YOUNG LAD HAS TOES DAMAGED BY M. P. TRAIN

James Sours, Aged 16, Bumping His Way Has Foot Injured at LaPlatte Yesterday Afternoon.

The trip of James Sours, aged 16, from Casper, Wyoming, to Sheridan, Arkansas, was stopped yesterday afternoon when the young man suffered the very severe injury to his right foot at LaPlatte when the member was caught beneath the wheel on a Missouri Pacific freight car.

The young man had shipped his clothes and suitcase to Sheridan, Arkansas, where he states he thinks his relatives are still living, and had then started from Casper to bum his way to the southland. At South Omaha he had been caught attempting to ride a freight on the Missouri Pacific southward bound and had been put off, but evidently failed to heed the demand of the train crew and crept back on the train. When reaching LaPlatte where the freight stopped for water, the young man alight and when the train started out he attempted to get into a box car but missed his hold and fell, one foot falling on the track and before he could get it out of danger the toes of the right foot had been very badly injured.

The young man was brought on in to Plattsouth and taken to the offices of the Drs. Livingston where the injured foot was given attention and it was thought that the boy would escape without any great permanent injury to the foot aside from the big toe which was crushed quite badly.

TEACHERS DENOUNCE ANTI-EVOLUTION LAW

Chicago, June 30.—A resolution deploring "unenlightened legislative dictatorship" and denouncing the Tennessee anti-evolution law, was presented today at the convention of the American Federation of Teachers. The resolution declared that "the reactionary Lusk school laws in the state of New York, abolished in 1923 after a trial of two years, the Greene law of California proposed in 1921 and dealing with the matter of controlling the opinion of teachers, as well as numerous bills in several other states that have been designed to censor the writing and the teaching of history in the schools—all reflect the same unfortunate suspicion and mistrust of educational intelligence which the Tennessee anti-evolution law does."

CLARENCE L. BEAL EXPIRES ON WAY HOME

CLERK OF THE DISTRICT COURT PASSES AWAY ON TRAIN NEAR MANKATO, MINN.

DEATH BRINGS GREAT SORROW

Friends Here Are Bowed With Sorrow in Sudden Passing of Beloved Young Man.

From Wednesday's Daily—Last night while enroute home from the Mayo hospital at Rochester, Minnesota, where he has been for the past two weeks, Clarence L. Beal, clerk of the district court, passed away, death coming after a long and severe illness that has lasted since last February.

The announcement that the wife was bringing the husband home reached here yesterday and bore the sad news that hope of the recovery of the patient had been abandoned, but it had been hoped by the family that their loved one might be allowed to return to spend his last hours among the scenes that he had loved so well, but these wishes were in vain as the death of Mr. Beal occurred while the train that was bearing him home was but some sixty miles out of Rochester. The body was taken from the train at Mankato, and prepared for burial and shipment home.

The body accompanied by Mrs. Beal and infant son and Everett Noble, brother of Mrs. Beal, reached Omaha at 11 o'clock this morning and was met there by the members of the family, who accompanied the funeral party on the last sad journey back to the home here.

Mr. Beal was taken sick last February, his attack coming on quite suddenly, taking him from his duties in the office of the clerk of the district court which he had just taken over. From the beginning the case had a very serious aspect that failed to show improvement in the passing weeks and finally led to his being taken to the Methodist hospital at Omaha where he was treated for several weeks. After a stay at the hospital he apparently was better and was able to return home a few weeks ago and for several days was able to be up and around as a part of the time but later a relapse made his case more serious and he was returned to the hospital. It was finally determined to have him taken to Rochester, Minnesota, to the Mayo hospital where he was given an examination and treatment and the decision made that his case was beyond help of medical aid.

The sad news of the failure of the mission to the hospital was conveyed here to the family from the wife who has been at Rochester and with the home when the last long journey home was started. Death coming to claim the spirit of the husband and father ere the journey was hardly started.

The death of Mr. Beal has come with great sorrow and the entire community and those tender to the bereaved family where he was loved and esteemed by a very large circle of friends. He was the second son of Mr. and Mrs. M. M. Beal, of this city. His education was secured in the Plattsouth schools and also at Peru, where he was a student for several terms. In his school life and later on graduating from the high school, Mr. Beal was very active in the athletic events of the city, having been a member of the high school and German Turner basketball teams and also for several years a member of the Plattsouth Red Sox baseball team. Mr. Beal was appointed as deputy clerk of the district court in 1916 by James M. Robertson and served in that capacity until the entry of the United States into the World War, when he laid aside his office to enter the naval service of his country and served until the close of the great conflict. On returning home from the war, Mr. Beal was engaged as a switchman with the Burlington in the local yards here and while so engaged was the victim of a very severe accident that resulted in the amputation of one of the lower limbs and from the effects of which Mr. Beal never entirely recovered. On June 23, 1922, Mr. Beal was married to Miss Golda Noble, daughter of Mr. and Mrs. A. R. Noble of this city, who, with an infant son, Robert, Allen Beal, survive the passing of this splendid young man. There are also surviving, the parents, Mr. and Mrs. M. M. Beal of this city, one sister, Mrs. B. L. Kirkham of Belle Fourche, South Dakota, two brothers, Frank Beal of Lincoln and Harry H. Beal of this city. One sister predeceased the deceased in death several years ago. Mr. Beal was a member of Plattsouth lodge No. 6 A. F. & A. M., the B. P. O. E., No. 739, and also of the local American Legion.

Funeral services will be held Friday afternoon at 2:30 from the First Methodist church.

Mrs. J. P. Johnson departed this morning for Omaha where she will spend the day in that city looking after some matters of business.
