cooking soda over the stain and let it stand for several hours. Then wash it out first in clear water then in soap suds.

Precautions in Canning

Canned vegetables and fruits may spoil simply because they were not washed clean before the housewife started to work on them. Soil contains bacteria which will cause spoilage. Peas, beans and asparagus should be washed before anything else is done to them. If washed in a strainer, the water may be run over them until it is clear as it comes through the strainer. Berries should be washed before they are filled as well as after. Peels will come off apricots, peaches and tomatoes if they are scalded, drained and then dipped in cold water. The vegetables and fruits should be put into the jars as hot as possible so as to decrease the time required for the part in the center of the can to reach

If Clothes Are Only Intended to Hide Nakedness

—Why Don't We All Wear Blankets?

The answer is, that besides serving this necessary purpose, clothes also express individuality. It is now possible and quite important to buy Palm Beach and Tropicals—well tailored. Stop in our shop and try on a few—learn the difference between "light weights" well tailored, and those of blanket drapping effects.

PRESBYTERIAN SUNDAY SCHOOL HOLDS PICNIC

Members of the School Numbering 135 Enjoy the Day at River-view Park at Omaha Tuesday

From Wednesday's Daily—
The members of the Presbyterian Sunday school to the number of 135 yesterday motored to Omaha, where the annual picnic of the school was held at beautiful River-view park, one of the most attractive natural parks in the metropolis and where the Sunday school picnic has been held for the past several years.

There were plenty of autos for the members of the jolly party and the journey was a most pleasant one to the scene of the picnic and placed everyone in the proper humor for the day's outing.

On reaching the picnic grounds the members of the party proceeded to get busy in their program of fun and entertainment, many games being staged by many of the party while others sought the enjoyment of the swimming pool where the diversion of a dip into the cooling waters helped to make the summer day most enjoyable to all of the party.

"THE POLECAT" OVERHAULED

"The Polecat" is about to come into its own, not however the beautiful black and white, fur bearing animal, but the racing car of Norris Cummins. The car which holds the world record for producing speed and service from a few pieces of tin, several wires and a gas tank, is being given several new touches. The owner hopes will make it even more striking than it is at the present time when its appearance on the street strikes terror to the timid.

What is left of the frame work is to be painted a delicate shade of burnt ivory or is it just plain dirt color, while the seat, which has been placed in a very bucanerish pose on the car, is to be made even more rakish and to be suspended by one bolt instead of two, the taking away of the one bolt giving less weight to the car and more speed. Now that the car has been reduced to its bare shadow of its former robust frame, Norris is hopeful of getting a great deal of speed for very little gasoline. One of the crowning glories of the car, however, has been taken off, the red light that glowed like the eye of Buddha at night has been replaced by the pale lens that the law says must adorn the front of every motor vehicle and be lit after the hour of dusk. The change from the red light was made at the earnest request of a number of friends of the great "Divide," and to avoid injuring anyone's feelings he has ditched the red light for the white one.

ENJOYS THEATRE PARTY

From Wednesday's Daily—
Last evening, Miss Helen Wescott entertained very pleasantly a number of young ladies at a theatre party in honor of Miss Irma Mueller, of Arlington Heights, Illinois, who is a house guest of her sorority sister, Alice Louise Wescott. The ladies attended the presentation of "The Great Divide," at the Paramount theatre and later they enjoyed a visit at the Morgan Sweet Shop where the members of the party enjoyed dainty refreshments that added to the enjoyment of everyone of the party. Mrs. C. C. Wescott was chairman of the jolly party of ladies. Those who attended were: Misses Ruth Shannon, Grace Beeson, Genevieve Goodman, Alice Louise Wescott, Helen Pfoutz, Mary, Ruth and Jean Tidball, Catherine Schneider, Mildred Crom, Helen Beeson, Sarah Baird, Florence Cecil, Kathleen Troop, Ella Margaret Wiles, Marguerite Wiles, Elizabeth Ann Neitzel of Boise, Idaho, Miss Mueller and Miss Helen Wescott.

HAVING SHOP "DOLLED UP"

From Wednesday's Daily—
The barber shop of Jesse P. Perry in the Union block at Sixth and Main streets, is being given a thorough overhauling and made one of the most attractive shops in the city. The room is being repaired and redecorated by Harry Kruger and his force of workmen and will be made most attractive to the eye. Mr. Perry is also having some up to date equipment added that will make his work more convenient and pleasant to the patrons of the shop. Mr. Perry has occupied the present shop for the past twenty years and is one of the established institutions of that part of the city.

MRS. CORY NOT SO WELL

From Wednesday's Daily—
The condition of Mrs. John Cory continues very poorly, reports from her bedside states, and she seems to be gradually losing strength each day as she suffers from her long illness. Mrs. Cory has been sick for several weeks with attacks of asthma and heart complications and her case is very grave indeed.

One way to relieve habitual constipation is to take regularly a mild laxative. Doan's Regulets are recommended for this purpose. 36c a box at all drug stores.

YOUNG MEN'S BIBLE CLASS HAS VERY FINE TIME

Enjoys Interesting Talk by F. G. Fuller of Kansas City—Also Treat From W. L. Heinrich.

From Wednesday's Daily—
Last evening was an unusually pleasant one for the members of the Young Men's Bible class of the First Methodist church, as several events aided in making the occasion more than usually interesting. The regular "sing" of the class was held and then followed by the social features of the evening that were in the nature of a treat given the class by Mrs. W. L. Heinrich in honor of the birthday anniversary of Mr. Heinrich as well as the wedding anniversary of this estimable couple of young people. The class was treated to refreshments of ice cream and cake, Mrs. Heinrich being assisted by Mrs. W. F. Huncke and Mrs. Frank Emory Pfoutz, in serving.

After the refreshments, the members of the class had the pleasure of a short talk by F. G. Fuller, of Kansas City, superintendent of electrical service of the Missouri Pacific, who was in the city and was an honored guest of the class. Mr. Fuller is a member of the world's largest men's Bible class, which in a recent contest defeated Long Beach, California, by having secured 52,000 men at the session of the class, the crowd filling the Kansas City auditorium to overflowing and leaving thousands standing in the streets to take part in the services. The class has an average attendance of over 2,000 each Sunday and the class meetings are held in the Shrine auditorium near the church. Mr. Fuller told many interesting facts of the class management and meetings, the members of the class on arriving check in by clocks as in the large factories and these keep a register of the class attendance. The social activities of the class are made through district groups, which makes the work much more easy to handle and keeps closer personal touch with all of the membership.

OBITUARY

Maris Mumm was born in the province of Schlesweg-Holstein, Germany, July 26, 1857, and emigrated to America in March, 1881. She was married to Hans Kemp January 7, 1883, to which union one son, Henry, was born. He, with her husband, was at her bedside when death came, June 8, 1925. She was 67 years, 10 months and 13 days old. She was a member of the St. Paul's Evangelical church. She leaves besides her husband and son, one sister, whose home is in Germany. "Gracious" death is known, was a friend to all, especially to children and those who were in trouble. She was interested in the welfare of all that she came in contact with, looking for the good and excusing their mistakes. During her long life she was afflicted with a large part of the time with physical pain, but she was patient and cheerful through it all and not only her family but all her friends were saddened when the silent mariner drifted by and beckoned her to start on that long journey into the great west from which none ever return.

She became ill about a week before her death and grew gradually worse and on the morning of June 8 as the rosy glow of the coming day was driving the shades of night away, her soul floated into the great beyond while she was quietly sleeping.—Lockwood (Mo.) Luminary.

SAYS WAS ORDERED OUT

From Wednesday's Daily—
Constable Thomas Svoboda, who was operating the highway north of this city Monday night and early Tuesday morning, stopping cars passing through, states to the Journal that while he was there it was not on his own accord. Mr. Svoboda husband was at her bedside when she died.

FILES SUIT IN COURT

From Wednesday's Daily—
This morning in the district court action was filed by the Livingston Loan & Building Association by their attorney, A. L. Tidd, against Bessie M. Gravett et al. The action is one to quiet title and foreclosure on the property to which the plaintiff claims title.

Mrs. Frances Purdy has as her guest, Mrs. Charles Purdy, of Livingston, Montana, a daughter-in-law, and Mrs. H. D. Kahler, of Russell, Alabama, a sister of Mrs. Charles Purdy, will arrive tomorrow to also enjoy a visit at the home here for some time.

All the home news delivered to your door for 15c a week.

WATER FIGHT TO BE FEATURE OF FOURTH OF JULY

Glenwood and Weeping Water Fire Departments Plan to Take Part in Big Water War.

The water fight that the Plattsmouth fire department is boosting as one of the entertaining features of the Fourth of July observance here, promises to be a real battle with two visiting departments, Weeping Water and Glenwood, taking part with the Plattsmouth department.

The original plans were for the Weeping Water department, the victors of last year, to combat the local fire fighters, but the husky fire fighters from over the river who boast a real reputation, also are desirous of showing their Nebraska friends just what good fighters they are when it comes to handling the hose. The celebration is attracting a great deal of attention over on the east side of the Missouri river and large delegations are expected here to enjoy the water fights and the baseball games. The Pacific Junction team, which will be all "marin' to go," will be here for the afternoon game at the baseball park and they promise to give the fans a red hot battle to enjoy.

JOHN P. SATTLER NAMED TRUSTEE BY THE EAGLES

Mayor of this City Selected as One of the Grand Lodge Officers of the Eagles Tuesday.

From Wednesday's Daily—
The state convention of the Fraternal Order of Eagles at Fremont yesterday named as one of the members of the board of trustees of the order, John P. Sattler, mayor of Plattsmouth, who has been one of the trustees for the past few years and whose excellent work has led his associates in the order to insist in his continuing in the office for another term. Other officers named were: W. H. Snyder, Fullerton, president; Frank Kounovsky, Fremont, first vice president; G. P. Beschorner, Lincoln, second vice president; Paul Nordwig, Norfolk, third vice president; P. J. McCaffery, Columbus, chaplain; Frank Wickham, Beatrice, treasurer; F. E. Beagle, Falls City, secretary; E. T. Hoover, York, inside guard; Thomas Dillon, Grand Island, outside guard; P. E. Oimstead, Nebraska City, and Ernest Butzins, Hastings, with Mr. Sattler, trustees.

The resolutions prepared by the convention included one renewing the order's stand on the old age pension plan, urging a pension for all needy persons past sixty-five years of age.

TOURING THROUGH SOUTHLAND

From Wednesday's Daily—
The many Plattsmouth friends of R. G. Campbell and C. H. Peden, former teachers in the high school here, will be interested in learning that these two young men are now enjoying a sightseeing trip in the southland, they writing friends from Murfreesboro, Tennessee, where they stopped on their auto trip to New York where they are to attend the Columbia university this summer. The young men have just paid a visit to Mammoth cave, Diamond cave and also to Sand Cave where Floyd Collins met his death several months ago. Mr. Campbell and Mr. Peden enjoyed very much their trips thru the caves and the trip throughout has been one of the greatest pleasures. They wish to be remembered to their many friends in this city.

Itching piles provoke profanity, but profanity won't remove them. Doan's Ointment is recommended for itching, bleeding or protruding piles. 60c at any drug store.

Searl S. Davis—Insurance.

FINED FOR BAD CHECK

From Wednesday's Daily—
Albert Bates, a young man taken in custody Saturday night in this city and charged with making several bad checks, was brought before Judge A. H. Duxbury this morning and given a fine for his offense and which should stand as a warning to others who might decide to follow the bad check game. The court, after hearing the evidence in the case, assessed a fine of \$100 and costs and unless the same is paid the young man will remain in the custody of Sheriff E. P. Stewart. The matter of the alleged forged check deposited in the Bank of Avoca has not been cleared away as yet and this too may involve the young man in even more serious trouble unless the relatives of the man make good the check.

AN OBJECT LESSON

A telegraphic dispatch from Moscow dated June 12, says: "Under the terms of a decree now under discussion by the Soviet officials, common law marriages hereafter will be recognized as legal and binding by Soviet courts. Men and women will not need to go through either a civil or religious ceremony or even register themselves to be considered husband and wife and enjoy the protection of the Soviet law, but the period of their living together, under the proposed decree, must be a reasonably long one if the couple desire that the union be legalized." Think of the confusion of property rights (if there is any such thing under the Soviet rule) which will result in a few years from this loose method of family relations. And yet there are thousands of persons in our country who, if they had the power would launch our government on a program of socialism which in the end would produce conditions similar to the Russian situation.

WARTHEN FOUND SANE, FACES A MURDER CHARGE

"Don't Make Any Difference What They Do, I'm Not Scared to Die."

From Tuesday's Daily—
John Warthen, 38, survivor of a suicide pact that claimed the life of his wife, must stand trial on a murder charge as the result of the finding by the insanity commission Tuesday that he is sane. Chief Deputy County Attorney Yeager announced the charge would be filed Tuesday. Emotion as it climaxed to a period of depression, enabled him to drink poison with his wife, Dr. G. Alexander Young, county alienist, explained. Warthen's life was saved by the action of the poison when he took an overdose. "I'm a man who did it, and can take his punishment," Warthen said as he was led to the county jail after being informed of the charge that he is to face. "I'd rather be dead than have this on," he said. "It don't make any difference what they do, I'm not scared to die."

Warthen trembled visibly as he was taken to the jail. Observation by Dr. Young resulted in a mental rating for Warthen as that of a 14-year-old child. Warthen reached the seventh grade in school at the age of nineteen. Warthen said his act was prompted by the dread of winter.—World-Herald.

TAYLOR'S CIRCUS BACK; WILL DISBAN TEMPORARILY

Frank J. Taylor's circus returned to Omaha Monday and was temporarily disbanded. It had been on the road three weeks and had proved unprofitable because of inclement weather, Mr. Taylor explained. The performers were paid off, Mr. Taylor said, and some will rejoin the circus when it goes out again. He said he did not know how soon it would resume operations. "But it's a permanent institution," he added.

Most disfiguring skin eruptions, scrofula, pimples, rashes, etc., are due to impure blood. Burdock Blood Bitters as a cleansing tonic is well recommended. \$1.25 at all stores.
